Core Curriculum Course Evaluation Form Instructions

An applicant for certification as a Surveyor Intern, or an applicant for licensure as a Professional Surveyor must meet the education requirements set forth in Title 59 O.S. § 475.1 *et. seq.* which includes the completion of at least thirty (30) semester credit hours of the Surveying Core Curriculum approved by the Board. The 30 hours in the Core Curriculum must be completed with a grade of “C” or above.

These 30 semester credit hours must include the following:

1. A minimum of fifteen (15) semester credit hours in **Elementary and Advanced Surveying** courses;
2. A minimum of six (6) semester credit hours in **Boundary Surveying and Legal Principles** courses;
3. A minimum of six (6) hours in **Geographical Communications and Land Development Principles** courses.
4. In addition to the Core Curriculum, a minimum of a **3-hour class in either Analytical Geometry or Trigonometry is also required.**

To assist the Board in its review of your college credit hours, please complete the following summary by inserting the number of credit hours earned for each subject, your grade, the course number and title and the college or university where the credit was earned.

If there is any question about the course content for a listed course, it shall be the applicant’s responsibility to provide syllabi and/or course outlines for those courses.

Multiple courses covering the same subject matter will not be accepted, e.g. applicants taking Basic Surveying courses at two different institutions will only receive credit for one course.

Depending on the course content, some courses may be eligible for partial credit towards the 30 hour requirement. For example, a course in Transportation engineering usually qualifies for 1 hour of Advanced Surveying credit.
