Title: Deposit Posting Report – EFT

- **Purpose:** To provide guidance to state agencies for generating daily Deposit Posting Reports for EFT transactions.
- **System:** The website and application will be accessible via the internet using Microsoft Browser 5.0 or higher. The Jinitiator must be installed in order to open the Imaging Database.

Procedure:

- 1. Access the <u>OST Online User Access Services</u> system through Internet Explorer.
- 2. The Logon screen will appear. Enter the following information in the appropriate fields, and then click **[Connect]**.

<u>Field</u>	<u>Required Response</u>
Username	Enter the alpha numeric username assigned to you by OST.
Password	Input your personal password. If you forget this password, it may be reset by calling the OSF Helpdesk.
Database	Enter 'imaging' in the database field.

Username: uxxx123
Username: uxxx123
Password: *******
Database: imaging
Connect Cancel

The Menu screen will appear upon log in. Click [Run] next to Deposit Posting Reports
- EFT.
