

Alternate Diploma

Codes, Titles, & Descriptions

Alternate Diploma Subject Codes and Course Titles are to be used for students who follow the Alternate Diploma Pathway to meet graduation requirements, along with approved substitutions, as needed.

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6010	Alternate Diploma	English 1 Alternate	This course provides students with opportunities to find the answers in a text, identify the main idea of a paragraph or a short story, recall details that support the main idea, and be able to organize the sequence in which the main events occurred.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., <i>Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury</i> ; however, categories that do not include significant cognitive and adaptive behavior delays such as <i>Specific Learning Disability and Speech Language Impairment</i> are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6015	Alternate Diploma	English 2 Alternate	This course provides students with the opportunity to interpret what he/she reads to find answers, make connections between individuals, ideas, or events in a text, predict endings, anticipate consequences, state reasons for events, and make generalizations.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., <i>Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury</i> ; however, categories that do not include significant cognitive and adaptive behavior delays such as <i>Specific Learning Disability and Speech Language Impairment</i> are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6020	Alternate Diploma	English 3 Alternate	This course provides the opportunity for students to be able to analyze a text to determine meaning, site textual evidence to support understanding, compare and contrast two different texts on the same topic, determine how words or phrases in a text, including words with multiple meanings, impacts the meaning of the text.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6025	Alternate Diploma	English 4 Alternate	This course provides the opportunity for students to make links between the text, and ask open-ended questions to promote a deeper understanding, have the opportunity to make generalizations, make comparisons, judgments, recommendations, and suggestions, make decisions and create alternative endings.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6110	Alternate Diploma	Math 1 Alternate	In this course, students will learn how to add, subtract, and multiply whole numbers, solve real-world problems, perform operations with whole numbers, and create equations to solve real-world problems.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., <i>Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury</i> ; however, categories that do not include significant cognitive and adaptive behavior delays such as <i>Specific Learning Disability and Speech Language Impairment</i> are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6115	Alternate Diploma	Math 2 Alternate	In this course, students will learn how to interpret a point on a graph, use functions to solve problems, construct a graph with data, and sort events that are independent or dependent.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., <i>Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury</i> ; however, categories that do not include significant cognitive and adaptive behavior delays such as <i>Specific Learning Disability and Speech Language Impairment</i> are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6120	Alternate Diploma	Math 3 Alternate	In this course, students will identify rotation, reflection, or translation, identify congruence, find perimeter, area, and volume, and identify two- and three-dimensional objects.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6125	Alternate Diploma	Math 4 Alternate	In this course, students learn math skills they can use with money in everyday life. They practice counting coins and bills, making choices about spending and saving, and using a bank. Students also learn about ways to earn money, paying for things, planning for bigger purchases, and reading simple charts about money. Lessons use hands-on activities and real-life examples to applying math concepts in ways that support career readiness and independent living. For example, understanding earnings (e.g., income gross amount vs. net pay, tax deductions, etc.) and creating a budget using statements from credit/debit cards to analyze spending expenses based on income.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6215	Alternate Diploma	Life Science Alternate	In this course, students will learn how organs work and provide specific functions in the body, identify how cells multiply, identify changes in animal populations, and traits of certain species.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6220	Alternate Diploma	Physical Science Alternate	In this course, students will observe a chemical reaction, identify safety devices that could slow down a collision, and predict the temperatures of liquids before and after an energy distribution.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6225	Alternate Diploma	Earth Science Alternate	In this course, students will use models of the Earth and Sun to show the tilt and orbit, identify reasons to conserve, recycle, or reuse resources, and determine the effects of conserving natural resources.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6310	Alternate Diploma	Social Studies 1 Alternate	In this course, students will understand how to use maps, geographic tools, and technology to identify locations, identify physical and cultural characteristics of places, identify how the Earth's internal and external changes impact humans, identify agricultural and commercial use of land, and identify how land use impacts the physical environment.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6315	Alternate Diploma	Social Studies 2 Alternate	In this course, the student will identify cultural similarities and differences between the existing sovereign tribal nations in Oklahoma, the impact of the Civil War on the American Indians, identify the branches of government and their functions, for Oklahoma's state government, identify the statehood of Oklahoma and the contributions of Oklahoma's military personnel (Buffalo soldiers, code talkers, 45th Infantry), and Oklahoma's basic economic activities creating prosperity. In this course, the student will identify the constitutional principles of representative government, limited government, consent of the governed, rule of law, and individual rights, the rights protected by the Constitution of the United States, the structure and functions of the legislative, executive and the judicial branches of government, and the responsibilities of citizens at the local, state, and federal levels.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.

Alternate Diploma

Codes, Titles, & Descriptions

New Subject Code	Degree	Course Title	Course Descriptions	Required Teaching Certification
6320	Alternate Diploma	Social Studies Alternate 3	In this course, the student will use evidence to understand the causes of post-Reconstruction civil rights struggles, the reasons for and impact of immigration and westward expansion, and the impact of industrialization as part of U.S. History. The student will use evidence to understand the causes of the emergence of the United States as a world power and its impact on international relations, including the shift from isolationism to involvement in World War I and II, including the Cold War. The student will use evidence to understand the causes and effects of the boom-and-bust cycles of the 1920s and 1930s as well as the ways key technological advances and social change impacted American life.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
6410	Alternate Diploma	Career Readiness Alternate 1	In this course, students will discover, "Who am I?" Students will have opportunities for career development by identifying their strengths, preferences, interests, needs, aptitudes, and skills through various activities and assessments. Students will participate in activities to learn self-advocacy, career awareness, career clusters, and exploration that match their interests, aptitudes, skills, and strengths.	Mild/Moderate; OR Severe/Profound; OR Special Education Comprehensive. NOTE: May allow an older Category Specific Certification that is no longer being issued (e.g., Mentally Handicapped, Multiple Disabilities, Autism, Traumatic Brain Injury; however, categories that do not include significant cognitive and adaptive behavior delays such as Specific Learning Disability and Speech Language Impairment are not acceptable as TOR of IEP) AND Early Childhood OR Elementary Education Certification is also required to place grades on a transcript.
