

## **APPLICATION FOR OKLAHOMA FACILITY LICENSE**

What you need to know before submitting an application- PLEASE READ CAREFULLY:

- 1. New applications (including change of owner, change of location, and change of name), if submitted without deficiencies, can take up to 2 weeks for processing.
- 2. The facility **SHALL NOT** operate from a place of residence.
- 3. Please verify all information requested on the application is provided at the time of submission to avoid any further delay.
- 4. Oklahoma requires up to 2 levels of ownership. Please pay special attention to Section D of the ownership form you are directed to on Page 1 of the application.
- 5. Oklahoma licenses are not transferable; they are only valid for the name and location that reflects on the license and the owner(s) reflected in the application submitted to obtain said license. This means that for change applications, the existing license will be ended at the time the new license is issued. For "Change of Owner" applications, as long as the previous/existing license has not expired, you may be able to continue contracts/orders as long as there is a Power of Attorney in place. <Please seek legal counsel for these types of situations>
- 6. For "New" or "Change of Location" applications- You cannot conduct business at the new facility until after you have been inspected and provided an Oklahoma license. Please be sure to plan ahead accordingly.
- 7. Please do not fax or email applications to the Board Office. We must have original signatures and notaries on file.
- 8. If there are any deficiencies with the application, our office will contact the designated facility manager/representative via email at the email address currently on file.
- 9. For Oklahoma facilities, once the application is processed it will be given to the proper Compliance Officer/Inspector, who will call the phone number listed on the application to schedule a time and date to perform the required inspection. The facility must pass final inspection within ninety (90) days of application or the facility must resubmit the application and fees. Fees will not be refunded. The license will be released on-site upon passage of this inspection.
- 10. OSBP Staff cannot interpret rules. For questions regarding what constitutes an ownership change, please refer to OAC 535:25-3-7.
- 11. OSBP reserves the right to request any additional information not specifically requested on this application deemed necessary to protect the public health and safety.
