

College and Career Readiness

Preparing students to successfully explore, plan and pursue postsecondary (PS) opportunities.

Why it Matters...

- Ensures students understand their interests, strengths, and goals.
- Explore a variety of postsecondary options.
- Develop skills for success.
- Transition confidently into college, career, or training programs.

In Action...

Tier 1

- Classroom lessons on career awareness/exploration.
- Postsecondary planning and goal setting.
- Individual career and academic planning for all students.

Tier 2

- Small groups focused on pathways and future planning.
- Application and enrollment support.
- Targeted support for students unsure of next steps.

Tier 3

- Individual postsecondary transition planning.
- Intensive application, financial aid, or enrollment support.
- Coordination with families and community partners.

Student Outcomes
