- A. Reason for the Waiver request. Please include where you intend to allocate the funds that were designated for textbooks and, what alternative means will have to be employed if your waiver was to be denied.

Olive Public School intends to use the funds designated for textbooks to purchase Alpha Plus materials that align with state standards for grades K-8. If the waiver is denied we will not be able to purchase the materials.

- B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students; please include textbooks and instructional materials used by the district for the subject areas being considered in the current textbook adoption cycle are current and appropriate for student learning.

Using Alpha Plus in our 2nd through 8th grade classrooms will improve our students familiarity with test formats leading to an increase in confidence when taking the OSTP exams.

- C. Have you been awarded this waiver before and what was the educational impact to the district: Results of the Statutory Waiver, i.e., effect on student performance levels, impact of plan on other sites in the district.

Olive Public School has never applied for this waiver before.

- D. Please describe any financial impact to the District (positive or negative) for the proposed waiver/deregulation?

Olive Public School will be able to use designated textbook money for the purchase of materials we have used with great success over the last two school years instead of pulling money from the general fund in order to get our students what they need to be successful.

- E. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, graduation rates, etc.

Olive Public School uses TLE for teacher evaluations, ACT scores for college readiness, and OSTP indicators.

- F. Please include with your application the signed minutes from your local board approving this waiver.

**** You will be contacted if more information is needed to process this request.**
