Dear Members of the State Board of Education,

Please accept this letter as our official application to obtain approved private school status for the Lindsey Nicole Henry Scholarship.

Oklahoma Christian School was founded in 1975 and serves approximately 900 students in pre-kindergarten through twelfth grade. We are fully accredited by the Association of Christian Schools International. As a member of the Oklahoma Private Schools Accrediting Commission, our accrediting agency receives full recognition from the State Department of Education of Oklahoma.

Services that we provide for children who need special services include but are not limited to:

- Testing accommodations such as extra time and separate location (Support Lab).
- Students may leave class for individualized assistance.
- Physical arrangement of classrooms modified to meet individual needs.
- Lesson presentation accommodations utilized to provide specialized instruction.
- Use of calculators and recording devices to help facilitate progress.

Lindy Lugo OCS employs an ACSI certified Special Education Specialist who holds a teaching certificate from the Oklahoma State Department of Education in the areas of Learning Disability, Mentally Handicapped, Autism, and Traumatic Brain Injury (N-12) to accommodate special needs.

Thank you for your consideration.

Sincerely,
