NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Due to the COVID-19 pandemic and social distancing protocols, our Library Media Specialist is teaching a Kindergarten class to reduce class sizes. Classes are being self contained and not allowed to change classrooms, therefore the library would not be utilized in the typical school year manner.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Reducing Kindergarten class sizes will allow for the social distancing protocols to be followed and also allow for more one on one instruction. This will help with the academic learning gap students have from either not attending traditional school in FY 21 or the constant disruption to learning caused by the pandemic.

The teachers have a classroom library of books for students to take home or use for classroom reading resources. All students have a device with access to the internet. Maryetta School has a virtual eLibrary which can be utilized onsite or remotely and is shared with the community through our school website. Our library media specialist also has a Facebook Library page where she reads to students and plans reading activities.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Our library media specialist is also a Reading Specialist and is highly qualified to teach emergent readers. Smaller class sizes keep students safer and healthier and allow for more one on one instruction. We are hoping to see academic gains to close the academic learning gap from not attending traditional school in FY 21 or the constant disruption to learning caused by the pandemic and develop our emergent readers.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

Maryetta School is requesting the Library Media waiver for one year. Due to COVID-19 and social distancing guidelines, classes are being self contained and not allowed to change classrooms, therefore the library would not be utilized in the typical school year manner.

The teachers have a classroom library of books for students to take home or use for classroom reading resources. All students have a device with access to the internet. Maryetta School has a virtual eLibrary which can be utilized onsite or remotely and is shared with the community through our school website. Our library media specialist also has a Facebook Library page where she reads to students and plans reading activities.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

Due to the COVID-19 Pandemic, Maryetta School added a Kindergarten class to reduce class size and increase the capacity to social distance. The proposed waiver/deregulation would allow us to make the change for one year and not have to hire an additional teacher that could possibly be in a rift situation the following year.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The students will take BOY, MOY and EOY assessments. The teacher will be evaluated through TLE Tulsa Model.

**** You will be contacted if more information is needed to process this request.**

RE: OAC 210:35-5-71 - Library Media Services Elementary School

To Whom It May Concern:

Maryetta Public School is requesting a Statutory Waiver/Deregulation for OAC 210:35-5-71 - Library Media Services Elementary School.

Due to the COVID-19 pandemic and social distancing protocols, our Library Media Specialist is teaching a Kindergarten Grade class to reduce class sizes. Classes are being self contained and not allowed to change classrooms, therefore the library would not be utilized in the typical school year manner.

Our library media specialist is also a Reading Specialist and is highly qualified to teach emergent readers. Smaller class sizes keep students safer and healthier and allow for more one on one instruction. We are hoping to see academic gains to close the academic learning gap from the spring and develop our emergent readers.

If you should have any questions, please advise.

Sincerely,

A handwritten signature in cursive script that reads "Lori Means".

NAME OF WAIVER
LM Services

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Our current LMS has been employed in this capacity for the past three years. She has a Master of Science in Computing Technology in Education and is certified in 8 areas, including Elementary Education, Business English, and Computer/Information Processing. She passed the Library-Media Specialist subject area test in 2013, but was not issued a certification in LMS because her master's degree was not in Library Science.

Due to the isolation of our rural district, finding a LMS as qualified as Mrs. Scott has proven very difficult. She trained extensively under the former LMS and has served in this capacity for three years. The district feels Mrs. Scott, with her experience in the library and several other certification areas, including technology and media, are a perfect fit for student achievement.

We are respectfully requesting this statutory waiver for the following employee to perform these duties for FY22 and beyond if approved:

Krystal L. Scott, #178686

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

The district plans to use Mrs. Scott as our Library Media Specialist and Duster Learning Academy teacher (currently 2 students enrolled, utilizing online curriculum) for the 2021-2022 school year. Mrs. Scott has an aide that is assigned to the Duster Learning Academy, housed in the library, to ensure access by our students to Mrs. Scott and the library at all times during the school day. With Mrs. Scott's many skills and experience, coupled with her prior training with the previous LMS, the district feels she is an excellent choice to assist our students in their reading and literacy achievement.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

With approval of this waiver allowing Mrs. Scott to continue as the Library/Media Specialist, the district will see continued increased performance from our students. Mrs. Scott has implemented incentive programs to promote reading and has developed a culture in the library that excites and motivates students to spend free time in the library. Through her leadership, the library has become and will continue to be a tool that encourages students to increase their love for reading, and also increase their achievement levels through district curriculum such as Accelerated Reader and other library related activities.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

1. Please see Mrs. Scott's schedule attached to this waiver application
2. Please see the attached school calendar showing 167 days of instruction that the library is open to students
3. Assessments in the library are provided through Renaissance Learning (STAR Test and Accelerated Reader)

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The district does not expect any negative financial impact as a result of this statutory waiver request.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The district will evaluate Mrs. Scott as part of our regular evaluation of instructors through the TLE model utilizing the OKTLE website. Our library media services also keeps records through computer results of student achievement of the Accelerated Reader program. Mrs. Scott will continue to employ reward programs and other positive incentive activities for students excelling in their reading achievement as well as those showing marked improvement in their reading skills. These programs will be assessed at the end of the year to evaluate the effectiveness of our library programs and make any improvements needed.

** You will be contacted if more information is needed to process this request.

Library Schedule 2021-2022

1st hour	8:00 - 8:45	Duster Learning Academy (Jerod Cline - Aide)
2nd hour	8:48 - 9:33	Duster Learning Academy (Austin Hawkins - Aide)
3rd hour	9:36 - 10:21	Duster Learning Academy (Austin Hawkins - Aide); PreKindergarten (9:45 - 10:05)
4th hour	10:24 - 11:09	Duster Learning Academy (Austin Hawkins - Aide); 3rd grade (10:20 - 11:00)
5th hour	11:12 - 11:57	Duster Learning Academy (Austin Hawkins - Aide)
Encore	12:00 - 12:24	Duster Learning Academy (Austin Hawkins - Aide); 1st Grade with Mrs. Kinney (12:05 - 12:30 MWF)
6th hour	12:24 - 1:39	1st Grade with Mrs. Jones (1:00 - 1:30 MWF); Kindergarten (1:00 - 1:30 TR)
7th hour	1:42 - 2:27	2nd grade (1:40 - 2:10)
8th hour	2:30 - 3:15	4th grade (2:30 - 3:15 M); 5th grade with Ms. McVay (2:30 - 3:15 T); 5th grade with Mrs. Draper (2:30 - 3:15 W); 6th grade (2:30 - 3:15 R)

4th - 12th grades open for library check-out

September 13, 2021

To: Accreditation Standards Division, OSDE
RE: Statutory Waiver, Library Media Services – 210: 35-5-71; 210:35-9-71

To whom it may concern,

Please accept this letter and attached documents in application for a statutory waiver under title for a Library Media Specialist Certification waiver for our Library/Media Specialist, Krystal Scott #178686.

Mrs. Scott has been employed in this capacity for the past three years. She has a Master of Science in Computing Technology in Education and is certified in 8 areas, including Elementary Education, Business English, and Computer/Information Processing. She passed the Library-Media Specialist subject area test in 2013, but was not issued a certification in LMS because her master's degree was not in "Library Science."

Due to the isolation of our rural district, finding a "highly qualified" Library/Media Specialist as qualified as Mrs. Scott has proven very difficult. She trained extensively under the former LMS and has served in this capacity for three years. The district feels Mrs. Scott, with her experience in the library and several other certification areas, including technology and media, are a perfect fit for student achievement.

Thank you for your consideration of this request.

Respectfully,

Jeremy Brashears, Superintendent
Beaver Public Schools

LM Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Drumright Bradley Elementary School serves fewer than 300 students, the current count being 191, and does not have a full time media specialist. If the waiver is denied, the district will have to hire a full time librarian split between the schools at a greater cost than having two full time assistants. With an approved waiver, the library will be open and staffed all day, every day.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Drumright Bradley Elementary School has a full time library assistant that serves the students of the school. The library is kept open all day, each school day, to assist students with reading, research, and learning opportunities.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

The library deregulation has been awarded to Drumright Public Schools in previous years. It is important to the success of the school to keep the library open and accessible to students every day. The library serves an important role in improving literacy skills, research skills, and provides an area for students to seek study space and reading materials. The library assistant will serve an important role for student success by providing the necessary access to learning opportunities.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

See Attachment for the class schedule. The library is accessible to students all day every school day.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Drumright Public Schools was forced to do a Reduction in Force for the 2019-2020 school year. The media specialist role was a part time position serving three school sites for small periods of time. The position was cut as a cost saving measure to address budget concerns. A full time position is financially not realistic for Drumright Public Schools. However, staffing a full time assistant to serve in the two school buildings allows every student full time library access.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The circulation numbers of our media center should increase. Reading scores should improve.

** You will be contacted if more information is needed to process this request.

NAME OF WAIVER _____

- A. Reason for the Waiver request. Please include distance from your alternative education site to the closest possible district to coop with, what alternative means will have to be employed if your waiver was to be denied, and what percentage of your student population will benefit from the waiver if approved.

Drumright Public Schools will serve fewer than 10 students in the alternative education setting. Previously, the district cooped with Central Technology Center for an alternative school, but that has been physically moved to Sapulpa 25 miles away. Transportation of students is the biggest hurdle since the start and end times of the school day match our school start and end times. We struggle to find enough bus drivers to drive our regular routes and would not have a bus to send that far daily.

- B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students, graduation rate if a waiver has been awarded prior to this year, and learning achievement.

Any student that needs alternative education will be able to receive such services. Teachers in the core subjects of math, science, social studies, and English will be paid stipends to teach students during plan time and / or monitor and mentor their online curriculum. The school counselor will serve as a counselor to students placed in the alternative setting, and the school principal will act as the principal. The online curriculum will be Edgenuity. Students will be physically housed in the school, in a specific supervised classroom. Students will have access to school resources.

- C. Have you participated in an alternative education coop previously? Have you been awarded this waiver before and what was the educational impact to the district: Results of the Statutory Waiver, i.e., effect on student performance levels, impact of plan on other sites in the district. As a small district, we do not have large numbers of students requiring an alternative placement. However, it is our goal to adequately serve those students that may require an alternative placement. The district was awarded this waiver last year, but did not have a student need a placement.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

See Attachment

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The district will provide the online learning platform and absorb costs associated with providing the educational opportunities to alternative education students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Mastery Connect will be used to determine academic progress by standards. The graduation rate will be monitored, and the percentage of students that are able to return to the traditional setting will be tracked. Credit recovery successes will be tracked. The measure will be based on the individual goals of the students in the alternative education program and if those goals are met.

** You will be contacted if more information is needed to process this request.

Drumright Public Schools
Dr. Ashley Davis, Superintendent
56111 W Hwy 16
Drumright, Ok. 74030

Ph: 918-352-2492
Fax: 918-352-4430

August 18, 2021

State Board of Education,

Drumright Public Schools is a small, rural school district in Creek County. Please consider our request for a statutory waiver of 70 O.S. 1210.568 COOP Agreement.

Drumright Public Schools has developed an alternative education program to provide educational services to students in need. The secondary principal, secondary counselor, and five teachers will work with any students that require an alternative setting with individualized instruction.

Thank you,

Ashley Davis, Ph.D.

Superintendent

Drumright Public Schools

State Board of Education,

Drumright Public Schools is a small, rural school district in Creek County. Please consider our request for a statutory waiver of **OAC 210:35-7-61 Library Media Services Middle School and OAC 210:35-9-71 Library Media Services Secondary School.**

Drumright had a part time media specialist that was a .25 at the elementary school and .25 at the middle and high schools for many years until a reduction in force eliminated that position. The 2020-2021 school year, the district was able to hire two full time assistants to serve in each of the school libraries full time to provide library media services to all students during the entire school day. Drumright Public Schools would like to continue the practice of a full time library assistant in the elementary school and a full time library assistant in the middle and high school.

Thank you,

Ashley Davis, Ph.D.

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Library media specialist staffing.

Using option B of OAC 210:35-5-5-71. Fewer than 300 enrollment, at least a 1/5 full time certified library media specialist and a full time library assistant. We are a district of 54 Pk-8 students, all students will benefit from having this certified staff member and assistant.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

Students will be able to have library time and greater access to books and library lessons through use of this librarian and assistant. Should this be denied Panola will not be able to afford access to a librarian.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

This deregulation will allow us to increase reading interest and possibly scores through the use of the library and their expertise. It will also help prepare them to move on to high school and be prepared for research.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?
If positive please describe where the available would be reallocated.
Without this waiver we will not be able to afford a full time librarian which would be negative to our budget and hurt the students of Panola.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
Assessment will be by our librarian and principal in evaluating the level of books used by the students and the hopefull raising of test scores.

** You will be contacted if more information is needed to process this request.

October 1, 2021

Ryan Pieper, Executive Director
Accreditation Division
Oklahoma State Department of Education
2500 N. Lincoln Boulevard
Oklahoma City, Ok 73105-4599

Dear Mr. Pieper

Please find attached a copy of the School Site Deregulation Application for Panola Schools. This deregulation is being requested in regards to Option B of OAC 210:35-571, allowing for a 1/5 time certified librarian with a full time assistant.

Please consider this application for approval. Your assistance in this matter is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Bryan Deatherage". The signature is written in a cursive, slightly slanted style.

Bryan Deatherage, Superintendent
Panola

*Original signatures are required. The attached questionnaire must be answered to process.**

Statute/Oklahoma Administrative Code to be Waived:

(specify statute or OAC (deregulation) number: (see instructions))

A. Reason for the waiver/deregulation request (be specific).

Carney Public Schools is requesting a deregulation from 210:35-5-71 Staffing: The school shall provide staffing for the media program through one of the following arrangements: 1) Enrollment of fewer than 300: At least a half time certified library media specialist. Carney Public Schools currently has 240 students enrolled in PK-12. Carney Public Schools has made a concerted effort over the previous four years to hire a certified library media specialist willing to work part time. We have had no luck in our search for a library media specialist.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Carney Public Schools will utilize community volunteers, teachers, and assistants to ensure the libraries in the Elementary and High School remain accessible throughout the day. The Elementary Library recently had 1300 books donated. Additionally, we received a \$6,000 donation to be able to purchase a smartboard and additional supplies for our libraries. Many volunteers shelved, labeled and organized all of the new books. We have a paraprofessional that will spend the majority of the day in the library so that it is accessible for students and teachers.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Students will continue to have access to the library and will have periodic presentations from a library/media specialist, therefore we do not anticipate any change in student performance levels.

D. Timeline: (Please submit class schedule, calendars, assessment forms and other attachments as necessary.

A waiver/deregulation can only be granted for a one school year period)

NOTE: A School District Empowerment Waiver can be for up to 3 years.

We have a paraprofessional in the library for half of the school day each day. Teachers accompany their classes to the library as well for supervision.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The District will not have the salary for a half-time library media specialist but will have assistants with time allocated to the library that will offset some of that. In the end there will be somewhat of a positive financial impact on the District because of the reduction in a library media salary, but we realize it would be best for our students to have the specialist in place and will work toward that for the future.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The reading paraprofessional, volunteers, teachers and aides will be trained by the library media specialist in the proper management of the library. Evaluations will be based on library usage, survey of teachers in ease of use, availability, etc., number of books checked out and AR usage. This information will be used to compare to previous year's usage where data is available. In addition, student test scores in reading will be compared to ensure success of each student.

Accreditation Standards Division
2500 North Lincoln Boulevard
Suite 210
Oklahoma City, O.K, 73105-4599

Dear Accreditation Standards Division:

Carney Public Schools is requesting a deregulation from 210-35-5-71. Carney Public Schools has tried for the past four years to find a library specialist to work half time with no success. We currently have a full-time paraprofessional who manages the library with assistance from the building principal. The library has been managed very well with donations and guidance from local city libraries. While we have had no cusses in finding a full or part time, certified library media specialist, I am confident that our library is efficient and beneficial to our students.

Sincerely,

A handwritten signature in cursive script that reads "Brian Keith".

70 O.S.

OAC 210:35-5-7

hm Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Crutch Public School would like to request a deregulation for the Library Media Services for the elementary and middle school. The librarian retired and it ' s been difficult retaining a librarian. Our library is fully staffed with a library clerk full time. We would like to apply for two deregulations.

??OAC 210:35-5-71 - Library Media Services Elementary School - School is changing the standard of library services for their size school.

??OAC 210:35-7-61 - Library Media Services Middle School - School is changing the standard of library services for their size school.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Our students will still be able to receive full library services. The library will be staffed with a full time clerk and a certified teacher. The certified teacher will work with each class when they visit the library weekly. Students will have access to the library 100% of the school day four days per week. The following programs below will continue to be offered on a full time-basis.

Regular Circulation (Pk-8th), Story time (Pk-K), Basic Library Skills (1st-3rd), Information Literacy Skills (4th-8th). After school reading program and summer reading programs will still be offered. We do not anticipate any negative impacts. Services will still continue under the direction of a certified teacher.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

There will be no effect of impact on student performance levels. The district ' s student performance goal is to have all students reading on grade level. This year we ' ve added additional supports and supplemental reading classes to support our goal. Students will always have access to the library 100 % of the time. The certified teacher will create lesson plans and activities to be implemented and assisted by the library assistant. The district has seen an increase in reading levels and scores across the district over the past school year. This district has worked out and agreement and partnered with the metropolitan library system to offer students electronic books checked out to also serve as a resource due to COVID-19.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

We propose the library will be open four and a half days per week for students to have access. Teachers will have general times each week when their class will visit the library. Students will be able to leave class with permission from the teacher to visit the library.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

At this time we will not see any significant financial impact on the district. The salary for a certified librarian will be used to employ a certified teacher to provide support to the library program until we can identify a librarian. The district will continue to work on grants to help with additional materials to keep the library stocked with current material and offerings.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The superintendent will evaluate the progress and the effectiveness of the library program to determine if any changes need to be made. Our student population continues to make academic improvements in reading. Reading test assessments will be evaluated to determine if the proposed plan is effective. We will continue monitoring reading levels each semester to determine if any changes are needed.

** You will be contacted if more information is needed to process this request.

Dear Mr. Gray,

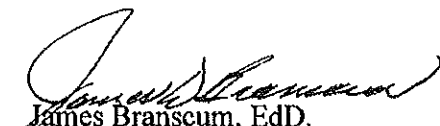

Crutcho Public School would like to apply for a deregulation application for Library Media Services for our elementary and middle schools. The deregulation numbers are listed below.

Deregulation

- OAC 210:35-5-71 - Library Media Services Elementary School - School is changing the standard of library services for their size school.
- OAC 210:35-7-61 - Library Media Services Middle School - School is changing the standard of library services for their size school.

Our library is currently staffed with a full time library clerk. Please see the attached schedule for operation.

Sincerely,

James Branscum, EdD.

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Our library media specialist serves both the high school and elementary sites. It is necessary for her to teach computer technology courses as well. To best serve our students and budget, our district must utilize library assistants along with our library media specialist to ensure the libraries are open all periods of the school day.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

The library media specialist will oversee, organize and order material for each library site. When the library media specialist cannot be at one site, there will be a library assistant assigned so the library can stay open throughout the day.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

By approving this deregulation, it will ensure our students have access to library materials throughout each day and best serve our students while also allowing our district to maintain a healthy budget without negatively impacting student success.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

The waiver request is for the 2021-2022 school year. We will assess our financial situation before next school year.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

If granted, we will have a positive financial impact, which is needed while our district is investing more dollars into preventative measures for COVID along with additional remedial programs.

F. Describe method of assessment or evaluation of effectiveness of the plan.

We will seek input from parents, teachers, students and administration at the respective site. Additionally, we will track and monitor reading progress via assessment and benchmark platforms along with trends in circulation.

September 17, 2021

To Whom It May Concern:

Ripley Public Schools is requesting deregulation from OAC 210: 35-5-71 and OAC 210: 35-9-71 in order to provide the best library staffing possible with considerations for full day staffing of the library, most beneficial impact to academics, and school finances. By having an approved deregulation, we will be able to staff our libraries at both the elementary school and high school for all hours of school operation. Without the deregulation, this would not be possible without affecting our other academic areas due to needing to allocate additional funds to the library. Thank you for your consideration.

Sincerely,

Brent Meeks

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

We are requesting the deregulation for Library Media Services Elementary School OAC210:35-5-71 and Library Media Services Secondary School OAC210:35-9-71 because our LMS retired. She will be returning to work on a part time basis. We will have to hire a full time LMS if our waiver is denied and it is next to impossible to find a LMS in our area of the state.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The LMS will be working part time in the library with a full-time library paraprofessional. Our current district enrollment is 530. Certified classroom teachers, classroom paraprofessionals, and student aides will also be working under the LMS direction while students are visiting the library.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Vanoss has received the deregulation in the past. Approval of this deregulation will have a positive impact on our school system because we will be able to operate the library full time under the supervision of an excellent retired LMS. Students will continue to have a positive library experience based on the LMS expertise and the number of qualified personnel to assist in the library while students are using the library.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

A copy of our weekly library schedule and hours of operation are attached.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Our district will have a positive financial impact due to the proposed deregulation because the LMS is working part time in the library instead of full time. The additional financial monies will be reallocated to our general fund.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will monitor the number of books being checked out, Renaissance Learning (Accelerated Reading) points, and the overall satisfaction of the library service/experience through teacher observation and informal surveys.

** You will be contacted if more information is needed to process this request.

Vanoss Public School

“Enter to Learn: Leave to Serve”

To: Oklahoma State Board of Education

From: Marjana Tharp, Superintendent

Date: 8-31-2021

Re: Deregulation(s) – OAC 210:35-5-71 (Library Media Services Elementary School) and
OAC210:35-9-71 (Library Media Services Secondary School)

To Whom It May Concern:

Please accept the following application for approval of Deregulation(s), OAC210:35-5-71 and OAC210:35-9-71. We are requesting a Deregulation for Library Media Services (Elementary and High School) at Vanoss Public Schools. Please contact me if you have questions or concerns.

Sincerely,

Marjana Tharp
Superintendent

Library Schedule of Operation

The library is open from 7:30 to 4:00 and is manned full time with a paraprofessional. A library-media specialist is working part-time and works a flexible schedule. Certified teachers accompany their classes to the library either weekly or bi-weekly. Student assistants are shadowing (on the job training) over 85% of the day with the goal of 100%. They are enrolled in a class of rigor; outlined in the syllabus.

Library Weekly Schedule (updated August 2, 2021)

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?
- Brushy Public School is requesting a deregulation waiver for a library media specialist. Our previous Library Media specialist, Mrs. Cathy Woodward, retired at the end of the 20/21 school year. After not being able to find a suitable replacement, Mrs. Woodward has agreed to return in a part-time capacity as the school librarian until a more permanent solution is found. We will also incorporate a full time library assistant, Mrs. Carla Scavo, to serve our students. Mrs. Scavo has served as a library assistant for the last 2 years.
- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.
- Mrs. Carla Scavo, a teacher assistant, will be in the library full time. She has worked as a library assistant for the last two years. Mrs. Cathy Woodward will work Monday, Wednesday, and Fridays of each week and be on call if any problems may arise.
- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
- We do not anticipate a decline in educational services. Our enrollment is under 400 students which requires a half day library media specialist.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

One Year. We are hopeful we can find a more permanent solution.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

This decision will save us the salary of a full-time Library Media Specialist. We will use any saved costs to help bolster our reading selections in the Library.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will survey the classroom teachers for problems in library services. We will compare Accelerated Reader tests from this year to last year and compare the number of books checked out and returned.

** You will be contacted if more information is needed to process this request.

LM Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

The Library Services deregulation would allow the district to absorb the Library Media Specialist at the Multimedia center that services the Elementary and Middle School due to inadequate funding. The district will still provide a part-time Library Media Specialist to maintain the elementary. Middle School and High School Libraries services by using time management skills at both sites. Additionally, There will also be a certified librarian for 1/hour per day to assist the district librarian at the Multi-Media Center.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The district librarian will primarily be at the multimedia center and the rest of time at the high school library. Library lessons will be a priority for elementary and middle school spending 2/3 of time and the remainder of the day at the high school. Library assistant will be available at the multimedia Center and Aides at the High School.

Additionally, There will also be a certified librarian for 1/hour per day to assist the district librarian at the Multi-Media Center.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

There should be no effect on the student performance levels, as elementary library lessons will continue to be a priority and library assistants at multimedia center and high school will assist teachers with library services during absence of librarian.

Additionally, There will also be a certified librarian for 1/hour per day to assist the district librarian at the Multi-Media Center.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The deregulation request is for 2021-2022 SY. A calendar is attached along with tentative class schedule for the 2021-2022.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

One district librarian provides the district with flexibility to absorb a library position without any loss of employment. Also, it will allow our media specialist to assist our distance learning students. Additionally, There will also be a certified librarian for 1/hour per day to assist the district librarian at the Multi-Media Center.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Site principals will monitor and assess library services daily, weekly and monthly to insure student and staff needs continue to be met. STAR, IXL and Accerlator Reading will be used throughout the district. Also, at the High School ACT prep program will be used as well.

**** You will be contacted if more information is needed to process this request.**

VIAN PUBLIC SCHOOLS
BOARD OF EDUCATION
SPECIAL MEETING MINUTES
July 12, 2021

The meeting was called to order in the Superintendent's Office by Joe Paul Simon at 6:00p.m. Members present were Joe Paul Simon, Ed Barton, Ken Pack, James Thornton and Gary Seay.

After the quorum was established, everyone participated in the Flag Salute.

Mr. Salcedo reported to the Board that we received money from Cherokee Nation which we requested last spring in the amount of \$32,400 which will be used to offset the cost of Chromebook and smartboards. We will be installing new smartboards in all classrooms. He also reported on these topics (see attachment for details):

- Softball field
- Football field
- Sidewalk
- Ag building
- School Board workshop
- Rock gym
- Bond company
- Credit card machine

Delaina Risley presented financial reports including:

- July payroll
- General Fund encumbrances 1 through 322 and changes totaling \$3,249,952.66
- Building Fund encumbrances 1 through 3 totaling \$39,410.00
- Building Bond Fund encumbrance 1 totaling \$461,550.00

Gary Seay made the motion, seconded by Ed Barton to approve the business items as presented. Joe Paul Simon voted yes, Ed Barton voted yes, Ken Pack voted yes, James Thornton voted yes, and Gary Seay voted yes.

Ken Pack made the motion, seconded by Gary Seay to approve the Consent Agenda items. Joe Paul Simon voted yes, Ed Barton voted yes, Ken Pack voted yes, James Thornton voted yes, and Gary Seay voted yes. Items approved:

- June 2021 special meeting minutes
- Activity Fund Handbook for the 21-22 SY
- High School Student Handbook for the 21-22 SY
- Middle School Student Handbook for the 21-22 SY
- Elementary Student Handbook for the 21-22 SY
- Approval of Deregulation/Statutory Waiver for Librarian/Media specialist for the 21-22 SY

Ken Pack made the motion, seconded by James Thornton to approve the renewal of the Qualified Zone Academy Bond Lease for the fiscal year ending June 30, 2022, as required under the provisions of the

Simon voted yes, Ed Barton voted yes, Ken Pack voted yes, James Thornton voted yes, and Gary Seay voted yes.

Ed Barton made the motion, seconded by Ken Pack to adjourn at 7:30p.m. Joe Paul Simon voted yes, Ed Barton voted yes, Ken Pack voted yes, James Thornton voted yes, and Gary Seay voted yes.

Joe Paul Simon, President

Ed Barton, Vice President

Ken Pack, Clerk

James Thornton, Member

Gary Seay, Member

Re: Library Media Specialist Deregulation Application Library Media Services for Elementary
OAC 210:35-5-71 and Middle School OAC 210:35-7-61 for 2021-2022 SY.

Oklahoma State Department of Education,

Vian Public School is submitting a Library Medical Specialist Statutory/Deregulation Application for 2021-2022 SY. This would allow the district to absorb the Library Media Specialist of the Multimedia Center that services the Elementary and Middle School due to decrease in funds and enrollment. The district will still provide a Library Media Specialist to maintain the elementary, middle and high school by using time management skills at the both sites. In addition, a Library Specialist will be for one hour during the teachers planning period.

Sincerely,

Victor Salcedo
Superintendent

NAME OF WAIVER

A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

** You will be contacted if more information is needed to process this request.

Question A.

Empire Public Schools is requesting a waiver/deregulation for our library because Empire Public Schools has one centrally located library that easily serves all of our students. One full-time certified teacher was an emergency certified Library Media Specialist in the past will serve as Librarian 5 days per week 8:00 AM-3:30 PM.

Question B.

Our proposal is to have one full-time teacher to serve all of our students 5 days per week as a librarian. This teacher who will serve as the librarian will be seeking certification. Teachers often accompany their class to the library; therefore they will also be able to assist in the library if necessary. This plan will serve our students very well because there will be consistency in the library.

Question C.

Empire Schools has been awarded a deregulation in the past. We believe that this will not have any negative impact on student performance levels. The library will be open to students at all times of the day. A high level of library service will be maintained at all times.

Question D.

The alternative strategy began in the 2020-2021 and proved to be successful, we feel it will continue to be successful in the 2021-2022 school year. The schedule for the library will be as follows:

Monday through Friday-Full time teacher serving as a librarian.

The Librarian will be encouraged and supported by administration to seek out answers to any questions that may arise from experienced Library/Media Specialists.

Question E.

The financial impact to the district will be minimal. The current Certified Teacher (Elementary Education) faced medical complications from Cancer and Covid last Fall and was not able to test or complete all classes necessary for full Librarian Certification. Therefore our district is paying her as a certified Teacher but her day is spent in the Library.

Question F.

The library services will be evaluated by the students, parents, teaching staff, and administration throughout the school year. Formal and informal surveys will be taken to identify any weaknesses in our library service.

Oct 1, 2021

To Whom It May Concern:

Empire Public Schools is requesting to deregulate from OAC 210:35-9-71, OAC 210:35-7-61, OAC 210:35-5-71 for our High School, Junior High School, and Elementary. Empire has one, centrally located library that serves all 3 sites. We will have a full-time certified Teacher in the library 5 days per week that will easily be able to serve all 3 sites. In addition, classroom teachers will be available to assist the librarian if necessary. We believe that our students will continue to be provided a high level of library service by implementing this strategy. The library services will be closely monitored throughout the school year in order to make sure that we are meeting the needs of all of our students.

Thank you for your consideration.

Justin Smith, Superintendent
Empire Public Schools

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?
As listed in the letter we submitted, we are in rural Tillman County and efforts to recruit certified media specialist have not provided any results.
- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.
We have for several years, and plan to in 21-22, to assign a para to the library to handle the organizational oversight and maintain operations in the library combined with teachers bringing their classes in to the library to use library services.
- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
Yes. It does not impact our library services that we offer.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Timeline includes the 21-22 school year.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?
If positive please describe where the available would be reallocated.

If there is any impact, it allows for more teaching and RTI full-time equivalent staff for RTI services to serve the overall instructional needs of our kids, while also maintaining a high level of library services for our students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
Log our use of library services throughout the year and evaluate RSA, ACT, and standardized testing results data.

** You will be contacted if more information is needed to process this request.

Members of the State Board of Education:

Grandfield Public Schools is requesting your approval for a Statutory Waiver/Deregulation OAC210:35-5-71 and OAC 210:35-9-71. Our district is located in rural Tillman County. We are unable to find or recruit a certified media specialist for the 2021-2022 school year. Our longtime librarian retired and we have been unable to find a replacement. Our local school board has agreed to this request for approval of a Waiver/Deregulation. Thank you for your consideration in this matter

Respectfully,

LM Services

A. Reason for the waiver/deregulation request (be specific).

OAC 210:35-7-61 Library Media Services Middle School, High School, Teague Elementary, and Ellington Early Childhood Center - we are requesting the use of a part-time librarian with a full-time library assistant at each site. We have 1 certified librarian who is present for one day at each site, with a full-time library assistant present every day at each site.

Over the past two years we had another librarian retire, leaving us with only one librarian district wide. We have also partnered with our city library to offer students the ability to check out books virtually on their school provided Chrome books/tablets through our Wagoner City Library. This virtual library is a consortium of public libraries throughout the state of Oklahoma and allows our students greater access to more titles.

All libraries affected will be open and staffed throughout the school day. They will remain open all day long.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Due to the lack of applicants for a librarian position, we are replacing the position with a library assistant. By keeping the library staffed with a full-time person, who will be under the supervision of part-time certified librarian, we do not anticipate any negative effects for our students or teachers. We feel like this is the best viable option we have in order to keep all school libraries open and fully staffed throughout the day.

We have also partnered with our city library to offer students the ability to check out books virtually via our Wagoner City Library's online library. This virtual library is a consortium of public libraries throughout the state of Oklahoma and allows our students greater access to more titles.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

There should be no negative impact to the district. This actually allows us to save a little bit of money by hiring a library assistant rather than a librarian. We can use the savings for many other aspects of operating our school district.

D. Timeline: (Please submit class schedule, calendars, assessment forms and other attachments as necessary. A waiver/deregulation can only be granted for a one school year period)
NOTE: A School District Empowerment Waiver can be for up to 3 years.

The libraries will be staffed accordingly upon approval by the SDE. The principals of each school will be in constant communication with the shared librarian to make sure services are improving for our students, not declining.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

As previously mentioned, the district will save money when comparing a certified librarian's salary to that of a library assistant. The total amount will vary, but we are estimating \$25-30,000. We plan to use the savings to off-set the \$7,500 cost for partnering with the city library to allow our students access to their virtual library; we will purchase more "class sets" of novels in our Middle School and High School English classes; we will purchase more supplemental reading/vocabulary materials for our elementary teachers, i.e., Studies Weekly and Waterford.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The principals of each school will be observing the operation of the library on a daily basis. Feedback with conversations between principals and library staff will happen regularly to ensure this is a positive approach for our buildings. We will also check the number of books being checked out by students this year versus last year to verify the library is still being utilized as it should. These assessments will take place every quarter.

** You will be contacted if more information is needed to process this request.

WAGONER PUBLIC SCHOOLS

P.O. Box 508 • Wagoner, OK 74477 • 918-485-4046 • Fax: 918-485-8710

October 12, 2021

Dear Oklahoma State Department of Education:

I am asking for a statutory waiver/deregulation in regards to OAC 210:35-7-61, 35-5-71, 35-9-71, Library Media Services for our High School, Middle School, Teague Elementary, and Ellington Early Childhood Center. At Wagoner Public Schools we have 4 school sites. Our High School has a student enrollment of 610; Middle School enrollment of 477; Teague Elementary student enrollment is 451; Ellington Early Childhood enrollment is 527.

Our lower elementary librarian retired. We advertised the opening, but only had one applicant for the job. As the start of school neared we hired a library assistant for the position. We are requesting to be allowed to share a district wide librarian with each school site. If granted the waiver, we will continue to have a full time library assistant for each school library.

The district librarian will spend one day a week at each school's library. Every school's library will have their own full-time library assistant. Not only are librarians difficult to find and hire, this approach also saves us thousands of dollars when you consider the salary difference between librarians compared to library assistants. We foresee no negative effects to our students or teachers at any school as our libraries will remain operational throughout the school day.

For this school year we have partnered with our local city library to allow our students to access their virtual library via school provided Chrome books and tablets. This virtual library is a consortium of several public libraries throughout the state of Oklahoma and allows our students online access to a greater variety and number of books than what our traditional school and city libraries can offer. Our students can also access the virtual library after school hours, on the weekends, and during school interruptions, should they occur.

Sincerely,

Randy Harris
Superintendent, Wagoner Public Schools

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Unable to hire Library Media Specialist.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

ELEMENTARY SITE & HIGH SCHOOL SITE are both open every hour of the school day. They are operated by a Teacher's Aide that is assigned to the library the entire day. Our Library/Media centers are only closed during actual State Testing hours when the computers are used for State Testing, any other time they are open and staffed.

Our students benefit by the open hours so that they can take AR tests, or do research for class projects, explore college opportunities and much more.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We have been granted a deregulation before and we were able to keep our library /media centers open with teacher assistants or parent volunteers. Covid has limited our volunteers, so we have gone with a FULL TIME teacher assistant in each media center. We manage to serve our student population very well as a result.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

See Attachments: Class schedules for Elementary and High School sites, as well as the District wide Yearly calendar.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

None at this time.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Keeping our Media Centers open all day, even tho not staffed by a Certified Staff member, alllows our students AR points to continue to climb, and students can research information when needed, at any time during the day when a teacher allows them to go to the Media Center.

** You will be contacted if more information is needed to process this request.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

**LOOKEBA-SICKLES SCHOOL
10108 COUNTY ROAD 1150
LOOKEBA, OK 73053-9710**

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Not being able to hire a Certified Librarian in all honesty is saving our district money by not having to pay the certified salary for a librarian. But our Media centers that are located at the Elementary and High School sites are available every hour of every day, the doors are open and students use them every day. Yes they are maintained and operated by non-certified employees, but they are open and used.

We buy new books for each site every year to keep current literature available for our students. Computers are also available at each site to allow students access to materials that we cannot provide for hands on use.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

**LOOKEBA-SICKLES SCHOOL

Deregulation Request: OAC 210:35-5-71 and OAC 210:35-9-71

To whom it may concern:

My name is Mike Davis, Superintendent of Lookeba-Sickles Public School. I have not been able to hire a librarian for our school. We keep our libraries open all day every day we have school. This is currently being done with a full time aide in each library as well as several parent volunteers.

I believe this is a positive step in the right direction to help us meet our library requirements. Therefore, I am requesting DEREGULATION (OAC 210:35-5-710) AND (OAC 210:35-9-71) for a certified librarian and asking to be considered for the DEREGULATION WAIVER, here at Lookeba-Sickles Public Schools. This would keep us from having a deficient mark on our accreditation report.

Enclosed in this packet you will find all the necessary papers for this request.

Thank you for your help and consideration in this matter.

Sincerely,

Mike Davis

Superintendent

Lookeba-Sickles -- education in action!

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

This deregulation is being requested to change the standard of library services for Wilson Elementary School and Wilson High School. The approval of this request will allow the following:

Wilson Elementary School – Classroom teachers will take students to the library once per week to teach basic library skills and to check out books. A full-time library assistant will also work in the library on Monday and Wednesday mornings to allow checkouts and guided help.

Wilson High School – A full time certified English/Language Arts teacher will oversee the resources and the needs in the library and will be using the library for book talks, reports, etc. English and Computer Science teachers will keep library shelves organized and assist students in checking books in and out. Teachers will have a flexible schedule for their class to use the library to collaborate with the counselor, administration or Library Media Specialist on resources they may need.

Wilson Schools has a full time certified teacher who has a library/media certification and will consult with the teaching staff to ensure that the libraries are providing the resources and help needed for individual and group student needs. That certified staff member will also oversee library funds. Libraries will be open all day and available to students.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We will use our teachers and full-time assistant to monitor the libraries. This will allow students to access the library to check books in and out and have available all current resources the library has to offer.

The district has a certified Library Media Specialist on staff who will make available time after school to monitor the libraries and consult with the staff working in the libraries to ensure that the libraries are providing the resources and help needed for individual and group student needs.

We will work with the Wilson Public Library, of the Chickasaw Library System, to implement summer reading programs. They will also provide consultation throughout the school year to Wilson School Staff.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes, we have received this deregulation before. Since first being awarded the deregulation, we added a full-time assistant in the library. This allowed our students to have access to books at all times and thus our students were reading more, and excited to go to the library. We fully expect this to remain the case moving forward.

Teachers district wide have received the Library Media Standards and are imbedding them into their classrooms via reading curriculum, research projects, book reports, AR program, and digital media. They will also be supporting literacy instruction with their classroom libraries providing opportunities for independent reading and curricular extensions. Therefore, the educational impact to the district will be minimal. The school will still expend library media funds to enhance library resources.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

On August 9, 2021 a local school board meeting will be held and this deregulation will be discussed and approved. At that board meeting the plan will be available for public review. This deregulation shall be good for the 2021-2022, 2022-2023, and 2023-2024 school years.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive, please describe where the available would be reallocated.

There will be no financial impact to Wilson Public Schools. We will be allowed to redirect district funds to certified and non-certified staff in core curriculum classes.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

All procedures will remain the same as in past years. No procedures will change and teachers, students, and staff will notice no change in the operation of the libraries at the Elementary and High School.

Procedures include but are not limited to checking books in and out, individual student selection of books, and understanding the use of library/media resources. The effectiveness of the plan will be evaluated through STAR testing, RSA, and ACT scores.

** You will be contacted if more information is needed to process this request.

To whom it may concern,

Wilson Public Schools is requesting a deregulation for library services for the 2021-2022, 2022-2023, and 2023-2024 School Years. Wilson Public Schools has a certified library/media specialist on staff. However, due to enrollment increases and a thin budget, she is having to be used as a classroom teacher.

The libraries at Wilson Schools will remain open and staffed full-time with an assistant. We will maintain our libraries by expending the library media funds dispersed by the state. Students, parents and staff will not notice any difference in the daily operation of the library or its procedures.

Thank you for your consideration in this matter.

Sincerely,

Tonya Finnerty
Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Ambra Gormley served as our Library paraprofessional for FY20 and Librarian for FY21 has a Master's Degree in Higher Education with extensive work experience being a librarian at Tulsa Community College. She has extensive experience functioning as a library media specialist and has been accepted to become alternatively certified. She has passed the OGET and the Library Media OSAT. Her experience will allow her to run the library 7 periods each school day effectively. We also request to waive the requirements of having a full time library media paraprofessional as Ms. Gormley's experience adequately meets the needs for our library to fully operate 7 periods per school day.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The district anticipates the proposed library-media services deregulation, which affords full-time library-media access, will positively impact our students, while alleviating the negative impact that could result if a library-media specialist had to be pulled from another site to cover at Mannford High School.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

The district has been awarded this deregulation the past three school years for our previous library-media. This Plan allows our students full-time access to library-media services which has positively effected our students and faculty.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The District requests this Library-media services deregulation for 3 years. Library-Media services will be offered all day (7 period day) at Mannford High School.

Ms. Gormley has agreed to complete the Alternative Certification in a timely manner.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The District expects no financial impact as a result of this library-media services deregulation.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Careful monitoring of library-media services rendered, along with feedback from students and staff, will be key factors in assessing the effectiveness of this plan.

** You will be contacted if more information is needed to process this request.

AMBRA GORMLEY

P.O. Box 992 Mannford, OK 74044 | (918) 807-3899 | ambra.gormley@yahoo.com

QUALIFICATIONS:

- Trained in educational theories and administrative theories relevant to generational learners
 - Trained in supervision of employees and students including effective conflict resolution and mediation
 - Research and expertise in student placement, retention, and student success
-

PROFESSIONAL EXPERIENCE:

High School Librarian, 2020-Present | Mannford High School | Mannford, OK

- Assist students with locating library materials
- Review and order new library materials
- Provide assistants with multimedia use
- Conduct freshman library orientations
- Process fines and accept payments
- Enforce and ensure library rules are being followed
- Maintain Chromebook Inventory
- Provide leadership in the planning and management of library programs

High School Library Aide, 2018-2020 | Mannford High School | Mannford, OK

- Assist students with locating library materials
- Review and order new library materials
- Provide assistants with multimedia use
- Conduct freshman library orientations
- Process fines and accept payments
- Enforce and ensure library rules are being followed

Assessment Specialist, 2014-2018 | Tulsa Community College | Tulsa, OK

- Assist reading faculty with Townsend Press Learning Center, Blackboard, Microsoft Word, Compass Testing and other support services
- Conducted Nelson Denny test administration and scoring
- Work with Education Access Center to help meet the needs of disabled students
- Tutor students on how to read a textbook to extract meaning
- Facilitate the discovery of strengths and weaknesses in student reading
- Act as a catalyst to support continuous academic improvement
- Conduct Reading Lab orientations for faculty

Adjunct Professor, 2009 – 2015 | Tulsa Community College | Tulsa, OK

- Writing Foundations II
- Reading Foundations II

Learning Resource Center Assistant II, 2001-2011 | Tulsa Community College | Tulsa, OK

- Achieved common goals for student success by developing relationships and collaborating with faculty and other staff
 - Worked with librarians to design curriculum for workshops focusing on information literacy
 - Managed library aids, part time librarians, and general library operations
 - Managed and maintained library collection to meet the needs of diverse reading abilities and interest
 - Successful management of software systems including scheduling and Voyager system; served as library systems trouble-shooter for Voyager Media Scheduling
 - Managed and maintained collection and student workspace
 - Provided one-on-one research assistance
-

RE: Application for Mannford High School 3-year Library Media Services Deregulation – OAC 210:35-9-71

To Accreditation Standards Division:

On behalf of Mannford High School and the Mannford Board of Education, please consider granting a 3-year Library Media Services Deregulation, as described in the attached application proposal.

Our former Library-Media Specialist rendered her retirement on August 3, 2020 due to COVID-19 health concerns.

Library-Media services at Mannford High School were provided on full-time basis under the supervision of Ambra Gormley under the final year of the district's previous Library-Media Services deregulation. The District plans to continue to offer Library-Media services with Ms. Gormley as the full-time librarian. She holds a Master of Higher Education Administration and Leadership degree and will soon hold a Library-Media Specialist OSDE Teaching Certificate. She has passed the OGET, the Library-Media Specialist OSAT, and awaits her results of the OPTE. She has served at Mannford High School as the full-time library-media paraprofessional. Prior to moving to Mannford High School, Ms. Gormley served in similar capacities at Tulsa Community College. She is keenly familiar with not only the overarching culture and climate at Mannford High School, but specifically the standard of excellence that is expected from the library-media services at Mannford High School.

We are confident that this Library Media Services Deregulation will allow us to continue to provide excellent library-media services to our students and staff at Mannford High School, in spite of the severe shortage of educators that is currently afflicting Oklahoma.

Thank you for your consideration of this matter.

Respectfully,

Kelly Spradlin

Lm Services 9-71
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Our Librarian who was 74 years old retired this year due to health concerns. We have 105 students from PK-12 grade. We are not stopping library services. I have hired staff to facilitate the library, they just are not certified. This staff member does have a Master's Degree and intends to become certified.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Our library services included a weekly check out schedule. We are 1:1 on electronic devices. The Library staff manages all those devices and teaches weekly lesson per grade level on digital citizenship. We also have incorporated weekly book lessons that address: bullying, harrassing, cyper-bullying, hygiene, SEL and many other topics.

We are very proud of the push to upgrade our technology to our students and be able to easily transition from face to face to distance. Managing physical book checkouts and online book resources from our staff would greatly disrupt learning. We have someone qualified in our library to implement these curriculum, just do not have a library certification.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes, approximately 10 years ago. The district had no adverse effects from the deregulation. District continued to operate and fund the library with support staff.

Our library services will continue to develop and meet the needs of our students. The changes in technology had become too intimidating for our previous library that retired and adding new library staff will be a positive, even though certification has not be obtained yet.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

See attached:

School yearly calendar
High school class schedule
Elementary class schedule
Library lesson schedule

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Deregulation will not financially impact the district.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We hold monthly staff meeting to evaluate state scores and district benchmarks from Renaissance Learning. Students are remediated or enriched based off of data driven decisions. Staff are evaluated with the TLE tool and emphasis is placed on instruction and academic growth. All teachers meet the district RSA plan for instruction. Staff attend in build professional development and have attended summer workshops on targeted interventions and best pedagogical practices.

** You will be contacted if more information is needed to process this request.

September 28, 2021

To Whom It May Concern:

Taloga Public Schools is seeking a three year waiver for our certified library position. Our students will still be served in the same capacity as they have been in years past. We have struggled in rural Western Oklahoma to fill this position after the retirement of our previous Librarian. We have hired a person to take over the duties in this position. Our expectation is that this person will gain experience and seek certification in the next couple of years.

Sincerely,

Marsha Cusack

Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Our library science teacher resigned late in the summer of 2021. We are very rural and have trouble hiring the high needs areas.

If this waiver is denied, we will keep the position open and close the library until such time as it can be re-opened.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Our alternative strategy, was to open the position and gain a certified librarian for the 2021-2022 school year. Gaining this deregulation will enable our students to have access to the library and continue to read and gain skills for continued comprehension.

The negative impace would be that the students do not have access to reading materials and are unable to attain important reading skills.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

This deregulation has not been awarded in the past.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Attached

E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Gaining this deregulation will allow TPS to utilize any additional funds to rebound from last year's mid term adjustment. All funds are spent on the students of TPS to increase their educational needs.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, IE TLE ACT scores, graduation rates, RSA, School REport Card, etc.

We utilize Alpha Plus Oklahoma Academic Standards Assessments. The school report card will be used when COVID allows the reporting to continue.

** You will be contacted if more information is needed to process the request

NAME OF WAIVER

- A. Reason for the Waiver request. Please include distance from your alternative education site to the closest possible district to coop with, what alternative means will have to be employed if your waiver was to be denied, and what percentage of your student population will benefit from the waiver if approved.

Wellston Public Schools request a deregulation for our MS/HS Library for the 2021-2022 school year. Wellston MS/HS has a student population of 277 students in 6th-12th grades. We have a full-time library assistant for the MS/HS Library and she will have assistance and guidance from our elementary library specialist, Janet Humphrey.

OAC 210:35-9-61

OAC 210:35-7-61

- B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students, graduation rate if a waiver has been awarded prior to this year, and learning achievement.

Erin Ohl is a full-time library assistant for our MS/HS Library. She will continue to receive consultation, guidance, and assistance from Janet Humphrey, our elementary library media specialist.

- C. Have you participated in an alternative education coop previously? Have you been awarded this waiver before and what was the educational impact to the district: Results of the Statutory Waiver, i.e., effect on student performance levels, impact of plan on other sites in the district.

Wellston was awarded this waiver last year. The impact and result of the waiver will include but is not limited to: MS/ HS Library will continue to be open 8:00 a.m. to 3:15 p.m. Monday through Friday.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The deregulation for library media services is requested for the 2020-2021 school year. A school calendar and class schedules are attached,

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The school district will save up to \$20,000 if this request is approved for the 2021-2022 school year. The funds saved will be used to assist in paying teacher salaries for the current school year. In addition, state funding could be decreased this year due to our declining enrollment.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Wellston Public Schools will analyze the number of books circulated and compare to FY21 to FY22.

** You will be contacted if more information is needed to process this request.

To Whom It May Concern:

I am requesting approval for a deregulation of library media services for our MS/HS Library site for the 2021-22 school year. We will have a full-time library assistant at the MS/HS Library for 277 students. Our elementary library specialist will be available to provide consultation and assistance as needed for the MS/HS Library. We will evaluate and monitor the number of books that our libraries circulate and compare FY21 to FY22. Thank you for your time and consideration. If you need more information, please contact me.

Respectfully,

A handwritten signature in black ink, appearing to read "Mike Franz", with a stylized flourish at the end.

Mike Franz
Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Being a small rural school in northwest Oklahoma we rely heavily on the oil and gas industry for funding. As you know, the oil and gas industry has had several ups and downs over the past few years. The most recent downside has come with the COVID pandemic. When the COVID pandemic hit and the oil and gas industry crashed, we now have lost thousands in funds. With the cuts from state aid and the loss of funds through the oil and gas industry, Ringwood Schools lost around \$400,000 throughout the 2020-2021 school year. This deregulation helps with absorbing this loss. If denied we will have to hire a full-time librarian with an estimated cost of about \$50,000 depending on years of experience.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Our plan is to hire a retired certified librarian and utilize her part time in both the Elementary and the High School. She would come in two days a week and we would use teachers and teacher aides to man the libraries so that they are open all day and everyday. The librarian, teachers and teacher aides will coding new books, rotating/delivering net sets of books to each K-6 classroom, checking in/out books and on the days the librarian is here she will be giving addition reading remediation to students identified by teachers. This will allow teachers to focus more on closing the educational gap while teaching and not having to spend extra time working with library books. Negatively, our teachers would have to do all the checking in/out, coding, shelving and possibly working their plan times instead of planning and analyzing educational strategies to best help their students.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

I have been at Ringwood Schools for the past 12 years. Each year we have requested and granted deregulation in our library. Our system works and teachers are able to focus on their classroom instead of worrying about having the right books on grade level for students to read. This has majorly helped with teacher burn out and fatigue and building morale. We are a small school with a 34% Hispanic population. Our staff works diligently to provide additional learning opportunities to our students because they don't have to worry about the library. Without the deregulation teachers will have to do it on their spare time which takes away from their best teaching in the classroom. Our student performance levels have maintained as average. However, we are instituting a new data-driven Alpha Plus program this year. There is no impact on other sites since we will be utilizing the same system that we have been using for library.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Certified Librarian is on site Tuesday and Thursday weekly. Tuesday morning 8:00 AM-11:30 AM-Elementary and 12:00-3:15 PM-High School. Thursday's schedule is flipped from Tuesday.

Teacher/Student Aides are in the library Mon.-Wed.-Fri. all day from 8:30-11:30-Elementary and High School is 12:00-3:15 PM.

Librarian and teacher aides code and shelf books. They also utilize Imagine Learning with our EL students on basic literary skill development. They use Edmentum, Literacy First and Small Group RTI to fill in individualized reading instruction. Alpha Plus is for formative and summative assessments.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

This deregulation will be a positive impact to the district by not having to pay a full-time librarian. Any extra funds would be reallocated to closing the educational gap because of the pandemic and language barriers. We will put it into technology, on-line programs and after school teaching staff to best educate our students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

There are many methods of assessment. The most immediate will be with the assessments from the Alpha Plus program where teachers weekly and bi-weekly can look to see what reading skill each student is missing or needs more assistance on. Additionally, School Report Card and RSA will be majorly affected, as well. Teaching staff are evaluated on their teaching skills and techniques district wide through TLE multiple times a year.

** You will be contacted if more information is needed to process this request.

HS Principal: James Worley

September 15, 2021

State Department of Education: Accreditation Division

Ringwood Public Schools is in need of a deregulation of library services for the 2021-2022 school year. We are a small school of about 365 students PK-12. We have been very fortunate to have certified staff in almost every teaching area throughout our school. However, Librarian is a more difficult situation. For the past 12 years, Ringwood Schools has requested and been granted a deregulation in library services. With the shortage of teacher applicants and a loss of Gross Production Revenue, we are in dire need of deregulating our library services. We have a retired teacher that is a certified Library/Media Specialist willing to serve Ringwood Schools on a two times a week part-time salary. With the use of teacher and student aides to help with coding and checking in/out books, we can definitely make this work. I want to thank you in advance for your consideration.

Thanks,

Wade Detrick,
Superintendent, Ringwood Schools

NAME OF WAIVER

A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved? Despite every effort to find a certified library media specialist assistant our district has not been able to. We have staffed our librarian with a certified Librarian, but statutorily require a half time library assistant.

B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied. The district plans to rely on our certified librarian that has served the district for some time now. She has a great understanding of the operation of the library as well as facilitating a love of reading for all students. If this application were to be denied the district would have to receive a deficiency as there are no other options available at this time.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. This approach has been used before at this sites and others in the district and we have not seen a negative impact on student performance levels.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

See Attached.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The financial impact would be approximately \$7,500 or the salary for a half time library aid. These funds will be reallocated to provide library media materials. .

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The assessment of effectiveness will be TLE as well as benchmark tests.

**** You will be contacted if more information is needed to process this request.**

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant is as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved? Despite every effort to find a certified library media specialist assistant our district has not been able to. We have staffed our librarian with a certified Librarian, but statutorily require a half time library assistant.
- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied. The district plans to rely on our certified librarian that has served the district for some time now. She has a great understanding of the operation of the library as well as facilitating a love of reading for all students. If this application were to be denied the district would have to receive a deficiency as there are no other options available at this time.
- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. This approach has been used before at this sites and others in the district and we have not seen a negative impact on student performance levels.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
See Attached.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?
If positive please describe where the available would be reallocated.
The financial impact would be approximately \$7,500 or the salary for a half time library aid. These funds will be reallocated to provide library media materials. .

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
The assessment of effectiveness will be TLE as well as benchmark tests.

**** You will be contacted if more information is needed to process this request.**

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Bethel Public School is requesting a deregulation for Bethel Lower Elementary School and Bethel Upper Elementary School due to teacher shortage and availability of highly qualified teachers.

Staffing for Bethel Lower Elementary School Librarian for fewer than 300 students 210:35-5-71

Staffing for Bethel Upper Elementary School Librarian for fewer than 300 students 210:35-5-71

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

Our strategy is to have a full-time library assistant in the library a full day. The library assistant is a para-professional with several years of knowledge and experience in literacy education, information technology, and youth book selection collections. Accordingly, the service should be very close to last year with no disruption in services or contribution to student growth and development. The library will be open and accessible throughout the school day.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We do not foresee any negative educational impact or decrease in services. Performance levels will be determined by the volume of books being checked out by students. We are not anticipating any decrease in student participation but instead, are expecting an increase in circulation of library materials.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

A timeline for change will begin August 2021 and continue through the end of the school year in May 2024.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

There will be no financial impact on the district due to the library deregulation.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The evaluation process will be monitoring the volume of books being checked out throughout the year, access to library services, and introduction of new materials. If we see major concerns, we will report immediately to the SDE.

** You will be contacted if more information is needed to process this request.

Accreditation Standards Division
2500 North Lincoln Boulevard
Oklahoma City, OK 73105-4599

Office of Accreditation:

Bethel Public School is requesting to deregulate the library that serves Bethel Elementary School for the 2021-2022 through the 2023-2024 school year (OAC 210:35-5-71; OAC 210:35-9-71). The library serves approximately 600 students in grades PK-5 between Bethel Lower Elementary and Bethel Upper Elementary buildings.

We will continue to have two (2) library assistants in the library to provide services for students and teachers. The library will remain open and staffed throughout the school day. Teachers and students will get support they need finding appropriate resources in the library.

Due to teacher shortages and availability of qualified teachers in specific certification areas, we are forced to use our current staff to teach necessary core classes and provide necessary services between the elementary sites. District staff members have been doing an excellent job serving our students and educators effectively despite this deregulation.

Respectfully,

Dr. Matt Posey, Superintendent
Bethel Public Schools

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

We are asking that the following statues be waived: OAC 210:35-5-71, and OAC 210:35-9-71-Library Media Services for Strother Public School sites 105 & 705.

We are a rural school that no longer has an employee certified in Library Media. We do however have personnel that has been running the library trained in the areas of Library Media Specialist when we had a Librarian on staff. The teachers are also trained in the areas of Library Media. We plan to continue using our trained staff to service this area and seek assistance/training form a qualified person as necessary.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We plan on utilizing current staff that has been trained and understands the operations of the Library Media area within the district. The students will continue to utilize the library as normal daily routine requires with no drop in services, because we have the staff that is trained in assisting students in all areas of the library.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes this deregulation has been awarded before. There was no negative educational impact to the district or students. The library media services for our students were carried out by our trained staff.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
Please see attachment for Library Hours.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
If the deregulation is not approved it will have a negative financial impact on the District that is already dealing with a multitude of negative financial impacts. The District cannot afford to hire a qualified Librarian when the money can be better spent in the classroom.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
We will monitor students ability to utilize the library services and utilize student surveys to determine if the use of the library is still be maintained at a high level for student success. We will also closely monitor our testing mechanisms and correlate them with library usage.

** You will be contacted if more information is needed to process this request.

To Whom It May Concern,

Strother Public Schools is requesting a deregulation for library media services for our school district. We are requesting that OAC 210.35-5-71 and OAC 210.35-9-71 be waived for a period of three years. We currently have staff that is adequately trained in the area of Library Media services and feel our students will still be taken care of without a certified librarian on staff. Your consideration in this matter is greatly appreciated.

Yours In Education,

LM Services

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

The LMS also teaches English so she is available 2 of 8 periods. The aid is available 5/8 of a day. To alleviate this, we would have to hire another teacher or another aide at least which is not feasible at this time. Teachers take their students during the hours the library is unmanned.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

If the waiver was denied, the district would have to spend more money on personnel which would allow less funds to be spent for curriculum, supplies, etc. for the students.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

No. The plan we have in place for library services causes no detrimental impact to our students or their families. Students always have a time during the day to check out/in books. We have family engagement nights to make our library services available to our students and their families. We expect no negative impact on performance levels of our students as we feel they have ample access to our library services.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The library is available all day if teachers desire to take their students as a class to the library. It is manned 6/8ths of a school day.

Class Schedule and District Calendar are attached.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The deregulation allows us to man the library without adding additional staff. The deregulation allows us to spend more funds on additional books and computers used in the library for research purposes.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Our LMS is evaluated through TLE yearly as to performance. We will monitor ACT scores and RSA as to any negative impact on our students. We have an excellent intervention program that assists our students with staying on track for RSA in 3rd grade and eventually graduation from high school.

** You will be contacted if more information is needed to process this request.

RE: Library Media Services Deregulation

October 11, 2021

To Whom It May Concern:

Varnum Public Schools is requesting a waiver/deregulation for library media services due to staffing issues. Our LMS also teaches English and is available for 2 of 8 periods. Our Library aid is available ½ day. Thank you for your consideration.

SINCERELY,

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

As in surrounding school districts, Tulsa Public Schools continues to grapple with the impact of staff shortages. In addition to fewer certified teacher candidates, we have difficulty in hiring support staff members particularly those qualified to or interested in serving as library assistants.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Although securing library assistants remains a challenge, all of our students will continue to be served by full-time library media specialists. When possible, classroom teachers will push into the library in order to mitigate the impact of increased teacher-to-student ratios resulting from the absence of library assistants.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes. The waiver allows us to focus on providing instructional support in our classrooms to the benefit of our students and teachers.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Not applicable

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Our sites will be able to use their limited funds for instructional support in the classroom.

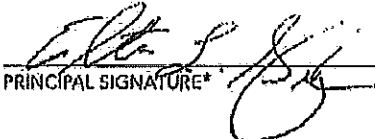

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Within our district, teacher effectiveness is determined by the Teacher Leader Effectiveness system. Over the course of the school year, all certified staff engage in feedback and support in form of observations (formal and informal) and observations. When analyzing student achievement, Tulsa Public Schools uses a variety of formative and summative assessments, including but not limited to MAP scores, ACT/SAT scores, OSTP results and graduation rates.

** You will be contacted if more information is needed to process this request.

Regular Meeting of the Board of Education, Independent School District Number One, Tulsa County, Oklahoma, **August 23, 2021**, at 6:30 PM in the Cheryl Selman Room, ground floor, at the Charles C. Mason Education Service Center, 3027 S. New Haven Avenue, Tulsa, OK.

With the exception of item A-1, the Board of Education reserves the right to take up any agenda item in any order regardless of how items are listed.

This is an open, public meeting held in accordance with the Open Meeting Laws of the State of Oklahoma. The purpose of this meeting is to conduct the business of the School District. As the elected representatives of the School District voters and school patrons, the School Board members will be making decisions concerning the operation of the School District.

In accordance with Board Policy 1301, individuals may comment on business items or recommendations appearing under the Action or Information portions of a regular meeting agenda. The public may make their comments via telephone or in person. Requests to comment must be made by submitting a completed form for each topic. If requesting to comment during the meeting via telephone, please fill out a form online on the Tulsa Public Schools website at <https://www.tulsaschools.org/about/board-of-education/requesttospeakonagendaitem>. If requesting to comment during the meeting in person, please request a form from the Board Clerk in the meeting room before the beginning of each meeting. Requests will be accepted at any time up to the consideration of the Consent Agenda portion of the meeting. Statements are limited to five minutes each.

Persons desiring to address the Board concerning items not on the agenda must submit a written request form, available from the Clerk of the School Board, at least seven days prior to each meeting. Statements to the School Board by members of the public are limited to five minutes each. If the request to comment is approved, the Clerk of the School Board should be told whether the comments will be made during the meeting via telephone or in-person.

A. OPENING EXERCISES

- A.1.** Remind those wishing to address the Board, sign with the clerk -- 5-minute limit.
- A.2.** Call to order and confirm that a quorum of the Board is present.
- A.3.** Flag salute

B. MOTION TO VOTE AND ADOPT THE AGENDA

C. SPECIAL PRESENTATIONS/AWARDS/RESOLUTIONS

D. APPROVAL OF MINUTES

Approve minutes of the August 2, 2021 regular meeting of the board and the August 11, 2021 special meeting of the board.

E. CONSENT AGENDA - Motion and vote on recommendation.

F. ACTION AGENDA – Motion and vote on each recommendation.

G. INFORMATION AGENDA

H. STAFF REPORTS

UPDATE AND DISCUSSION AMONG BOARD MEMBERS, SUPERINTENDENT, AND DISTRICT STAFF REGARDING the Student and Family Guide to Success, including the Behavior Response Plan, for the 2021-2022 school year.

UPDATE AND DISCUSSION AMONG BOARD MEMBERS, SUPERINTENDENT, AND DISTRICT STAFF REGARDING COVID-19 data at the district level for the prior week.

I. BOARD MEMBER REPORTS

J. CITIZENS COMMENTS

K. SUPERINTENDENTS REPORTS/PRESENTATIONS

L. OTHER NONROUTINE ITEMS REQUIRING BOARD ACTION

M. NEW BUSINESS

N. ANNOUNCEMENTS

The next regularly scheduled meeting of the Board of Education will be held on

Tuesday, September 7, 2021 at 6:30 p.m.

O. MOTION AND VOTE TO ADJOURN

E. CONSENT AGENDA - Motion and vote on recommendations

Note: With the exception of encumbrances, student trips and routine staffing items, consent items appeared on the previous regular meeting's agenda as information agenda items unless otherwise indicated.

DEPUTY SUPERINTENDENT

E.1. RECOMMENDATION: Approve routine field trips.

RATIONALE: Board Policy 3314 requires that all out-of-state student field/study trips and travel have prior authorization by the Board of Education.

E.2. RECOMMENDATION: Initiate the co-op agreement with KIPP Tulsa Academy College Preparatory, Inc. for the sport of junior high football at Central Middle School as sanctioned by the Oklahoma Secondary Schools Activities Association for the 2021-2022 school year.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

RATIONALE: This agreement between KIPP Tulsa Academy College Preparatory, Inc. and the district will benefit students at KIPP and Central Middle School, approximately 25-30 students. The two schools will play together as one team. It will benefit Central Middle School students by adding depth to the number of students participating in junior high football. The students from KIPP would not have the opportunity to participate in football without this co-op agreement. It will also ensure that games can still be played when there are students unable to play due to injury.

E.3. RECOMMENDATION: Enter into an agreement with Synapse Education Solutions, LLC, to purchase curriculum for use at Hale High School in their Virtual Reality (VR) lab.

COST: Not to exceed \$54,000.00

FUND NAME/ACCOUNT: Title 1 Account #11-5118-1000-506530-494-000000-000-05-715-5118

REQUISITION/CONTRACT: 12201262

RATIONALE: This will allow the district to teach an entire curriculum on a virtual reality platform purchased through a grant through the state. All material will run on the equipment already purchased and incorporates all state standards. This will help students and teachers engage in the learning process and will also allow the school to utilize the equipment on a regular basis. It will utilize the highest level of Blooms' Taxonomy, ensuring students have the capability to apply and synthesize their learning. Additionally, it will allow students to learn how to use the equipment in a manner that will enable them to teach other students to have a student led virtual reality lab.

TALENT MANAGEMENT

E.4. RECOMMENDATION:
Submit an application for a three-year district-wide waiver to Standard VII, the

governing accreditation standard outlining library requirements for Oklahoma schools, concerning staffing of school library media centers. This waiver will cover the school years from 2021-2022 through 2023-2024.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

RATIONALE:

The waiver allows the district to forgo the requirement of one half-time library assistant at sites with more than 500 students and one full-time library assistant at sites with more than 1000 students.

In addition to fewer certified teacher candidates, we have difficulty in hiring support staff members particularly those qualified to or interested in serving as library assistants. Although securing library assistants remains a challenge, all of our students will continue to be served by full-time library media specialists. When possible, classroom teachers will push into the library in order to mitigate the impact of increased teacher-to-student ratios resulting from the absence of library assistants.

- E.5.** **RECOMMENDATION:** Approve position creates.

RATIONALE: Positions to be effective after Board approval unless otherwise indicated. Funding for each new position will originate and be included in the applicable departmental budgets.

- E.6.** **RECOMMENDATION:** Approve routine staffing items.

RATIONALE: Routine personnel actions implement the various talent management plans and priorities authorized by the Board of Education. All salaries are listed at an effective annualized rate regardless of length of effective date of contract.

FINANCIAL SERVICES

- E.7.** **RECOMMENDATION:** Approve the July 30, 2021 to August 12, 2021, New Encumbrances and Encumbrance Changes Report.*

RATIONALE: New encumbrances and encumbrance changes reflect obligations of district funds issued in accordance with Board Policy 5102, Financial Reports and Statements.*Note the report listed above is a link that will take you to the full encumbrance report.

BOND PROJECTS AND ENERGY MANAGEMENT

- E.8.** **RECOMMENDATION:** Enter into contract with the lowest responsible bidder for Image Builders digital marquis at 61 sites.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST:

Phase 1 \$1,400,000 contingent upon sale and receipt of 2021b bond funds.

Phase 2 \$166,114.18 contingent upon sale and receipt of 2022a bond funds.

FUND NAME/ACCOUNT: Bond fund account: 33-1165-4720-504500-000-000000-XXX-12-XXX-M0002 contingent upon the sale and receipt of the 2021b bond issuance.

RATIONALE: This project is part of the 2021 bond issue. The new marquees will replace the old signs and provide better communication to parents. The new signs will be able to be changed remotely.

E.9. RECOMMENDATION:

Enter into a master contract with the following architects;

Reed Architecture & Interiors LLC

Todd Architecture Group, PC

GH2 Architects LLC

CJC Architects Inc.

KKT Architects Inc.

GS Helms & Associates LLC

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The architects will be paid on a floating fee schedule based upon the size of the project. These projects are contingent upon the sale and receipt of the 2021b bond funds.

RATIONALE: The RPF #for this project is 21045. The hiring of architects is necessary to complete bond projects. Each project will be approved as supplement to the contract as the bonds are sold.

E.10. RECOMMENDATION:

Enter into a master contract with the following engineers;

Allied Engineering Group LLC

CEC Corporation

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The engineers will be paid on a floating fee schedule based upon the size of the project. These projects are contingent upon the sale and receipt of 2021 applicable bond sales.

RATIONALE: The RFP # for this project is 21047. The hiring of engineers is necessary to complete bond projects. Each project will be approved as supplement to the contract as the bonds are sold.

E.11. RECOMMENDATION: Approve the detention easement with the City of Tulsa for Stormwater at Central High School.

FURTHER RECOMMEND: The attorneys for the school district prepare/ approve the appropriate contract documents(s) and the proper officer of the Board of Education be authorized to execute the documents(s) on behalf of the district.

COST: There is no cost to the district.

RATIONALE: The construction of the new stadium required a storm water detention

plan. The easement contains .25 acres. This will prevent building, planting or other obstruction in this area.

- E.12. RECOMMENDATION:** Approve the two storm water drain connections with the City of Tulsa at Springdale Elementary.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: There is cost to the district.

RATIONALE: The new construction project required two easements for storm water line connections. this document was not completed at the time of the new construction due to the city not providing the documents.

F. ACTION AGENDA - Motion and vote on recommendations

OPERATIONS

- F.1. RECOMMENDATION:** Pay Rich and Cartmill of Tulsa, Oklahoma, additional premium for property insurance coverage it provided the district in 2020-2021 identified in the end-of-year reconciliation of the total square footage covered by such insurance.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: Not to exceed \$4,964.40.

FUND NAME/ACCOUNT: Building Fund, 21-0000-2620-505230-000-000000-000-03-025

REQUISITION/CONTRACT: PO#22100369

RATIONALE: At the June 18, 2020, board meeting (E.217), the board approved the purchase of property insurance for district structures, as well as its fiber optic network, open vehicle lots, boiler/mechanical equipment and certain contents. At the end of each fiscal year, a calculation is performed to determine if there was a net gain or decrease in the total square footage covered by such insurance when compared to the date the insurance took effect. Due to new construction in the district in 2020-2021, there was a net gain of square footage that results in \$6,820.04 in additional premium owed under the contract. The increase needed to cover the additional premium is \$4,964.40, for a total premium of \$1,571,907.16.

G. INFORMATION AGENDA

TEACHING AND LEARNING

- G.1. RECOMMENDATION:**
Enter into a Memorandum of Understanding (MOU) with Tulsa Downtown Lions Club to perform SPOT vision screening for TPS students during the 2021-2022 school year.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

RATIONALE: All students in kindergarten, 1st grade and 3rd grade are required to have a vision screening. Screenings can be requested for students in all other grades. With the consent of the parent/legal guardian, trained volunteers will perform the screenings using the Welch Allyn Spot vision screener. A faculty/staff member will be present during each screening. The site will distribute all individual screening results and referral information to parents/guardians.

- G.2.** RECOMMENDATION: Renew a parking lot lease agreement with The Bama Companies, Inc. to lease its Delaware Street parking lot as available for use through June 30, 2022.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: Not to exceed \$10

FUND NAME/ACCOUNT: 11-0000-2212-508100-000-000000-000-06-070

REQUISITION/CONTRACT: 12202380

RATIONALE: Wilson Teaching Learning Academy hosts professional learning events that often exceeds our current parking capacities. Leasing The Bama Companies' parking lot will allow sufficient additional parking spaces needed for our Tulsa Public Schools patrons attending events.

- G.3.** RECOMMENDATION: Enter into an agreement with FEV Tutor to provide high-dosage tutoring to identified students who are below grade level in reading and/or math. FEV will provide live 1:1 virtual tutoring that is personalized to a student's needs, for a total of 800,000 hours. FEV and TPS Data Analytics Team will work together to analyze CEI and AY20-21 NWEA MAP Growth Data to identify priority campuses based on neighborhood domain factors and academic performance indicators.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: Not to exceed \$2,000,000

FUND NAME/ACCOUNT: 11-7930-1000-503200-000-000000-000-05-093-7930

RATIONALE:

This program provides students in grades 3-12 with access to high-quality tutoring, customized to each student's needs. Priority for tutoring will be given to approximately 25-30 school sites, with a focus on interventions for middle school and junior high students. Exact tutoring hour allocations for each site will be based on relative academic need. Through weekly progress reporting, ongoing data-share and analysis, every tutoring session will be planned with intention, enabling tutors to act as an extension of the core learning environment. Multiple growth measures will be analyzed to track tangible achievement gains and evaluate program effectiveness including NWEA MAP, ACT, and OK State Test Measures. The highly-targeted tutoring model will be designed in line with the OK State and Tulsa Way District Standards, Universal Intervention Blocks, Edmentum and the district's data-driven approach to evaluating learning outcomes. FEV tutors use a research-based design and ongoing growth analytics to dynamically manage the program and maximize impact.

- G.4.** RECOMMENDATION: Purchase professional development hours from Discovery Education Inc. for secondary mathematics teachers and instructional leaders during the 2021-2022 school year in accordance with the terms and conditions of the request for proposal.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: Not to exceed \$15,000

FUND NAME/ACCOUNT:

11-5520-2213-503200-496-000000-000-05-070-5520-

REQUISITION/CONTRACT: 12201918

RATIONALE: During the 2020-2021 school year, Tulsa Public Schools' math selection committee selected a new primary instructional resource for core high school mathematics courses using Discovery Education's Math Techbook. This digital resource requires our educators to have familiarity in navigating the online components and providing students with the right supports to excel in the digital learning environment. These professional development hours would provide ongoing development of teachers ability to transition to and utilize the resource effectively.

TALENT MANAGEMENT

- G.5.** RECOMMENDATION: Approve position creates and deletes.

RATIONALE: Positions to be effective after Board approval unless otherwise indicated. Funding for each new position will originate and be included in the applicable departmental budgets.

BOND PROJECTS AND ENERGY MANAGEMENT

- G.6.** RECOMMENDATION: Approve the combined parcel of land with the City of Tulsa at East Central High School. The district purchased the adjacent land on the east side of the site. The combined parcel will allow the utilities to serve the current new field house.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: There is no cost to the district.

RATIONALE: This project is part of the 2015 bond issue. The new field house will serve all students in the East Central feeder pattern.

- G.7.** RECOMMENDATION: Approve Supplement #1 & #2 with Greg Helms & Associates LLC to the master agreement for architectural services for Washington and Webster High Schools.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The architects will be paid on a floating fee schedule based upon the size of the project. The Project at Washington High School is \$1,100,000, Webster

\$4,574,000. These projects are contingent upon sale and receipt of the 2021b bond funds.

RATIONALE: Hiring architects is critical to the completion of the facility improvements that were approved by the voters in the 2021 bond issue.

- G.8.** RECOMMENDATION: Approve supplement #1 with Reed Architect and Interiors, LLC to the master agreement for architectural services for the East Central High School.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The architects will be paid on a floating fee schedule based upon the size of the project. The construction budget including fees at East Central High School is approximately \$3,000,000. The cost of this project is contingent upon the sale and receipt of 2021B bond funds.

RATIONALE: Hiring architects is critical to the completion of the facility improvements that were approved by the voters in the 2021 bond issue.

- G.9.** RECOMMENDATION: Approve Supplement #1 & #2 with KKT Architects, Inc. to the master agreement for architectural services for the Edison and Memorial kitchen Improvements.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The architects will be paid on a floating fee schedule based upon the size of the project. The construction budget including fees at Edison and Memorial is \$2,500,000 each. The cost of this project is contingent upon the sale and receipt of 2021B bond funds.

RATIONALE: Hiring architects is critical to the completion of the facility improvements that were approved by the voters in the 2021 bond issue.

- G.10.** RECOMMENDATION: Approve supplement #1 & 2 with Allied Engineering Group, LLC to the master agreement for engineering services for Phase 1 roofing at various sites, Skelly Primary and Skelly Upper interior renovation.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The engineers will be paid on a floating fee schedule based upon the size of the project. The construction budget including fee's for Phase 1 roofing at various sites is \$3,115,000 Skelly Primary is \$2,250,000 and Skelly Upper is \$6,822,540. The cost of this project is contingent upon the sale and receipt of 2021B bond funds.

RATIONALE: Hiring engineer's is critical to the completion of the facility improvements that were approved by the voters in the 2021 bond issue.

- G.11.** RECOMMENDATION: Approve supplement #1 & 2 with CEC Corporation to the master agreement for engineering services for Hawthorne Elementary and STEM classroom improvements at multiple sites.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The engineers will be paid on a floating fee schedule based upon the size of the project. The construction budget including fee's for Hawthorne Elementary is \$3,469,860. STEM classrooms Phase 1 is \$1,000,000. The cost of this project is contingent upon the sale and receipt of 2021B bond funds.

RATIONALE: Hiring engineers is critical to the completion of the facility improvements that were approved by the voters in the 2021 bond issue.

- G.12. RECOMMENDATION:** Enter into contract with the lowest responsible bidder for roofing at various sites to include Council Oak, Disney, Lanier and MacArthur Elementary.

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The cost of this project is contingent upon the sale and receipt of 2021B bond funds.

RATIONALE: The roof restorations were included as part of the 2021 bond issue. Keeping the buildings maintained by replacing the roofs are critical to ensure a great learning environment in every classroom.

- G.13. RECOMMENDATION:** Approve change orders increasing the contract sum and the scope of work for the following trades contracts for Phase II of the East Central field house project.

Scope of Work	Vendor	Amount
Building & Site Concrete	Oakridge	137,562.00
Masonry	DMG	31,964.00
Structural Steel	Green Country	104,959.00
Roofing	Atwell Roofing	5,543.00
Metal Panels	Sooner Recon	14,950.00
Hollow Metal Doors & Hardware	BSI	24,755.00
Glass & Glazing	Coulter	8,800.00
Drywall & Framing	GCI	127,740.00
Toilet Accessories	Jones Commercial	10,667.00
Lockers	Elite	21,165.00
Gym Seating	Performance Surface	17,462.00
Fire Suppression	All American	4,124.00
Plumbing	Midwest Mechanical	76,634.00
HVAC	Sligar	76,799.00
Electrical	Alliance	338,799.00
Earthwork	DT Specialized	48,146.00
	Total:	1,050,069.00

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The cost for these change orders are part of the Amendment #2C with Flintco.

RATIONALE: This project is part of the YMCA collaboration at East Central High School that was previously approved by the board on October 13, 2020 item E7. These changes to the contract will fulfill the district obligation of completing the building. The YMCA will be responsible for all equipment, furniture and staffing. All East Central students will have access to this facility.

G.14. RECOMMENDATION:

Approve amendment 2C to the Construction Management Contract with Flintco LLC , establishing a new guaranteed maximum price for Phase II of the East Central field house project.

Trades	1,050,069.00
Reimbursables	12,701.00
Allowances	35,443.00
General Conditions	59,021.00
Management Fees	45,273.00
Total GMP	1,202,507.00

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST: The cost of this amendment 2C is \$1,202,507. This is contingent upon the sale and receipt of 2021B bond funds.

RATIONALE: This project is part of the YMCA collaboration at East Central High School that was previously approved by the board on October 13, 2020 item E7. These changes to the contract will fulfill the district obligation of completing the building. The YMCA will be responsible for all equipment, furniture and staffing. All East Central students will have access to this facility.

G.15. RECOMMENDATION:

Amend item E.7. of the July 19, 2021 agenda to read as follows: Enter into contract with the lowest responsible bidders as listed below for HVAC improvements at McLain, Monroe West, and Carver Middle School.

Site	Contractor	Cost
McLain HS	American Air Conditioning	\$1,190,000.00
Carver MS	American Air Conditioning	\$ 710,000.00
Monroe MS	Vision Air Services LLC	\$ 539,947.00

American Air Conditioning was the lowest responsible bidder on calendar days to completion. The project must be completed during the fall and Thanksgiving break. Having the project completed when school is not in session is critical to the function of

the school
FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

COST:

McLain: \$1,190,000

Carver: \$710,000

Monroe: \$539,947

FUND NAME/ACCOUNT:

McLain: 11-7950-4720-504500-000-000000-064-35-720-7950

Carver: 11-7950-4720-504500-000-000000-058-35-515-7950

Monroe: 11-7950-4720-504500-000-000000-067-35-563-7950

REQUISITION/CONTRACT:

McLain: 42200043

Carver: 42200044

Monroe: 42200045

RATIONALE: The new HVAC units will replace antiquated units at McLain, Carver and Monroe MS. In light on the Covid 19 pandemic, the health, safety and welfare of the district students and staff are more important than ever. Improving the air quality in classrooms by increasing the flow of outside air throughout the building is paramount. Replacing older, poor performing HVAC units is critical to maintaining better learning environments.

G.16. RECOMMENDATION:

Amend item E.14 of the August 2, 2021 agenda to read as follows: Enter into contract with the lowest responsible bidder for the following trades for the Phase II, for the interior renovations at the Academy Central building for the benefit of instructional services provided by Greenwood Leadership Academy.

Toilet Partitions	37,810.00	Jones Commercial Hardware, Inc.
Marker & Tack Boards	38,500.00	Jones Commercial Hardware, Inc.
Sitework	31,000.00	Contech, LLC
Concrete	41,500.00	Contech, LLC

FURTHER RECOMMEND: The attorneys for the school district prepare/approve the appropriate contract document(s) and the proper officers of the Board of Education be authorized to execute the document(s) on behalf of the district.

RATIONALE: This project is part of the 2015 bond issue to benefit the instructional services provided by Greenwood Leadership Academy.

This work will focus on building strong relationships among partnering school staff and community members, collaborators, children, and families.

TULSA PUBLIC SCHOOLS

EQUITY CHARACTER EXCELLENCE TEAM JOY

To: Oklahoma State Department of Education, Accreditation Division

From: Deborah A. Gist
Tulsa Public Schools

Date: September 28, 2021

RE: Library Statutory Waiver/Deregulation Application

Tulsa Public Schools is seeking a three-year deregulation to Standard VII concerning staffing of school library media centers: OAC 210:35-5-71, OAC 210:35-7-61, and OAC 210:35-9-71.

As in surrounding school districts, Tulsa Public Schools continues to grapple with the impact of staff shortages. In addition to fewer certified teacher candidates, we have difficulty in hiring support staff members particularly those qualified to or interested in serving as library assistants. Although securing library assistants remains a challenge, all our students continue to be served by full-time library media specialists. When possible, classroom teachers will push into the library in order to mitigate the impact of increased teacher-to-student ratios results from the absence of library assistants.

Therefore we respectfully seek a three-year deregulation. We appreciate your continued support and will be happy to discuss the request in detail.

Sincerely,

Deborah A. Gist
Superintendent
