Dear Ms. Kimbrough:

It is the intention of Emmanuel Christian School to participate in the Lindsey Nicole Henry Scholarship program. The Oklahoma Private School Accreditation Commission recognizes our accreditation through the Association of Christian Schools International (ACSI) for kindergarten through fifth grades.

Emmanuel Christian School offers students:

Small class sizes

Individualized/modified work as needed

Discovery Program through NILD Educational Therapy (LD lab)

4th and 5th advanced math program

Curriculum consistent with K-5 schools

We intend to contract with a PT/OT therapist as needed in the future.
There is also the possibility to contract with a speech/language therapist.

Thank you for your consideration of Emmanuel Christian School joining this program.

Respectfully,
