I-44/Will Rogers Turnpike closed northeast of Miami due to crash; expect significant delays

Eastbound I-44/Will Rogers Turnpike is closed northeast of SH-10 at Miami (mm 313) due to a multi-vehicle crash. Motorists are advised to expect possible delays of up to several hours in this section of turnpike. OTA crews are working with first responders to clear the area as quickly as possible.

Additionally, westbound I-44/Will Rogers Turnpike traffic is being diverted at this time by Missouri state troopers before entering Oklahoma to allow first responders to reach the crash scene. Westbound I-44/Will Rogers Turnpike motorists may re-enter the turnpike from US-69 to eastbound SH-10 to westbound I-44/Will Rogers Turnpike.

All travel in this area is being impacted by poor visibility from blowing snow. Motorists are advised to slow down for conditions and use extreme caution.

Notice will be sent when lanes reopen.
