

OKLAHOMA

Uniform Building Code Commission Technical Code Review Committee

Application

Thank you for your interest in serving on a technical code review committee.

Technical Code Review Committees are essential in providing the State of Oklahoma and its citizens the most current and relevant building codes and related standards. This in part allows the Oklahoma Uniform Building Code Commission (OUBCC) to fulfill its mission to establish minimum statewide codes affecting or relating to the building environment for the protection of life and property, to be utilized throughout the state, assuring public health, safety, and welfare. Complete this form to provide useful information about yourself to be considered for a member on a technical committee.
