Instructions for Professional Land Surveyor Licensing - Initial License

PLEASE READ ALL INSTRUCTIONS PRIOR TO FILLING OUT THE APPLICATION

Steps to Licensure

1. Complete an approved education program or approved education program curriculum.
2. Successfully pass the Fundamentals of Surveying (FS) examination.
3. Obtain the required years of approved and verified experience (Please refer to Appendix C to determine your experience requirements).
4. Successfully pass the NCEES Principles and Practice of Surveying (PS) examination.
5. Complete the attached **P.L.S. Application** and submit all required documentation and required information to the Board office as indicated on the application form.
6. Successfully pass the 2-hour Oklahoma Law and Surveying (OLS) examination, which is given quarterly at the Board office.
7. Successfully pass the 25 question Open Book exam, which is mailed to the applicant following successfully passing the 2-hour OLS exam.

New Applicant Instructions

1. **When you have completed steps 1, 2, 3 and 4 listed above, you are eligible to submit an application.**
2. Request universities to provide official transcripts of all university work (even if it is not land surveying related) to be sent directly to the Oklahoma Board. Official electronic transcripts may be emailed to rsinger@pels.ok.gov.
3. Go to <https://account.ncees.org/login> to verify your FS examination. Either create a new account OR log-in to your existing MyNCEES account. Follow the directions to request verification of your exam results. **For any state NOT USING the NCEES verification system, please click here** to access a Verification of Licensure/Examinations form. You will send that form to the state board. That state board will complete the verification and send it directly to the Oklahoma Board office.
4. A. Make as many copies of the Experience Verification and Reference Form (Appendix D) as necessary to send to your references. Fill out the top portion of the form as indicated. At least five (5) references are required and **three (3) must be from P.L.S.'s having personal knowledge of your surveying experience**. This requirement cannot be waived. All periods of your surveying experience since the beginning of your employment history must be verified, leaving no gaps in dates. Please refer to the **4 Paths to Licensure as a P.L.S.** (Appendix C) that is included in application packet to determine your experience requirements.

B. Attach a copy of your experience record (#20 of the application form) to the experience verification form and mail it to your references (please refer to Sample Record of Experience – Appendix E).

C. Your reference must place the completed Experience Verification form into a business size envelope, **seal the envelope and sign across the sealed portion of the back flap of the envelope**.

D. **Your reference must return the sealed and signed envelope to you.** It is helpful to provide the reference with a self-addressed, stamped, envelope that is larger than a business size envelope, as well as a business size envelope, in which to insert the sealed and signed envelope for returning it directly to you.

E. You will send the sealed and signed envelopes to the Board office along with your application form for the Board's review. **If we receive the Experience Verification form in an envelope from your reference and it is not signed across the sealed back flap it cannot be accepted by this office.**

F. References verifying experience, who have been disciplined by any professional licensure board within the past 10 years, must submit a copy of the formal disciplinary action taken for the Board's review and consideration.

5. Complete the entire P.L.S. application form. Print the application single-sided. DO NOT PRINT DOUBLE-SIDED. **Handwritten applications will not be accepted.**
6. Complete the Core Curriculum Course Form (Appendix A).
7. Complete and have notarized the Verification of Lawful Presence Form (Appendix B) and **submit supporting documentation. Do not submit original documents** – photocopies or scanned images will suffice. A driver's license does not qualify as supporting documentation.
8. Enclose a check or money order for **\$150.00** payable to the Oklahoma State Board of Licensure for Professional Engineers & Land Surveyors (Checks can be made to: OKPELS)
9. Mail the following to the Board office. The Board address can be found on the first page of the instructions.
 - A. Completed Application Form (make sure you have signed the last page)
 - B. Reference Letters (**signed across the sealed portion of the back flap of the envelope**)
 - C. Completed Core Curriculum Course Form (Appendix A)
 - D. Notarized Verification of Lawful Presence Form and supporting documents (Appendix B)
 - E. \$150 check or money order made payable to OKPELS
10. After your application is processed and approved by the Board, you will be notified that you are permitted to take the PS examination. **It is your responsibility to register with NCEES at www.ncees.org/exam.** The exam fee will be paid to NCEES. There is a separate examination fee from the application fee.
11. The PS examination is administered in computer-based testing (CBT) format. Please visit www.ncees.org/surveying/ps/ for more detailed information on computer-based testing procedures, examination guidelines, how to register for the exam and to schedule your exam date.
12. After you receive notification that you passed the PS and OLS examinations and the Open Book exam, you will be notified that you have fulfilled the steps for licensure.

If you are practicing land surveying through a firm that DOES NOT HAVE A CERTIFICATE OF AUTHORIZATION with the Board, you MUST submit a Certificate of Authorization application along with your P.L.S. application. Application forms are available at www.pels.ok.gov.

Re-Application Instructions

If you have filed a previous application with our Board within the past five (5) years, you must still complete this application in its entirety except for the following:

Record of Experience – Update from the date the previous application was submitted.

References – The entirety of your surveying experience from the date your previous application was submitted must be verified by reference, leaving no gaps in dates.

Transcripts - You do not need to order transcripts for your new application unless you have earned additional college credits since your previous application was filed.

If you have not filed an application within five (5) years, a complete new application, including transcripts, is required.

Core Curriculum Course Evaluation Form Instructions

An applicant for certification as a Land Surveying Intern, or an applicant for licensure as a Professional Land Surveyor must meet the education requirements set forth in Title 59 O.S. § 475.1 *et. seq.* which includes the completion of at least thirty (30) semester credit hours of the Surveying Core Curriculum approved by the Board. The 30 hours in the Core Curriculum must be completed with a grade of “C” or above.

These 30 semester credit hours must include the following:

1. A minimum of fifteen (15) semester credit hours in **Elementary and Advanced Surveying** courses;
2. A minimum of six (6) semester credit hours in **Boundary Surveying and Legal Principles** courses;
3. A minimum of six (6) hours in **Geographical Communications and Land Development Principles** courses.
4. In addition to the Core Curriculum, a minimum of a **3-hour class in either Analytical Geometry or Trigonometry is also required.**

To assist the Board in its review of your college credit hours, please complete the following summary by inserting the number of credit hours earned for each subject, your grade, the course number and title and the college or university where the credit was earned.

If there is any question about the course content for a listed course, it shall be the applicant’s responsibility to provide syllabi and/or course outlines for those courses.

Multiple courses covering the same subject matter will not be accepted, e.g. applicants taking Basic Surveying courses at two different institutions will only receive credit for one course.

Depending on the course content, some courses may be eligible for partial credit towards the 30 hour requirement. For example, a course in Transportation engineering usually qualifies for 1 hour of Advanced Surveying credit.
