

# MICHAEL G. HOEY

---

Owner | Construction Manager Executive

## BIO

Michael Hoey began his career in construction working alongside his father as a laborer and carpenter foreman. He earned his bachelor's degree in Construction Management from Oklahoma State University in 1989. Over the next two decades, Michael amassed a wealth of experience with major construction firms in Atlanta, Georgia, progressing from roles in estimating and project management to serving as an Owner's Representative and eventually as Group Vice President.

Michael's expertise in the healthcare sector is particularly notable, with significant projects including Norman Regional Hospital, Saint Francis Muskogee Hospital, St. Mary's Hospital, Cobb General Hospital, Egleston Children's Hospital, Northeast Georgia Heart Center, and Sunrise Assisted Living Centers, among others.

Beyond healthcare, Michael has demonstrated a robust skill set across various construction domains, including schools and universities, hotels, churches, and office buildings of all sizes. His experience spans both renovation projects and new construction, showcasing his versatility and depth in the field.
