- This 6-hour seminar reviews and analyzes selected significant changes from the 2018 IRC to the 2024 IRC.
- It familiarizes building officials, fire officials, plans examiners, inspectors and design professionals with many of the significant changes in the 2024.
- It assists code users in identifying the specific code changes that have occurred, and more importantly, understanding the reason behind the change.
- Focuses on those code changes selected due to their frequency of application

Each participant wanting Continuing Education Hours must provide their State License Number for the Construction Industries Board sign-in sheet.
