FY23 Joint Federal Claims Procedures

The purpose of this document is to provide Local Education Agencies (LEAs) with comprehensive claims procedures to assist them in preparing claims for submission to the Oklahoma State Department of Education (OSDE)

The items contained in these procedures are considered best practices and if followed, will reduce the likelihood of errors and increase the efficiency in which claims are paid. The items are consistent amongst all programs unless specifically noted. These items have been reviewed and agreed to by the Office of Federal Programs, the Office of Special Education, the Office of Family & Community Engagement, and the Office of School Support & Improvement.

LEAs choosing not to follow these procedures run the risk of claims being significantly delayed or denied. OSDE reserves the right to request additional documentation to verify any expenditure submitted for reimbursement.

Technical Assistance

- Each office provides program specific claims training annually.
- Each office provides additional technical assistance via phone and email throughout the grant cycle.
- Each office can provide onsite technical assistance upon request. Please contact the specific program office for more information.
-

General Claims Information

- Expenditures must be reasonable, necessary, and allocable.
- Expenditures (except indirect cost/administrative costs and fund transfers) will be allowed to exceed the approved budgeted function-object category by 25%, provided the sum of all expenditures does not exceed the total budget. The 25% was approved by the State Board of Education on June 26, 2014.
- All expenditures are subject to the program specific requirements of the Federal funds.
- Itemized invoices are required.
- Claims and supporting documentation are only accepted through the Grants Management System (GMS) on Single Sign-On.
- Copies of purchase orders are not required unless used as a contract.
- Images of checks are strongly discouraged.
- Zero dollar claims are not required.
- Claims should account for all twelve months starting with July.
- Claims begin on the first day of the month and end on the last day of the month.
- Date range entered in GMS must match the date range on the uploaded Summary and Detailed Expenditure Reports.
- Claims must be signed by the local board of education approved authorized official who is legally authorized to bind the local education agency.
- At least one claim should be filed by November for each federal program.

FY23 Joint Federal Claims Procedures

- LEAS that have not filed a claim by November will be contacted. **This does not apply to Special Education.**

Claim Deadlines

- There will be no budget revisions made to the Fiscal Year applications after June 30th .
- Expenditures that are claimed but are not reflected in the budget application after this date, must be removed from the claim and will not be reimbursed.
- June 1st is the last day for LEAS to file a payable claim with OSDE, to guarantee LEA receives payment by June 30th.
- August 1st is the last day for LEAS to file a payable claim with OSDE for the Fiscal Year.
- The Oklahoma Administrative Code does not contemplate or allow for late claim submissions.
- Payment of late claims submitted after August 1st is subject to the approval of the State Board of Education.
- Final Fiscal Year closeout procedures must be completed by September 1st.

Note: Deadlines that fall on a weekend or national holiday will be moved to the next business day.

Carryover

Subgrants of federal funds to LEAs are available for obligation for two state fiscal years (27 months). Allocations to LEAs for the first fiscal year (12 months) must be obligated as current year funds. Any balance of the first year funds unobligated by June 30th will remain available as first year carryover for a second fiscal year (12 months). Any balance of the first year carryover funds unobligated by June 30th will remain available as second year carryover until September 30th (3 months).

- Competitive Federal Subgrants, such as 21st Century, Striving Readers, and School Improvement Grant 1003(g), have program specific guidance that allows for alternative carryover timelines.
- Title I Part A also has program specific carryover limitations.
- It is recommended that LEAS check with the specific program for detailed carryover information.

GMS Reimbursement Request

- Information in the GMS system should match the information on the Summary Expenditure Report produced by the LEAS local cost accounting system.
- Indirect costs cannot exceed allowable maximum per claim and can only be claimed based on the direct costs for each reporting period.
- The LEA is required to attach Summary and Detail Expenditure Reports and supporting documentation.
- The Office of Federal Programs requires expenditure reports to include site level expenditures.
- Claims should be reviewed by LEAs for accuracy and allowability before being submitted to OSDE.

FY23 Joint Federal Claims Procedures

UEI – Unique Entity Identifier (DUNS/SAMS)

- In April 2022 the Federal Government transitions to the use of a Unique Entity Identifier as the primary means of entity identification for Federal awards government-wide. UEIs are required in accordance with 2 CFR Part 25.
- If you have an inactive registration or need to update your registration, you must ensure that your renewal or updates occur on time and as required, but this does not affect whether you have been assigned a UEI. If you have a registration, you already have a UEI. If your registration has expired, you can access instructions addressing how to renew your entity registration at: How to Renew or Update an Entity.
- On and after April 4, 2022, entities who are not registered in SAM.gov will be assigned a UEI when they register and will not need to use a DUNS for entity registration or reporting.
- The transition to using UEIs does not impact your entity's registration expiration date or when you need to renew. Once assigned, the UEI number will never expire; however, entity registrations do expire annually and require annual renewal. Please ensure that your organization renews its registration prior to the expiration date. The expiration date is listed in your entity record in SAM.gov.
- No claims can be paid with an expired UEI.

Coding

- Function/Object Code must align with the expenditure description.
- LEAs should consult the most current Oklahoma Cost Accounting System (OCAS) manual for coding. LEAs are encouraged to contact the program office with specific coding questions.

Uploaded Supporting Documentation

- Supporting documents must be in PDF format to upload in GMS.
- Scanned images must be clear and legible.
- Supporting documents should be uploaded in the same order as the expenditures appear in the claim.
- The Purchase Order Date (that appears on the Detailed Expenditure Report) must be before the services were rendered. [Oklahoma Administrative Code (OAC) 210.25-5-10]
- The Warrant Date (that appears on the Detailed Expenditure Report) must be on or after the purchase order date. [OAC 210:25-5-10]
- Do not name uploads with special characters (!@#\$\$% & ?) GMS does not recognize these characters and the claim will be returned.
- Do not use a highlighter on documentation. When scanned, the highlighter may make the document illegible, and the claim may be returned.
- If the amount being claimed is less than the amount on the actual invoice/receipt or if the amount is being divided between projects, please indicate this on the invoice/receipt.
- LEAs should add the word "revised" or "corrected" when attaching a revised upload to a claim.
