A change of ownership requires a new application. A change of ownership occurs when a change of ownership form occurs (e.g. from a sole proprietor to an LLC) or a change of 20% or more of the ownership of the entity owning the license occurs (for example, when the corporation owning the license sells 20% or more of the stock). For publicly traded corporations, a routine sale of stock is not a change of ownership. [see OAC 535:25-3-7(a)]

2. Changes in any information required for licensure must be reported to the Board within ten (10) days. [see OAC 535:25-3-7(b)]

H. Has there been any Change of Name, Ownership, or Location since your last application/renewal?

Yes \_\_\_\_ No (If yes, a new application must be completed)
