How to Initiate a Service Request in the New Licensing Portal

Login Required

You can submit **three types** of **Service Requests** in the portal: Name Change, License Verification Letter, and Duplicate Wall Certificate. **You must be logged in to submit a service request.**

Name Change (General): On the Home Page, open the **Service Requests** tab.

License Verification Letter and Duplicate Wall Certificate (License-based): On the Home Page, open the **My Licenses** tab to go to the My Licenses page, then click **Service Request** for the license of interest.
