Code Change Information:

Will this change increase the cost of construction? Yes No

Which code needs to be revised? 2024 IBC and 2024 IFC

Which section of the code needs to be revised?

Section 917 Table _____ Figure _____ Page _____

Proposed Change:

Show the proposed new, revised, or deleted text in Legislative format. Line through text to be deleted and underline text to be added or revised.

Section 917, Mass Notification Systems, shall be moved to an OUBCC created appendix.

Supporting Information:

State the purpose and reason for the change and provide substantiation to support the proposed change.

This will be a hardship on school districts to perform a risk analysis every time they do something to their buildings. Colleges/Universities and K-12 schools already have communications systems in place to notify patrons in case of emergency. Moving this requirement to a new appendix will allow individual jurisdictions to adopt the requirements if so desired.
