BACKGROUND SUMMARY OF OKLAHOMA TAX COMMISSION

The Oklahoma Tax Commission (OTC), from its inception in 1931, has been responsible for the collection and administration of various tax sources and the apportionment of these revenues to state funds that provide funding for education, transportation, recreation, social welfare, and a myriad of other services provided for the citizens of Oklahoma.

The OTC is comprised of three Commissioners, the Chairman, Vice Chairman, and Secretary-Member, who are appointed by the Governor, with the advice and consent of the Oklahoma Senate, and serve terms of six years each.

It is the OTC's responsibility to supervise the administration and enforcement of state tax laws and the collection of a majority of all state-levied taxes and fees.

The Commission directs the collection and distribution of the tax and license sources under its administration and, by statute, is responsible for apportioning such tax revenues to various state funds. In addition, the OTC allocates, directly to local units of government, certain state-collected levies earmarked to counties, school districts, and municipalities. On a contract basis with individual municipalities and counties, the OTC is involved with the administration, collection and distribution of city/county sales, use and lodging taxes.
