## HELPFUL HINTS

- File your return by the same due date as your federal income tax return. See page 5 for information regarding extended due date for electronically filed returns.
- If you need to file for an extension, use Form 504-I and then later file a Form 511-NR.
- Be sure to provide copies of your Form(s) W-2, 1099 or other withholding statement with your return. Provide all federal schedules as required.
- **Important:** If you fill out any portion of the Schedules 511-NR-A through 511-NR-H, you are required to provide those pages with your return. Failure to include the pages will result in a delay of your refund.

- Do not provide any correspondence other than those documents and schedules required for your return.
- If you purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax, you owe use tax on those items. For more information on use tax, see pages 16-17.
- Would you like your refund faster? Choose to have your refund direct deposited into your checking or savings account.
- When you complete the direct deposit section on the Form 511-NR, verify the routing and account numbers are correct. If the direct deposit fails to process, your refund will be mailed to you on a debit card.
- After filing, if you have questions regarding the status of your refund, use OKTAP at [tax.ok.gov](https://tax.ok.gov) to check your refund or call 405.521.3160.

## RESIDENT DEFINED

### Resident

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return whenever you are away (as on vacation abroad, business assignment, educational leave or military assignment). A domicile, once established, remains until a new one is adopted.

### Part-Year Resident

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

### Nonresident

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

### Members of the Armed Forces

Residency is established according to military domicile as established by the Servicemembers' Civil Relief Act of 2003 (SCRA), formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940 (SSCRA). The Veterans Auto and Education Improvement Act of 2022 (VAEIA) changed existing provisions under the SCRA on election of state residency for tax purposes for military servicemembers and their spouses.

When the spouse of a military member is a civilian and has the same legal residency as the military member, the spouse may retain such legal residency. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not have the same legal residency as the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

Under the VAEIA, for any taxable year of marriage, the servicemember and their spouse may elect a state of residence for income tax purposes based on the servicemember's residence, the spouse's residence, or the servicemember's permanent duty station.

A nonresident who is stationed in Oklahoma on active duty is exempt from Oklahoma Income Tax unless and until the military member chooses to establish a permanent residence in Oklahoma. This exemption applies only to military pay earned in Oklahoma by the servicemember; it does not include income earned by performing other services in the state. The earnings of the spouse of the servicemember may be exempt; see the "Nonresident Spouse of United States Military Servicemember" section.

## RESIDENT DEFINED (CONTINUED)

### Resident/Nonresident

A nonresident filing a joint federal return with an Oklahoma resident spouse may have options for filing the Oklahoma return(s). See "Filing Status" in the "Top of Form Instructions" on pages 8-10 for further information.

## HOW NONRESIDENTS AND PART-YEAR RESIDENTS ARE TAXED

The Oklahoma taxable income of a part-year individual or nonresident individual shall be calculated as if all income were earned in Oklahoma, using Form 511-NR. The Federal Adjusted Gross Income (AGI) will be adjusted using the Oklahoma adjustments, allowed in 68 Oklahoma Statutes (OS) Section 2358, to arrive at AGI from all sources. The AGI from all sources is used to determine the taxable income. After the taxable income is calculated, it is prorated using a percentage of the AGI from Oklahoma sources divided by the AGI from all sources. This prorated tax is the Oklahoma tax.

## WHO MUST FILE

**Resident** - Every resident individual whose gross income from both within and outside of Oklahoma exceeds the standard deduction plus personal exemption is required to file an Oklahoma income tax return.

**Part-Year Resident** - Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more.

**Nonresident** - Except as otherwise provided for in the Pass-Through Entity Act of 2019, every nonresident with Oklahoma source **gross** income of \$1,000 or more is required to file an Oklahoma income tax return. A nonresident partner may elect to be included in a composite partnership return; see Rule 710:50-19-1.

**Note:** If you do not have an Oklahoma filing requirement but had Oklahoma tax withheld or made estimated tax payments, see the section "Not Required to File" on page 6 for further instructions.

## NONRESIDENT SPOUSE OF UNITED STATES MILITARY SERVICEMEMBER

Under Federal Military Spouses Residency Relief (Military Spouses Residency Relief Act & Veterans Benefits and Transition Act of 2018 [hereinafter, the Act]), a nonresident spouse of a nonresident servicemember may be exempt from Oklahoma income tax on income from services performed in Oklahoma if all of the following facts are true:

- The servicemember is present in Oklahoma in compliance with military orders;
- The spouse is in Oklahoma to be with the servicemember; **and**
- The spouse maintains the same domicile as the servicemember or elects to use the same residence for tax purposes as the service member in accordance with Veterans Benefits and Transition Act of 2018.

The "What is Oklahoma Source Income?" section on page 5 shows examples of the types of income that may be considered from Oklahoma sources, therefore subject to tax by Oklahoma, and types of income that are protected under the Act and therefore not subject to tax by Oklahoma.

If there is at least \$1,000 of gross income from Oklahoma sources, such as Oklahoma rental or royalty income, complete the Oklahoma Form 511-NR according to the "Select Line Instructions".

If all of the income earned in Oklahoma is protected under the Act, and Oklahoma taxes were withheld, complete the Oklahoma Form 511-NR according to the "Not Required to File" section found on page 6.

If the nonresident spouse of a United States Military Servicemember is claiming the exemption provided for under the Act, they must furnish copies of the servicemember's military W-2, the spouse's W-2, the Leave and Earnings Statement, and copies of their federal income tax return and the resident state's return to avoid delays in the processing of their Oklahoma income tax return.

Frequently Asked Questions (FAQs) relating to Individual Income Tax Issues for Military can be found on our website at [tax.ok.gov](http://tax.ok.gov).

## ESTIMATED INCOME TAX

You must make equal\* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more and expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to make timely estimated tax payments may be subject to interest on underpayment. If at least 66.67% (or two-thirds) of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, see instructions for line 26.

## ESTIMATED INCOME TAX (CONTINUED)

Form OW-8-ES, for filing estimated tax payments, is available on our website at [tax.ok.gov](http://tax.ok.gov).

Estimated payments can be made online through OkTAP.

\*For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP on our website at [tax.ok.gov](http://tax.ok.gov).

## WHAT IS OKLAHOMA SOURCE INCOME?

The sources of income taxable to a **nonresident** are:

- (1) Salaries, wages and commissions for work performed in Oklahoma.
- (2) Income from an unincorporated business, profession, enterprise or other activity as the result of work done, services rendered, or other business activities conducted in Oklahoma.\*
- (3) Distributive share of the Oklahoma part of partnership, estate or trust income, gains, losses or deductions.\*
- (4) Distributive share from Sub-chapter S Corporations doing business in Oklahoma.\*
- (5) Net rents and royalties from real and tangible personal property located in Oklahoma.
- (6) Gains from the sales or exchanges of real and tangible personal property located in Oklahoma.
- (7) Income received from all sources of wagering, games of chance or any other winnings from sources within this state. Proceeds that are not money shall be taken into account at fair market value.

\* This includes Limited Liability Companies (LLCs).

**Note:** Salaries, wages and commissions for work performed in Oklahoma by a qualifying nonresident spouse of a military servicemember may not be subject to tax in Oklahoma and be protected under the Military Spouses Resident Act. (Civilian income earned in Oklahoma by the servicemember is not protected and is subject to Oklahoma tax.) Other examples of potentially protected income are:

- Personal service business income earned by the qualifying nonresident spouse. Examples of personal service business income include the business of a doctor, lawyer, accountant, carpenter or painter (these are examples only, and are not intended to be exclusive or exhaustive). A personal service business generally does not include any business that makes, buys, or sells goods to produce income.
- Income received from all sources of wagering, games of chance or any other winnings from sources within Oklahoma by the qualifying nonresident spouse. (Such income received by the servicemember is not protected and is subject to Oklahoma tax.)

The Oklahoma source income of a **part-year** resident is the sum of the following:

- (1) All income reported on your federal return for the period you are a resident of Oklahoma, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state; and
- (2) The Oklahoma source income for the period you were a nonresident of Oklahoma.

The Oklahoma source income of a **resident** filing with a part-year resident or nonresident spouse will include all income reported on your federal return except income from real or tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

## DUE DATE

Generally, your Oklahoma income tax return is due April 15th. However:

- If you file electronically (through a preparer or the internet), your due date is extended to April 20th. Any payment of taxes due on April 20th must be remitted electronically in order to be considered timely paid. If the balance due on an electronically filed return is not remitted electronically, penalty and interest will accrue from the original due date.
- If the Internal Revenue Code (IRC) of the Internal Revenue Service (IRS) provides for a later due date, your return may be filed by the later due date and will be considered timely filed. You should write the appropriate "disaster designation" as determined by the IRS at the top of the return, if applicable. If a bill is received for delinquent penalty and interest, you should contact the OTC at the number on the bill.
- If the due date falls on a weekend or legal holiday when the OTC offices are closed, your return is due the next business day. Your return must be postmarked by the due date to be considered timely filed.

## NOT REQUIRED TO FILE

### No Oklahoma Filing Requirement

Nonresidents who do not have an Oklahoma filing requirement, as shown in the section “Who Must File?” on page 4, but had Oklahoma tax withheld or made estimated tax payments should complete the Form 511-NR.

Complete the Form 511-NR as follows:

1. Fill out the top portion of the Form 511-NR according to the “Top of Form Instructions” on pages 8-10. Be sure to place an ‘X’ in the box “Not Required to File”.
2. If you are a nonresident who is not required to file because your gross Oklahoma source income is less than \$1,000, complete Schedule 511-NR-1, lines 1-19 of the “Federal Amount” column as per your federal income tax return. Then complete lines 1-18 of the “Oklahoma Amount” column; enter your gross income from Oklahoma sources and not the net income as would be reflected in your Federal AGI. Return to page 1 of Form 511-NR and complete lines 1 and 2.
3. Complete lines 25 through 43 that are applicable to you. Sign and mail in Form 511-NR, pages 1-4 only. Do not mail in pages 5-7. Include page 8 only if you have an entry on line 37 “Donations from your refund”. Be sure to include your W-2s, 1099s or other withholding statements to substantiate any Oklahoma withholding.

If you filed a federal income tax return, **provide** a copy.

## WHAT IS AN EXTENSION?

A valid extension of time in which to file your federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the federal extension must be provided with your Oklahoma return. If your federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504-I.

**At least 90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.**

## NET OPERATING LOSS

**The Oklahoma loss year return must be filed to establish the Oklahoma Net Operating Loss.**

**Use the 511-NR-NOL schedules.**

When there is a federal net operating loss (NOL), an Oklahoma NOL must be computed as if all the income were earned in Oklahoma. The figures from the “Federal Amount” column are used for this computation. The loss is carried as an Oklahoma NOL and deductible in the “Federal Amount” column.

The true Oklahoma NOL is computed using the figures from the “Oklahoma Amount” column and shall be allowed without regard to the existence of a Federal NOL. The loss is carried as an Oklahoma NOL and deductible in the “Oklahoma Amount” column.

For tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to IRC Section 172.

An NOL resulting from a farming loss may be carried back in accordance with and to the extent of IRC Section 172(b) (G). However, the amount of the NOL carryback shall not exceed the lesser of \$60,000, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F. An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the original return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

The Federal NOL allowed in the current tax year reported on Schedule 511-NR-1, line 15 “Other income”, shall be added on Schedule 511-NR-A, line 3 “Federal net operating loss” in the appropriate column. Enter as a positive number. The Oklahoma NOL(s) shall be subtracted on Schedule 511-NR-B, line 9 “Oklahoma net operating loss” in the appropriate column. There is also a space provided to enter the loss year(s).

## WHEN TO FILE AN AMENDED RETURN

An amended return can be filed at any time. Generally, any claim for refund of an overpayment of tax must be made within three years from the due date of the return, including the period of any extension of time for filing a return, or two years from the payment of the tax liability, whichever period is later, or, if no return was filed, within two years of the time the tax was paid.

If your net income for any year is changed by the IRS, an amended return shall be filed within one year. Part-year residents and nonresidents shall use Form 511-NR. Place an "X" in the box at the top of the Form 511-NR indicating the return to be an amended return. Enter any amount(s) paid with the original return plus any amount(s) paid after it was filed on line 31. Enter any refund previously received or overpayment applied on line 33. Complete Schedule 511-NR-H "Amended Return Information" on Form 511-NR. **Provide a copy of Federal Form 1040X, Form 1045, RAR, or other IRS notice, correspondence, and/or other documentation.**

**Important:** Provide a copy of IRS refund check or statement of adjustment.

If you discover you have made an error on your Oklahoma return, we may be able to help you correct the return. For additional information, contact our Taxpayer Resource Center at 405.521.3160.

## ALL ABOUT REFUNDS

Taxpayers have two quick, convenient ways to check the status of their refund:

- Visit OkTAP at **tax.ok.gov** and click on the "Where's My Refund?" link under "Individuals." Once on this page, you will be required to enter the last seven digits of the primary social security number on the return, the amount of the expected refund, and the Zip Code on the return.
- Call 405.521.3160 and enter the same information as prompted by our interactive automated phone system.

**Note:** If your return was e-filed, you can generally begin checking on your refund about four days after the return was accepted by the OTC. If your return was paper filed, you should allow four to six weeks to begin checking on your refund. Once processed, allow five business days for the deposit to be made to a bank account. For debit card and paper check refunds, allow five to seven business days for delivery.

**IMPORTANT:** If you do not choose to have your refund deposited directly into your bank account, you may choose to receive a debit card or a paper check. See pages 42-43 for information on the debit card and page 44 for more information on direct deposit.

If timely filing, you may have any amount of overpayment applied to your next year's estimated tax. Overpayments applied to the following year's Oklahoma estimated income tax in error may be refunded to the taxpayer upon request; however, the taxpayer must file the refund request no later than October 15 of the year in which the refund was to be applied. ## TOP OF FORM INSTRUCTIONS

### **E** FILING STATUS

The filing status for Oklahoma purposes is the same as on the federal income tax return, with one exception. This exception applies to married taxpayers who file a joint federal return where one spouse is an Oklahoma resident (either civilian or military), and the other is a nonresident civilian (non-military). In this case the taxpayer must either:

- File as Oklahoma married filing separate. The Oklahoma resident, filing a joint federal return with a nonresident civilian spouse, may file an Oklahoma return as married filing separate. The resident will file on Form 511 using the married filing separate rates and reporting only his/her income and deductions. If the nonresident civilian has an Oklahoma filing requirement, he/she will file on Form 511-NR, using married filing separate rates and reporting his/her income and deductions. Form 574 "Resident/Nonresident Allocation" must be filed with the return(s). You can obtain this form from our website at [tax.ok.gov](http://tax.ok.gov).
- OR-
- File as if both the resident and the nonresident civilian were Oklahoma residents on Form 511. Use the "married filing joint" filing status, and report all income. A tax credit (Oklahoma Form 511-TX) may be claimed for taxes paid to the other state, if applicable. A statement should be attached to the return stating the nonresident is filing as a resident for tax purposes only.

The above exception does not apply if: 1) either spouse is a part-year resident or 2) an Oklahoma resident (either civilian or military) files a joint federal return with a nonresident **military** spouse. They shall use the same filing status as on the federal return. If they file a joint federal return, they shall complete Form 511-NR and include in the "Oklahoma Amount" column, all Oklahoma source income of both spouses.

### **F** RESIDENCY STATUS

**Nonresident** - Place an 'X' in this box only if a nonresident the entire year. If filing a joint return, both must be nonresidents the entire year.

**Part-Year Resident** - Place an 'X' in this box only if a part-year resident. If filing a joint return, both must be part-year residents. Enter the dates, during the tax year, of your Oklahoma residency.

**Resident/Part-Year Resident/Nonresident** - Place an 'X' in this box only if filing a joint return and spouses have different residency status. Enter the state(s) of residence for each spouse. If either spouse is a part-year resident, list all states of residence for the part-year resident and enter the dates of Oklahoma residency above on the part-year resident line. Do not mark the box for part-year resident.

### 23 Oklahoma Use Tax

#### (For taxpayers who lived at least part of the tax year in Oklahoma)

Every state with a sales tax has a companion tax for purchases made outside the state. In Oklahoma, that tax is called use tax. If you have purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax whether by mail order, catalog, television shopping networks, radio, Internet, phone or in person, you owe Oklahoma use tax on those items. Use tax is paid by the buyer when the Oklahoma sales tax has not been collected by the seller. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

Examples of items that are subject to sales tax include books, compact discs, computer equipment, computer software, electronics, clothing, appliances, furniture, sporting goods and jewelry. When an out-of-state retailer does not collect Oklahoma sales tax, the responsibility of paying the tax falls on the purchaser. Complete Worksheet Two if you did not keep records of all of your out-of-state purchases.

Use tax is calculated at the same rate as sales tax, which varies by city and county. The state sales tax rate is 4.5% (.045) plus the applicable city and/or county rates. If you do not know the exact amount of Oklahoma use tax you owe based on your city and county sales tax rate, you can either:

1. Use the **tax table on page 17** or multiply your AGI from line 7 by 0.056% (.00056).  
-OR-
2. Use one of the worksheets below to calculate your Oklahoma use tax. Complete Worksheet One if you keep records of all of your out-of-state purchases.

Worksheet Two has two parts. The first part is a calculation of the amount due on items that cost less than \$1,000 each, and the second part is a calculation of the amount due on items that cost \$1,000 or more each. The first calculation is based on a Use Tax Table that reflects the estimated amount of use tax due by taxpayers with varying amounts of Federal AGI. The estimated amount is 0.056% (.00056) of Federal AGI. If you believe that estimate from the table is too high for your out-of-state purchases, you may estimate the amount you owe.

If you paid another state's sales or use tax on any purchase, that amount may be credited against the Oklahoma use tax due on that purchase.

**Note: Your use tax worksheets may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax.**

\* Use tax is calculated the same as sales tax. Your local rate would be the state sales tax rate of 4.5% (.045) plus the applicable city and/or county rate based on where you lived when the purchase was made. The rate charts can be found on our website at [tax.ok.gov](http://tax.ok.gov).

A credit is allowed for any Oklahoma taxpayer who incurs a qualified expense on behalf of an eligible homeschool student. The maximum credit is \$1,000 in qualified expenses per eligible student in each tax year. To claim the credit, a taxpayer must submit legible copies of all receipts for claimed expenses to the OTC. To claim the credit, a separate Form 591-D must be submitted for each eligible homeschool student. A qualified expense may not be claimed more than once.

**Note: Form 591-D must be filed with the Form 511 or 511-NR to claim the credit; a stand-alone Form 591-D will not be processed.**

### 36 Amount Credited to 2025 Estimated Tax

Refunds applied to the following year's Oklahoma estimated income tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

### 37 Donations (original return only)

Schedule 511-NR-G provides you with the opportunity to make a financial gift from your refund to a variety of Oklahoma organizations. Note that this reduces your refund if you choose to donate. The donation will be forwarded to the appropriate agency. Information regarding each organization, including the address to mail a donation if you are not receiving a refund, is found under "Schedule 511-NR-G Information" on page 29.

Place the line number of the organization from Schedule 511-NR-G in the box. If giving to more than one organization, put a "99" in the box.

### 39 Amount to be Refunded

If you do not choose direct deposit, you may choose to receive your refund on a debit card or a paper check. If your direct deposit fails to process, you will be issued a debit card. See "All About Refunds" on page 7 for more information.

### 41 Underpayment of Estimated Tax Interest

Estimated tax payments were required during the year if your income tax liability exceeded your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed estimated tax payments and withholding are required to be the smaller of:

- 70% of the current year tax liability,
- OR-
- 100% of your prior year tax liability.

## SELECT LINE INSTRUCTIONS

### 41 Underpayment of Estimated Tax Interest (continued)

The income tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments. **Check the box** if using the annualized installment method.

**Note:** No underpayment of estimated tax interest shall be imposed if the income tax liability shown on the return is less than \$1,000. If you do not meet one of the above exceptions, you may complete Form OW-8-P, or the OTC will figure the interest and send you a bill.

### 42 Delinquent Penalty and Interest

After the original due date of the return, compute 5% penalty on the income tax due (line 40 minus line 23). Compute interest on the income tax due at 1.25% per month from the original due date of the return. An extension does not extend the date for payment of tax.

**Note:** If you have a valid extension of time to file your tax return, delinquent penalty is not due if 90% of your income tax was paid by the original due date of the return. Delinquent interest is due on any income tax not paid by the original due date of the return.

If an **amended return** is filed before the due date for filing the original return, including any extensions, the tax shown on the amended return is used to determine the amount of underpayment. If the amended return is filed after the due date, including extension, the tax shown on the amended return will not be used to compute the amount of underpayment.

**Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the IRC, except when specifically provided for in the Oklahoma Statutes or rules.**

## DEBIT CARD AND PAPER CHECK INFORMATION

### OTC's statement regarding refund debit cards and paper checks.

Please be aware that if you do not choose direct deposit, you can choose to receive a debit card or a paper check for your income tax refund. Your options for receiving your refund are:

1. **Providing direct deposit information.** Make sure the banking information entered is correct. If your direct deposit fails to process, you will be issued a debit card.
2. **Debit card.** The Oklahoma Tax Refund Debit Mastercard® is a secure and convenient way to receive your refund. Oklahoma contracted with Conduent to use their Go Program™ to manage tax refunds via debit card. This contract authorizes the State to share certain personal information for Conduent to open an account in your name, deposit your tax refund, and issue you a debit card against those funds. Tax Refund Debit Card accounts are FDIC insured, and the service provider for the Card account complies with federal regulations to guard your confidential information. Once you receive and activate your card, the balance can be transferred to your bank account or used anywhere MasterCard is accepted. After a debit card has been issued, the OTC cannot convert the card into a direct deposit or a credit to the taxpayer account. Should you choose to receive a debit card, it can be used at your favorite stores and ATMs that accept MasterCard debit cards. In some cases, a fee may apply at ATMs.
3. **Paper check.** A minimum refund of \$10.00 is required to receive a paper check. If you request a paper check for an amount less than \$10.00, a debit card will be issued.

**Note:** If none of the available options are chosen, you will receive a debit card.

The disclosure below is provided by the debit card company, Conduent, to all Oklahoma state agencies using Comerica debit cards.
