Uniform Building Code Commission Technical Code Review Committee Application

Thank you for your interest in serving on an OUBCC technical code review committee.

Technical Code Review Committees are essential in providing the State of Oklahoma and its citizens with the most current and relevant building codes and related standards. This in part allows the Oklahoma Uniform Building Code Commission (OUBCC) to fulfill its mission to establish minimum statewide codes affecting or related to the building environment for the protection of life and property, to be utilized through the state, assuring public health, safety and welfare. Complete this form to provide useful information about yourself to be considered for a member on a technical code review committee.

NOTE: This form and any attachments hereto are subject to the Oklahoma Open Records Act and may be disbursed, upon request, without further notice to the submitter.
