RE: Deregulations Application - Cornelsen Elementary School 2025-2026  
OAC 210:35-5-71

To Whom It May Concern:

Our request is to waive/dereg the 1/2 time library media specialist with full time aide for our size school.

Our desire is to contract with a certified librarian for less than 1/2 time to continue to provide the same level of facilitation and promotion of the library as always. We will hire a 1/2 time librarian assistant to assist with the inventory, ordering, stocking and helping students with our new reading program. We also will continue to provide a full-time library aide.

Your consideration is appreciated. Please advise if further information is required.

Sincerely,

Craig Church  
Superintendent of Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

There is a real shortage of competent and certified library media specialist in our area. We plan to hire a 1/2 time support person to manage, oversee and promote library services to include continuation of our new reading program and research opportunities of our library.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We plan to provide the same service and opportunities for our students. We are just going to do it cheaper. We will still have a full-time aide in the library. We are also hiring 1/2 time support person to do some of the organizing and paperwork.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Even though this is not our first year to be awarded, our goal will continue to be to increase student performance through the promotion and utilization of the library. Our Elementary site actually implemented a new reading program to help increase student performance.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Library media services will be available throughout the school day utilizing various staff members. This allows us to monitor student involvement and gives us reliable data for evaluation.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Yes, there is a significant savings and in this case can be effective and more cost efficient thus allowing us to hire another 1/2 teacher or aide thus reducing class size.

	Proposed Next Year
\$22,000 1/2 time librarian (usual cost)	\$ 5,000 1/2 time librarian assistant
<u>\$12,000</u> full time aide	<u>\$12,000</u> full time aide
\$34,000	\$17,000

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

RE: Deregulations Application - Fairview High School 2025-2026  
OAC 210:35-9-71

To Whom It May Concern:

Please find attached the completed application requesting consideration for a waiver of the requirement to have a minimum of a half time library media specialist at Fairview High School. We have realized a substantial increase in utilization and opportunities provided during the past year.

Your consideration is appreciated. Please advise if further information is required.

Sincerely,

Craig Church  
Superintendent of Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Due to our location, we have had difficulty in the past in finding a half-time certified media specialist. As a result, we have utilized a very competent person with vast experience with technology and on-line opportunities for research and class options. These are in addition to our traditional library media services.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We have invested in and plan to continue investing in the digital technology options with computers, tablets and on-line curriculum to supplement classroom activities. We have increased the number of students on on-line instruction and digital research. We have implemented one-to-one technology with our senior, junior, sophomore and freshman classes.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We have experienced an increase in utilization of media services and on-line media utilization during the past school year. We anticipate that utilization will continue to increase as student awareness has an additional effect.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Library media services will be available throughout the school day utilizing various staff members. This allows us to monitor student involvement and gives us reliable data for evaluation.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

We have been able to increase our investment in technology, on-line options and multiple media services and spend less in salaries. We feel it has been and will continue to be more beneficial for students and a better use of funds.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Monitoring and data collection will continue as we hopefully proceed with this alternative plan. Year end reports will be provided.
