Labor Day Holiday/College Gameday Traffic Advisory 8-28-23

OTA offices will be closed Monday, Sept. 4

The following construction projects will impact travel on Oklahoma turnpikes from **Friday, Sept. 1, through Tuesday, Sept. 5.** For more information, contact the Oklahoma Turnpike Authority at www.pikepass.com and follow @OKTurnpike on Twitter and Facebook. For current Oklahoma interstate traffic conditions, check <https://www.oktraffic.org/>.

I-44/H.E. Bailey Turnpike narrows to one lane near Walters

Eastbound and westbound I-44/H.E. Bailey Turnpike is narrowed to one lane at SH-5 near Walters for bridge rehabilitation.

I-44/Turner Turnpike speed reductions at SH-66 near Sapulpa

Eastbound and westbound I-44/Turner Turnpike will have speed reductions to 45 mph at SH-66 near Sapulpa for construction. Two lanes in each direction remain open.

US-412/Cimarron Turnpike narrowed to one lane, SH-99 ramp closed in Noble, Payne and Pawnee Co.

The following closures are in place on US-412/Cimarron Turnpike

- US-412/Cimarron Turnpike is narrowed to one lane in both directions at US-177 (mm 15) and the SH-312/Cimarron Spur for pavement reconstruction through Thursday.
- Eastbound US-412/Cimarron Turnpike is narrowed to one lane at SH-99 near Hallett for ongoing surface work through Thursday.
- The eastbound US-412/Cimarron Turnpike ramps at US-177 are closed for pavement reconstruction. Motorists may enter eastbound Cimarron Turnpike from I-35 north of Perry and from US-64 near Morrison. From the Ponca City area, take US-177 to SH-15 east to US-64 to go westbound back to the turnpike.

SH-351/Muskogee Turnpike narrowed in Muskogee Co.

SH-351/Muskogee Turnpike is narrowed to one lane near Muskogee for the ongoing conversion to cashless tolling.

SH-375/Indian Nation Turnpike narrowed near Daisy in Atoka Co.

Northbound and southbound SH-375/Indian Nation Turnpike is narrowed to one lane in both directions near Daisy at mm 39.5 for bridge rehabilitation.
