Rule Number: 748:20-4-9

#### Which area of the code (Section, Table, Figure) was revised?

IFC Chapter 4, Section 407.4

Page Number: 2021 IFC 4-10

#### Previous change:

**407.4 Training.** Persons responsible for the operation of areas in which hazardous materials are stored, dispensed, handled or used shall be familiar with the chemical nature of the materials and the appropriate mitigating actions necessary in the event of a fire, leak or spill. Responsible persons shall be designated and trained to be liaison personnel for the fire department. These persons shall aid the fire department in preplanning emergency responses and identification of where hazardous materials are located, and shall have access to ~~Material~~ Safety Data Sheets and be knowledgeable in the site emergency response procedures.

#### Historical information:

This change was made to the 2018 code to address errata. The language is correct in the 2021 code. Staff recommendation is to delete the agency rule and revert to the published code.
