

Advanced Placement Annual Report

2025

OKLAHOMA
Education

Advanced Placement Score Overview

- AP exams are scored on a scale from 1-5.
- AP scores are correlated to letter grades in the corresponding introductory college course.
- The College Board and the American Council on Education (ACE) recommend granting credit/placement for scores of 3 and higher, which correlate to letter grades of C or better.
- Most colleges recognize transfer credit with scores of 3 or better.

Reporting Requirements

The State Department of Education shall report the following annually ([70 O.S. §1210.701](#)):

- The number of students taking an Advanced Placement exam and the number of exams taken;
- The number of exams that receive a score of three or better;
- The number of school sites offering Advanced Placement courses and the number of school sites with students taking an Advanced Placement exam;
- The number of school sites which have received funding and the amount of awards, by type of award;
- The number of students who receive assistance with the test fee and the average amount of assistance; and
- An evaluation of the cost versus the benefits of this program.
