RE: Oklahoma House Bill 3393

Ms. Kimbrough,

Thank you for the information regarding HB 3393. Wesleyan Christian School would like to participate in this scholarship program.

Wesleyan Christian School is state accredited through the Oklahoma Private School Accreditation Commission. We also maintain accreditation through the Association of Christian Schools International and the North Central Association Commission on Accreditation and School Improvement.

Our campus serves students Pre-K through 12th Grade.

We believe we can serve the needs of students who have special learning needs through our smaller class sizes and individualized instruction. We are also able to make accommodations in each class. Should a family choose to do so, they could also participate in our "Discovery" program which is administered by a therapist who is certified with the National Institute of Learning Disabilities.

Thank you for your consideration. Should you need more information you may contact me at (918) 333 8631.

Sincerely,

A handwritten signature in black ink, appearing to read "Pastor Mark W. Listen".

RE: Lindsey Nicole Henry Scholarship

Dear Sir and/or Madam,

Wesleyan Christian School would like to participate in the Lindsey Nicole Henry Scholarship program.

Wesleyan Christian School is in its 40th year of operation and is state accredited through the Oklahoma Private School Accreditation Commission. We also maintain accreditation through the Association of Christian School International and the North Central Association Commission on Accreditation and School Improvement.

Our campus serves students Pre-K through 12th grade.

As you will see by the accompanying documentation, we are fiscally sound, comply with the antidiscrimination provisions as set forth in 42 U.S.C., Section 2000d, meet all state and local health and safety laws and codes, are academically accountable to our parents, adhere to the disciplinary procedures as listed in our Student Handbook, and employ teachers who are very qualified for their position.

We believe we can serve the needs of students who have special learning needs through our smaller class sizes and individual instruction. We are also able to make accommodations in each class. Should a family choose to do so, they could also participate in our Discovery Program which is administered by a therapist who is certified with the National Institute of Learning Development.

Thank you for your consideration. Should you need more information you may contact me at (918) 333-8631.

Sincerely,

A handwritten signature in cursive script that reads "Rocky Clark".

Rocky Clark, Superintendent
