(F) Each participating private school will respond electronically to the Tax Commission's request to verify certain information to determine if the refundable tax credit was applied toward a qualified expense during the applicable tax year. Responses to the requested information are due on or before November 1 of each year. Information requested for verification shall include the following information for each eligible student for whom the school received a credit payment for the current tax year:

(H) If a taxpayer's application for the credit is denied, the taxpayer may file an application for a hearing before the Tax Commission pursuant to the provisions of 68 O.S. § 207(c).
