

# Summer Graduation Graduates

This guidance document is provided as a supplementary tool to assist you with addressing students who completed graduation requirements after the data rollup and before the new school year begins. Any records you are unable to address in this window you will have the opportunity to address during the main Enrollment Graduation review window in the Fall. The Enrollment Graduations tab can be accessed by signing into your Single Sign-On account and choosing *Accountability Reporting*. If you are a **district user**, you will need to select a specific school.

From Accountability Reporting, click on **Student Data** and then click the tab **Enrollment Graduation**.

In the “Graduated” column filter for “N” then in the “Last Enrollment” column filter for the most current school year. Those students that have a +DVR button in the create DVR column are eligible to have a summer graduate DVR submitted.

After submitting an appeal for a student, an orange gavel icon will appear in the DVR column next to their STN. Repeat the steps for each student eligible for a summer graduation appeal. Click on a student’s STN (State Testing Number) to access additional student-level data including enrollment history, attendance history, demographics, assessments history, and coursework.
