Dear Misty Kimbrough,

I would like to inform you that Trinity School is accredited through ICAA, an accreditation accepted for the Lindsey Nicole Henry Scholarships for students with disabilities. We teach grades kindergarten through 12. The special education services we provide are speech, occupational therapy, small class size with low teacher to student ratio, Alphabetic Phonics, Structured Language Basics, and multi sensory curricula and techniques.

Trinity School is requesting to be added to the approved list of private schools for the Lindsey Nicole Scholarship effective immediately. We have a long history of serving children that have struggled to learn in other environments.

Please contact me if you have further questions. I would also appreciate information on when I can expect to see Trinity added to the list and any further steps required. I am attaching a copy of our certificate to expedite this process. Thank you for your help and support. I look forward to our relationship in helping bright students who need the extra support in their academic environments.

Thank you,

Jennifer Vaught M.Ed
