How will I find out if I've been awarded a scholarship and will you let me know if I have not?

Applicants are notified in writing if they are selected to receive a scholarship award. All applicants can login to www.occf.org/scholarships/ to check on the status of an application. A status of “not awarded” or “denied” indicates that an applicant was not selected for an award.

What happens if I am selected as a scholarship recipient?

Scholarship recipients will receive their award notification via email, as well as steps on how to claim their scholarship. Read the instructions and respond in a timely manner.

What expenses can the scholarship pay?

Scholarship awards may go to payment of tuition, fees, required supplies, and book expenses.

Will I receive a check for my scholarship?

No. Scholarship payments are mailed directly to the school's financial aid office.

If I receive a scholarship one year, will I automatically receive an award for the following year?

No, but recipients are encouraged to reapply again. An individual may not receive the scholarship more than three times.

What happens if I move or change schools after I've been awarded a scholarship?

Award recipients who move should contact the scholarship staff at OCCF and update their address. Recipients who change schools should also notify OCCF of the change. If the change is to an Oklahoma university and the recipient remains in an EAC/ABET or ETAC/ABET accredited program, then the scholarship will remain. If the student is no longer enrolled in an EAC/ABET or ETAC/ABET accredited program, then the scholarship will not be awarded.
