Latest updates may be found on OTA's social media accounts on [Facebook](#) and [X/Twitter](#).

The projects below are weather permitting:

I-44/Will Rogers Turnpike narrows northeast of SH-28 to Adair for crash

Westbound I-44/Will Rogers Turnpike is narrowed to one lane at mm 273 about 3 miles northeast of SH-28 to Adair to give room for crews to respond to a truck crash in the right-of-way. Expect possible delays into the late evening.

County bridge repairs over I-44/Will Rogers Turnpike in Rogers, Mayes counties start tonight; 3 bridges remain closed

Eastbound I-44/Will Rogers Turnpike will be narrowed to one lane underneath county bridges at N. 4310 Rd., W. 370 Rd. and E. 530 Rd. from 7 p.m. Thursday to 7 a.m. Friday and 7 p.m. Friday to 7 a.m. Saturday and continuing nightly through Tuesday for bridge repairs in Rogers and Mayes counties. Work will resume after the holiday. As work is completed for these first three bridges, turnpike lanes will be closed for repairs to overhead county bridges at S. 4220 Rd., N. 4300 Rd. and N. 429 Rd.

Motorists are advised to expect night-time lane closures and delays on the Will Rogers Turnpike between SH-266 near Verdigris and east of SH-28 near Vinita until repairs are complete, which could take up to two weeks, weather permitting.

SH-364/Creek Turnpike narrows at US-64 in Broken Arrow over Haikey Creek; eastbound ramp from 96th St. closed

Westbound and eastbound SH-364/Creek Turnpike are narrowed to one lane in each direction between US-64 and E. 111th, (mm 14 -15) in Broken Arrow through fall 2026 as part of the Haikey Creek bridge rehabilitation project. The eastbound SH-

364/Creek Turnpike on-ramp from 96th St. is closed through fall 2026 for safety due to a lack of a merge area at the start of the work zone. Motorists should expect delays in the area through summer 2027.

I-44/Turner Turnpike narrows between Luther and Wellston nightly through Saturday

Westbound I-44/Turner Turnpike shoulder will be closed at mm 155 near Wellston from 7 p.m. Thursday to 6 a.m. Friday and again from 8 p.m. Friday to 6 a.m. Saturday for ongoing construction survey work.

I-44/Turner Turnpike shoulder closed west of Wellston at mm 154 through summer 2026

Eastbound and westbound I-44/Turner Turnpike shoulders are closed on the bridge over County Rd. NS3310 about 1-mile west of SH-102 in Lincoln County as part of a bridge widening project. Motorists are advised to use caution in the area as construction is ongoing.

SH-375/Indian Nation Turnpike narrows near Blanco through Saturday

Southbound SH-375/Indian Nation Turnpike will be narrowed to one lane over SH-63 near Blanco (mm 55) through Saturday for bridge repairs.

Construction on SH-20 near Claremore could impact I-44/Will Rogers Turnpike exit ramps

A construction project impacting SH-20 in Claremore has left turn lanes at SH-20 reduced to one lane. This may cause some back up onto the exit ramps of I-44/Will Rogers Turnpike. This project is slated to last into spring 2026. Motorists are advised to use caution in the area.

I-44/Turner Turnpike narrowed at SH-99 in Stroud through early 2026

Westbound I-44/Turner Turnpike Lane widths are narrowed between SH-99 (mm 179) in Stroud and the westbound I-44/Turner Turnpike service plaza through early 2026 as part of an ongoing widening and realignment of the westbound lanes.

I-44/Turner Turnpike narrows east of Bristow through spring 2026

Eastbound and westbound I-44/Turner Turnpike lanes are shifted between Bristow mm 197 and SH-66 at mm 203 for the widening of the Turner Turnpike to six lanes. Motorists are advised to use caution in the area and to watch for heavy equipment entering the work zone.

SH-351/Muskogee Turnpike narrows near Porter through early 2026

Eastbound and westbound SH-351/Muskogee Turnpike is narrowed to one lane in each direction between SH-51 and E. 181st St. (mm 16-19) near Porter as part of a pavement reconstruction project. Ramps are expected to remain open during this time. Work is expected to continue through early 2026, weather permitting, and will extend from mm 12 just northwest of SH-51 near Coweta to mm 19 at E. 181st St. near Porter. Motorists are advised to expect lane closures in 3-mile segments and to use caution in the area.
