District Total

RECEIVED MAY 28 2025

DATE RECEIVED

70 O.S. 1210, 568

OAC

COOP Agreement
NAME OF WAIVER

June 3m

- A. Reason for the Waiver request. Please include distance from your alternative education site to the closest possible district to co-op with, what alternative means will have to be employed if your waiver was to be denied, and what percentage of your student population will benefit from the waiver if approved.

As of right now , we do not have student in the alternative education program. Many of our students simply need credit recovery options, Gracemont uses Edmentum for credit recovery. We are exploring options for next year . If denied and are not able to coop, we would need to employ another educator, which would add another teacher salary for our small school for only a little over four hours.

- B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students, graduation rate if a waiver has been awarded prior to this year, and learning achievement. In the past, we have had any sort of wavier and do not plan to in the future. We are looking at COOP options for our Alt Ed programs for future years, due to only having a few students. We do want to be prepared in case of students that are in need of the program. We are always looking to increase student acheivement in our district and we are fortunate enough to know our students well enough to be be able to support where needed.

- C. Have you participated in an alternative education co-op previously? Have you been awarded this waiver before and what was the educational impact to the district: Results of the Statutory Waiver, i.e., effect on student performance levels, impact of plan on other sites in the district. We have not participated in Alt Education coop within the last years. So, I am not aware of any impact that this waiver has had on student achievement . I do , hoever , feel like this waiver would give the ability to help the small amount of students in a stronger way.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Our Alternative Education program follows the same class schedule as all high school students. We offer the program all eight hours of the school for student flexibility.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?
If positive please describe where the available would be reallocated.

As of now, there is no financial impact on the district. However, if denied the impact would either include cost of CO-OP options or hiring of another salaried teachers.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, i.e., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The method of assessment used to evaluate our program includes: ACT scores, the Edmentum program (assessments and graduation rates).

** You will be contacted if more information is needed to process this request.
