Dear Members of the State Board of Education,

Oklahoma Christian School, founded in 1970, serves approximately 1,200 students from pre-kindergarten through twelfth grade. We are fully accredited by the Association of Christian Schools International.

All applicants must meet Oklahoma Christian School's established admissions requirements to be considered for acceptance. Each application is reviewed individually. Admission decisions are made following a comprehensive review of all relevant records, including, but not limited to, a student's Individualized Education Program (IEP), psychoeducational or academic evaluations, prior school records, and any additional supporting documentation provided during the admissions process.

Oklahoma Christian School evaluates each applicant to determine whether the student's educational needs can be appropriately supported within the school's existing programs, staffing model, and educational framework. All admissions and enrollment decisions are made in accordance with the school's policies and procedures.

If additional information is required, please contact our office.

Sincerely,

Dr. Al King
Headmaster
Oklahoma Christian School
