

Free Policy Building Tools for Oklahoma School Districts

School districts in Oklahoma can now log in to the Healthier Generation Action Center to access two free policy-building tools: the **Oklahoma School District Wellness Policy Builder** and the **Oklahoma 24/7 Tobacco-, Smoke-, and Vape-Free Campus Policy Builder**.

The policy builders walk district teams through required decisions step-by-step to produce policy documents aligned to the state sample policy.

Oklahoma School District Wellness Policy Builder

- Build a wellness policy that aligns with the Oklahoma Sample Wellness Policy.
- Required language is pre-loaded.
- Your team selects enhancements, additions and supplements to customize the policy for your district.

Oklahoma 24/7 Tobacco-, Smoke-, and Vape-Free Campus Policy Builder

- Build a tobacco-free campus policy that aligns with the Oklahoma 24/7 Sample Policy.
- Required language is pre-loaded.
- Your team confirms district information and selects any additions to fit your district's needs.

3 Steps to Get Started

1

Create your Action Center account.

Go to healthiergeneration.org/app and register with your school district email address. If you already have an account, sign in.

2

Find and join your district organization.

Once logged in, search for your district by name and request to join. Once you have joined your district team, you can invite others to join.

3

Open your Oklahoma policy builders

From your district organization dashboard, navigate to Policy Builders in the left-hand menu, where you'll find both Oklahoma-specific tools.
