Oklahoma City, OK 73105-4599

Dear Ms Kimbrough:

Victory Christian School is very much interested in making application for the Lindsay Nicole Henry Scholarships for Students with Disabilities Act.

Victory Christian School holds separate accreditation with the OSDE as well as Advanced Ed and ICAA. The school was established in 1979 and provides educational programs for students in K-12th grade. Our enrollment is around 1150 students.

Although, Victory is located in the Jenks school district, we serve students from several school districts in the greater Tulsa Metropolitan Area. Among these students are those with an IEP. It is our goal to meet as many recommendations and placement needs presented on the IEP as possible. One of our programs is called Regeneration and is designed to provide resource and instructional assistance to students identified with mild to moderate learning disabilities, ADHD, and ADD. In addition to these services we provide a diagnostic, prescriptive computer-based remedial reading and math lab for students on IEPs in grades 2-8.

Please consider our request and let us know what steps we need to take to participate in this program.

Sincerely,

Dr. Dennis Demuth
Superintendent &
School Psychologist
