Any registrant (pharmacy) may authorize one or more individuals, whether or not they are located at the registered location, to obtain and execute Official Order Forms by granting a power of attorney to each such individual. The power of attorney must be signed by the same person who signed the most recent application for registration or renewal registration, as well as the individual being authorized to obtain and execute Official Order Forms. The power of attorney may be revoked at any time by the person who signed the power of attorney. It is necessary to grant a new power of attorney when the pharmacy completes a renewal registration, only if the renewal application is signed by a different person. The power of attorney should be filed with executed Official Order Forms as a readily retrievable record. The power of attorney is not submitted to DEA.
