Code Change Information

Originating Committee: BEBF 2018

Code Modified: 2018 IBC

Original Comment Form Number: CCF-125

Rule Number: 748:20-2-7 (2)

Which area of the code (Section, Table, Figure) was revised?

Chapter 2 Definitions

Page Number: IBC 2-18

Previous Change:

INTERMODAL SHIPPING CONTAINER. A six-sided steel unit originally constructed as a general cargo container used for the transport of goods and materials.

Historical information:

The definition was added to the 2018 adoption of the IBC. Along with other code language related to using an intermodal shipping container as a permanent structure or part thereof. However, the definition exists in the 2021 edition. There is no need to keep the definition in the rules.

Staff recommendation is to vote to delete the change and remove it from the agency rules.
