Licensed Perfusionist	Initial Application Fee - $400

Application

1. All sections must be completed to the best of your knowledge. No applicant shall be awarded a license who does not provide the Board with complete, open and honest responses to all requests for information. For those items that do not apply to you, mark N/A (Not Applicable).
2. Any "yes" answer in the Attestation section of the application must have an explanation in comments section. If you answer "yes" to the question regarding previous arrests, you must provide all available police reports, arrest records, and court documents.
3. A detailed chronological history is required. Begin with listing the education/degree required for the license you are applying for to present. All employment, military service, and non-work time (i.e. unemployed, stay at home parent, etc.) must be provided.
4. List all jurisdictions, United States or foreign, in which applicant is licensed, previously licensed, or has applied for licensure to practice as a perfusionist or is authorized or has applied for authorization to practice as a perfusionist. Applicant must also list all jurisdictions, United States or foreign, in which applicant has been denied authorization to practice or have voluntarily surrendered a license or authorization to practice. **Verification of all licenses or certificates *ever* held in the United States and/or Canada must be verified by the respective Licensing Board.**

General Application Process - The Board of Examiners of Perfusionists will review all complete applications by individuals for licensure. Application for licensure must be submitted at least thirty (30) days prior to a regularly scheduled Board meeting. Applications expire one (1) year from the date of submission.

Forms – All forms can be found in the Forms tab of the Resources section.

Extended Background Check – Applicants for licensure are required to obtain an Extended Background Check. The link to the approved provider can be found on the Forms page above.

Evidence of Status - To verify citizenship or qualified alien status, applicants for licensure or reinstatement of their license must submit the required supporting documentation with their application.

Transcript - An official transcript of grades, with perfusion degree posted, must be submitted directly from the institution. If the school is unable to submit verification of education, the Board will accept as proof a notarized copy of the original diploma and a notarized copy of transcript with the degree posted by the applicant along with an explanation from the applicant explaining the process applicant took to request verification from the school.

Renewals

1. All perfusion licenses expire January 31. Initial licenses must be renewed by January 31 of the following year.
2. Compliance with the laws and rules regarding renewal of licensure shall be evidenced by recertification issued by the American Board of Cardiovascular Perfusion or, for candidates for renewal who are ineligible for that recertification, compliance may be evidenced by submitting to the Board, evidence equivalent thereto.
3. Unrenewed licenses become inactive as of February 1 and if reactivated on or after February 1, a late payment fee is assessed in addition to the renewal fee.

PRACTICE MAY NOT BEGIN UNTIL APPROVED BY
