Additional Subject Code Guidance

High School Credit: Middle School courses taken for High School Credit must be taught by a teacher certified to teach the course and the course must be taught at the same rigor as the high school course. The course must be coded to the High School Subject Code. See the “9th – 12th Subject Code” list for the proper course codes. *Please note that mathematics courses taken in middle school do not count toward the three mathematics credits between grades nine and twelve graduation.*
