

## II. Employer Responsibilities

### 1. TRS Statutes and Rules

The rights and obligations of TRS members and employers are governed by Oklahoma statutes found in Title 70 and TRS Administrative Rules. Employers are encouraged to have the current copies of both of these documents. Applicable statutes and rules can be found on the TRS website at [https://www.ok.gov/TRS/Rules\\_&\\_Statutes/index.html](https://www.ok.gov/TRS/Rules_&_Statutes/index.html)

### 2. It is the responsibility of each TRS participating employer to do the following:

- a. Enroll employees into TRS membership as required by Oklahoma law,
- b. Remit member and employer contributions to TRS in a timely manner,
- c. Provide required information for current members for whom contributions are remitted including written documentation of the members' personal information,
- d. Submit monthly and yearly reports as required by Oklahoma law prior to required deadlines,
- e. Identify any TRS retirees who have returned to work and remit required post-retirement contributions.

### 3. Charter Schools

- a. Charter schools may become members of TRS under the following provisions:
  - i. The governing board of the charter school must apply for membership,
  - ii. The Board of Trustees must approve the membership,
  - iii. Upon approval by the Board, the Charter School and its employees shall follow all statutes and administrative rules of TRS including mandatory membership of all classified personnel,
  - iv. Contributions paid for the first year of membership may begin the month membership is approved or "caught up" to the beginning of the employment year. For example, if membership is approved in November, the Charter School will have two choices:
    1. Begin contributions in November which will award a fraction of service credit to its employees, or
    2. Catch up contributions from the beginning of the employment year. In this case, full-time employees can earn a full year of service credit.
