

TSET FY24 Grant Application, Guidelines,
Criteria, & Resources Packet for School Sites

Application Checklist

STEP 1: Review & Research

Review **all** the details provided in this “Applications, Guidelines, Criteria & Resources Packet” document. Research to see if your school district or school site have previously received funds from the Healthy Incentive Grant program. You can check the list of previous awards on our website: <https://oklahoma.gov/tset/funding-opportunities/tset-healthy-incentive-grants-schools.html>

STEP 2: Inform of Interest in Applying

It is highly recommended that a school site representative email TSET Healthy Incentive Grant Program regarding their intent to apply, at HIG@tset.ok.gov. Within the email, provide school site contact person(s)'s information, a summary of your idea for use of funds, and state you are interested in applying for the “Healthy Incentive Grant for School Sites”.

STEP 3: Review Criteria and Resource Guide

The detailed Grant Criteria and Resource Guide for School Sites (page 8) has been developed to provide the specific criteria, documentation required to fulfill the criteria and helpful resources. Bookmark or print this guide for ease of reference during the application preparation process.

STEP 4: Assemble Documentation

Applicants shall gather and compile copies of the required documentation. Refer to the detailed information for document requirements within the Grant Criteria & Resource Guide (page 8). Please note, the application form only allows for 10 uploads, thus combining files may be necessary.

Please check and double-check that all required documents are included and in .pdf format before submitting your application.

STEP 5: Submit Application

Submit the completed application to TSET via Smartsheet. Applications submitted via any other method will not be accepted. A sample application form is provided, linked below.

Please note: Smartsheet web forms do not allow the saving of data, so all information must be entered and submitted at one time. For technical assistance with submitting an application, contact grantsmanagement@tset.ok.gov.

Application Link: <https://app.smartsheet.com/b/form/b461cd386ef547d7bc1393a6a3e300f7>

- Link will only be assessable during open application periods.
 - Utilize the Sample Application Form for School Sites on the Healthy Incentive Grant for Schools webpage: <https://oklahoma.gov/tset/funding-opportunities/tset-healthy-incentive-grants-schools.html>
-

STEP 6: Receive Confirmation Email & Await Notification of Award

Once your application is submitted and you receive a confirmation email, the application has been placed into the queue for review in the order in which it was received. If you do not receive a confirmation email or have any questions after submission, contact grantsmanagement@tset.ok.gov.

Notification of award or declination of award will be sent via email after the board meeting, which occurs following the application period deadline.

Additional Information

- Each school site must apply separately unless that school site is under the administration of the same principal. For example, the same principal is over the middle school and the high school, and the students attend the same campus. In this case the student enrollment count would be combined.
- All required documents must be submitted with the application. Incomplete or improperly completed applications will not be eligible for review. Applications will only be reviewed based on information submitted to TSET on or before the submission deadline. Additional information will not be requested or accepted after the deadline.
- Only one submission per applicant organization will be accepted per funding cycle and additional information cannot be added to a submission after it has been uploaded. However, if after the date of submission but before the deadline date an applicant realizes a mistake in or omission from their proposal exists, the applicant may notify TSET in writing of the desire to withdraw the submitted application. An email stating the intent to withdraw a submitted application must be sent to TSET Grants Management at grantsmanagement@tset.ok.gov. The applicant may then submit an entirely new application package if the submission deadline has not passed. The original application will be released from its spot in the requests queue. The new application will be considered for review in the order that is submitted.
- This funding opportunity may be accessed on the TSET website at [TSET Healthy Incentive Grants - Schools | Tobacco Settlement Endowment Trust](#)

Grant Application, Eligibility, and Criteria Details

Purpose

TSET Healthy Incentive Grants for School Sites are designed to help schools implement best and promising practices in tobacco-free environments, nutrition, physical activity, and employee wellness.

Application Period

Applications are accepted during the two open periods of the state fiscal year (July 1 – June 30).

For FY24, application periods are open during the following times:

- September 1, 2023 – September 29, 2023
- January 8, 2024 – February 7, 2024

Applications will not be accepted after 4 p.m. Central Time on the last day of the application window.

Applicants are encouraged to apply early, as applications are considered on a first come, first served basis.

Funding

Funding is determined based upon the following:

1. All required criteria documents are submitted;
2. Star level application criteria met; and
3. Sites' enrollment numbers based on the State Department of Education's FY22-23 data.

Healthy Incentive Grant School Sites Awards				
School Site Enrollment	One Star	Two Stars	Three Stars	Maximum Award
0 – 200	\$2,000	\$3,000	\$5,000	\$10,000
201 - 400	\$3,000	\$4,500	\$7,500	\$15,000
401 - 600	\$4,000	\$6,000	\$10,000	\$20,000
601 – 1,000	\$5,000	\$7,500	\$12,500	\$25,000
1,001 +	\$6,000	\$9,000	\$15,000	\$30,000

The program provides overarching criteria for three award classifications: One Star, Two Star, and Three Star. School sites must complete the levels in order. One Star criteria must be completed before applying for Two Star; One and Two Star must be completed before applying for Three Star. Both the criteria document review and student enrollment are used to determine the star level of funding for which your school site is eligible.

- Funding for this program varies each year and TSET may receive more applications than current funding can support.

- Funding does not require a match, but schools are encouraged to use these funds for match with other funding opportunities.
- Grant funds must be utilized, and documentation of project completion must be submitted to TSET within one year of approval by the TSET Board of Directors.
- A school site may only receive funding one time during the fiscal year.

General Eligibility

Individual public school sites may apply after their school district has been funded under the Healthy Incentive Grant for School Districts (<https://oklahoma.gov/tset/funding-opportunities/tset-healthy-incentive-grants-schools.html>). Eligible school sites will be notified prior to opening of the application window.

Previous Incentive Grantee Eligibility

A school site that has received prior TSET incentive grant funding is welcome to apply and could be eligible to receive the difference of the previous award amount up to the maximum award amount under this funding opportunity.

School sites that have previously received TSET incentive grant funding will be evaluated on the policies, practices, and implementation of criteria from past incentive grant(s) by TSET staff prior to submission of an application for additional funding.

All previous TSET incentive grants must have submitted final documentation for the previous grant(s) and the grant(s) must have been closed satisfactorily to be eligible for submission under this funding announcement.

To inquire about the status of a previously-funded incentive grant for your organization, contact TSET Grants Management at grantsmanagement@tset.ok.gov.

Criteria

Criteria for the school site grants will focus on policy implementation within the areas of physical activity, nutrition, and tobacco. Including student and employee wellness, health promotion, family engagement, and community involvement.

School sites must be **following their District policies and provide documentation of the actions put into place to improve school health.**

- One Star criteria aligns at minimum with state and federal requirement, as well as some additional high impact and other elements aligning with the district model policy.
- Two Star criteria includes additional high impact and other elements beyond those within the One Star criteria.
- Three Star criteria includes remaining high impact and other elements in alignment with best practices for reaching the gold standard to policy implementation.

Specific criteria and required documentation, as well as, additional information are included in the [FY24 Grant Criteria and Resource Guide for School Sites \(page 8\)](#).

Suggested Use of Funds

School sites awarded grant funding will apply the funds for purchases, programs, and/or projects that best address the needs and opportunities that improve health of the students and staff. TSET reserves the right to approve, deny, or—with the awarded grantee—modify any proposed uses of TSET funds.

****Remember all funds MUST be spent within one year from date of award.****

Examples for uses of funds:

- Comprehensive Health Education Curriculum
- Student, Staff, Parent/community training/demonstrations
- Health promotion classes
- CPR/first aid classes
- Stipends for Wellness Coordinators
- Cafeteria equipment (stoves, refrigerators, flat top grills, tables, coolers, knives, and utensils, etc.)
- Playground equipment/improvements, PE equipment, fitness room equipment (treadmills, elliptical machines, stationary bikes, etc.)
- Warm up stations for walking track/fitness trail
- Activities for Life (fishing poles, flag football, bowling stations, archery, outdoor skills, dance programs, etc.)
- Health assessment (audiometers, vision screening, blood pressure, stethoscopes, oximeters, pedometers, scales, etc.)
- Capital Improvement (e.g., Sidewalk repair, walking trail/track)
- Safety and emergency response (automatic external defibrillators, disaster preparedness)
- School garden, green house, hydroponic equipment, etc.
- Street safe cross walks (flashing lights, signs, etc.)

Contact Information

Questions about submission of an application or other technical issues should be directed to grantsmanagement@tset.ok.gov.

Grant Award and Payment Process

Notification of Award

All eligible applications will be presented to the TSET Board of Directors for funding consideration. Applicants will be notified of their award status within one (1) business day of the [TSET Board of Directors meeting](#) at which the applications are considered. **Notification will be made via email to the authorized official listed on the application form.** Awarded applicants will have 60 days from notification of award to complete all required contract documents as indicated by TSET. **Failure to complete all required contract documents by the date stated in the award letter may result in forfeiture of award.**

Applicants who are not awarded funding due to incomplete or otherwise ineligible applications or due to a lack of funds available will receive an email notification from TSET within one (1) business day of the TSET Board of Directors meeting at which the applications are submitted. Notification will be made via email to the authorized official listed on the application form. Unfunded applicants are eligible to submit a new application during the next funding cycle.

Grant Period

The grant period shall be for one year from the date of approval by the TSET Board of Directors. All project work and TSET-required reporting must be completed during the grant period.

Reporting Requirements

A final report must be completed and submitted to TSET within one (1) year of approval by the TSET Board of Directors. Failure to submit the final report may result in ineligibility for future TSET funding opportunities.

Payment

Grantees need not first expend funds or provide invoices in order to receive their award from TSET. Award payment will be made upon submission of all required contract documents which are issued via email by TSET Grants Management to the authorized official. Failure to submit all requested documents within 60 days of receipt of the email from TSET Grants Management may result in forfeiture of award.

Evaluation

TSET evaluates all its grant programs for effectiveness and impact. Awardees of an incentive grant must participate in a program evaluation when called upon to do so by TSET.

TSET FY24 Grant Criteria & Resources for School Sites
(7/1/2023 – 6/30/2024)

This document is for the Healthy Incentive Grant for School Sites and outlines each star level criteria in a separate color. There are different criteria for each classification level (one star, two star, & three star). Each criterion will require either a response to the posed question or an uploaded document. The first column indicates how many elements apply to each level. The second column describes the eligibility criteria, and the third column indicates the response or document that is required for submission. If a Yes/No option appears in the third column, check the appropriate box. If a document is required to be submitted, the documentation must be uploaded upon final submission.

TSET strongly encourages all required documents to be compiled into a single file prior to submission. You must include a copy of the completed criteria elements with Yes/No responses, along with upload documents for each classification level for which you are applying.
