INDEPENDENT AUDITORS' REPORT

Board of Directors and
Board of Investors
Tobacco Settlement Endowment Trust Fund

We have audited the accompanying financial statements of the governmental activities and the permanent fund of the Tobacco Settlement Endowment Trust Fund (the "Fund") as of and for the years ended June 30, 2010 and 2009, which collectively comprise the Fund's basic financial statements as listed in the table of contents. The Fund is a part of the reporting entity of the State of Oklahoma. These financial statements are the responsibility of the Fund's management. Our responsibility is to express opinions on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

As discussed in Note 1, the financial statements of the Fund, a permanent fund of the State of Oklahoma, are intended to present the financial position and the changes in financial position of only that portion of the governmental activities and governmental funds of the State of Oklahoma that is attributable to the transactions of the Fund. They do not purport to, and do not, present fairly the financial position of the State of Oklahoma as of June 30, 2010 and 2009, and the changes in its financial position or, where applicable, its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the permanent fund of the Fund as of June 30, 2010 and 2009, and the respective changes in financial position thereof for the years then ended in conformity with accounting principles generally accepted in the United States.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Accounting principles generally accepted in the United States require that the Management's Discussion and Analysis on pages I-1 through I-13 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

In accordance with *Government Auditing Standards*, we have also issued a report dated September 28, 2010, on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)

June 30, 2010 and 2009

The Management's Discussion and Analysis (MD&A) of the Tobacco Settlement Endowment Trust Fund (the "Fund") provides an overview and overall review of the Fund's financial activities for the fiscal years ended June 30, 2010 and 2009. The intent of the MD&A is to look at the Fund's financial performance as a whole. It should, therefore, be read in conjunction with the Fund's financial statements and the notes thereto.

The Fund was established pursuant to the Constitution of the State of Oklahoma. The Fund's principal was established with funds received by the State of Oklahoma (the "State") on or after July 1, 2001, pursuant to any settlement with or judgment against any tobacco companies. The principal funds are invested, and the dividends and interest, less fees to manage the Fund, may be expended for operations; tobacco prevention and cessation programs; research and treatment efforts in Oklahoma to prevent and combat cancer and other tobacco-related diseases; and programs to maintain or improve the health of Oklahomans or to enhance health care services provided to Oklahomans, with a particular emphasis on children and senior adults.

A Board of Investors was created to manage the investment of the Fund and to annually certify the earnings that are available for program expenditures. A Board of Directors was created to oversee Fund operating and program expenditures.

USING THIS ANNUAL REPORT

The basic financial statements presented in the annual report include both government-wide and fund financial statements.

Government-Wide Statements: Government-wide statements include statements of net assets and statements of activities. These statements display information about the Fund as a whole. The government-wide financial statements of the Fund are presented on a full accrual economic resource basis, which includes all assets and liabilities whether current or noncurrent. These statements provide both short-term and long-term information about the Fund's overall financial status.

Fund Statements: The fund financial statements include the governmental fund's balance sheets and statements of revenues, expenditures, and changes in fund balance. In the fund financial statements, the revenues and expenditures of the Fund are presented using the current financial resources measurement focus and the modified accrual basis of accounting. Under these accounting methods, revenues and assets are recognized when they become both measurable and available, and expenditures and liabilities are recognized when obligations are incurred as a result of the receipt of goods or services.

FINANCIAL HIGHLIGHTS, CONTINUED

Statements of Net Assets, Continued

The Fund's total net assets increased \$97.8 million during the year, as the Fund invested an additional \$60.7 million in settlement receipts, recognized a gain of \$53.1 million as net investment income, and expended \$17.6 million on programs and operations. Total investments increased from \$405.9 million at the beginning of the year to \$497.7 million as of year-end, as the Board of Investors invested cash and cash equivalents held at the beginning of the year and additional settlement receipts were deposited during the year. The Fund recognized \$34.9 million from the net appreciation of the fair value of the portfolio and earned \$18.1 million in interest and dividends, net of investment management fees which were certified by the Board of Investors for FY2011 funding. The Fund's investment policy establishes investment goals and objectives and provides specific investment guidelines for investment managers, including a prohibition from investing in securities issued by companies engaged in the manufacture of tobacco products.

Cash balances also include restricted cash of approximately \$45 million, which represents cash collateral presented to the Fund by security borrowers through the Board of Investors' securities lending effort. Use of this cash is restricted unless the borrowers were to default in the return of the securities borrowed.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

MANAGEMENT’S DISCUSSION AND ANALYSIS (MD&A), CONTINUED

June 30, 2010 and 2009

FINANCIAL HIGHLIGHTS, CONTINUED

Statements of Activities—Income and Expenses, Continued

Revenues continue to be dominated by settlement receipts which are restricted for investment purposes. During the fiscal years ended June 30, 2010 and 2009, 75% of settlement receipts paid to the State were deposited by the State into the Fund. The percentage of the State’s settlement receipts to be received by the Fund increased by 5% annually until it reached 75% during the fiscal year ended June 30, 2007, where it remains. As reflected below, settlement receipts deposited by the Fund decreased by \$11,419,331 from 2009.

There are no guarantees regarding the State’s continued receipt of funds in the settlement of claims against the tobacco companies. The amount received by the State can be attributed to several factors. An independent auditor calculates and determines the amount of all payments based in part on the market share of tobacco consumption.

Previous studies of tobacco consumption reported by the National Association of Attorneys General showed a continued long-term decline in cigarette sales in the United States since the state Attorneys General negotiated the Tobacco Master Settlement Agreement in 1998. A downward trend in consumption was reported through 2005. The Centers for Disease Control and Prevention (CDC) states that recent research indicates that the more spent on comprehensive tobacco control programs, the greater the reduction in smoking. However, recent surveys indicate that the rate of decline may have stalled in youth and adults, due in large part to the fact that only three states are funding tobacco prevention programs at the minimum levels recommended by the CDC.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A), CONTINUED

June 30, 2010 and 2009

FINANCIAL HIGHLIGHTS, CONTINUED

Statements of Activities—Income and Expenses, Continued

Since 1998, increasing numbers of new tobacco manufacturers not participating in the Tobacco Master Settlement Agreement have entered the market. These new tobacco manufacturers impact the market share of the participating manufacturers and this, in turn, reduces the amount of the settlement payments to the states. As shown below, a significant amount of the payment calculation has not been received by the settling states and has been deposited in disputed accounts.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A), CONTINUED

June 30, 2010 and 2009

FINANCIAL HIGHLIGHTS, CONTINUED

Statements of Activities—Income and Expenses, Continued

A participating manufacturer who disputes the final calculation may pay the disputed amount into the disputed payments accounts to avoid any accrual of interest until the issue is resolved. Noted disputes during the FY2010 calculation include various computation interpretations and the completeness or accuracy of data; however, significant disputes involve the application of the nonparticipating manufacturer adjustment in 2003 and 2004. Subsequent disputes are anticipated for the 2005, 2006, 2007, 2008, and probably the 2009 calculations. These participating manufacturers maintain that they are entitled to withhold, whether by means of offset or otherwise, from their 2010 payment or to place in the disputed payments account the amount attributable to the nonparticipating manufacturer's adjustment for the year disputed. The settling states do not agree with this position, and litigation is pending in this matter.

As settlement receipts were deposited and invested and the portfolio was diversified during the fiscal year ended June 30, 2010, net investment income increased by \$98.5 million over the \$45 million loss recognized during the 2009 fiscal year. Interest and dividend income increased \$915 thousand, while the net appreciation of investment in the Fund's portfolio increased \$98 million. Fees paid to investment managers, consultants, and custodians increased \$439 thousand.

As previously noted, the Fund's principal is restricted for investment purposes only. The dividends and interest income earned, less the fees spent to manage the Fund, may be expended for operations; tobacco use prevention and cessation programs; research and treatment efforts in Oklahoma to prevent and combat cancer and other tobacco-related diseases; and other programs to maintain or improve the health of Oklahomans, with a particular emphasis on children and senior adults. The Board of Directors adopted a strategic plan to maximize the impact of the limited earnings available in the early years by focusing on reducing tobacco use in Oklahoma. Recently, the Board of Directors updated the strategic plan to include a focus on reducing cancer and cardiovascular disease, Oklahoma's leading causes of death, by addressing the three leading causes of both: tobacco use, physical inactivity, and poor nutrition.

During the fiscal year ended June 30, 2010, the Board of Directors increased program funding by more than \$2 million.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A), CONTINUED

June 30, 2010 and 2009

FINANCIAL HIGHLIGHTS, CONTINUED

Statements of Activities—Income and Expenses, Continued

In FY2010, the Board of Directors continued an agreement with the Oklahoma State Department of Health (OSDH) to provide additional funding to meet the increasing demand for the statewide telephone-based Oklahoma Tobacco Helpline. This year the agreement included ARRA funding in the amount of \$401,599. According to the terms of the contract, OSDH agrees to pay the Board of Directors at the beginning of the contract period up to 31 days of estimated Helpline costs, and reimburse additional Helpline expenses paid out of the beginning deposit throughout the year. Total revenue from this contract was \$1,551,599 for 2010 and \$1,338,730 for 2009. Adjustment to the cash balance is requested by the Board of Directors through pro forma invoices monthly. These funds are restricted for the purpose of the Helpline.

The Board of Directors also expanded health communications funding to continue the “Tobacco Stops With Me” campaign addressing secondhand smoke and prevention for youth and young adults, and a separate campaign to promote the Oklahoma Tobacco Helpline and “Become an Ex” web-based cessation program.

During 2010, the Board of Directors also continued funding for comprehensive community-based programs across the state of Oklahoma to implement programs to prevent initiation to tobacco products among youth, to promote quitting among youth and adults, to reduce exposure to secondhand smoke, and to reduce tobacco-related health disparities. Through FY2010, 38 counties and 2 tribal nations were served under the comprehensive community grants program.

The “Addressing Tobacco in Specific Populations” program was initiated in FY2007 and continued in FY2010. Four grantees were awarded funding to plan and implement programs to reduce and prevent tobacco use among the low socioeconomic status, deaf and hard of hearing, college-age, and rural youth populations. During FY 2009, one of those grants was terminated by agreement of both parties. The total budget for the remaining three grantees was \$300,000.

In addition, in FY2010 the Board of Directors continued funding for the Oklahoma Tobacco Research Center (OTRC), a program of the OU Cancer Center Institute. The purpose of the OTRC is to reduce the burden of tobacco-related health problems in Oklahoma by stimulating the generation and dissemination of knowledge and the implementation and diffusion of effective practices. Over the course of the 5-year grant, the OTRC is expected to fund research projects and obtain additional research funding from the National Cancer Institute and other federal, state, and private resources.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A), CONTINUED

June 30, 2010 and 2009

FINANCIAL HIGHLIGHTS, CONTINUED

Statements of Activities—Income and Expenses, Continued

The Board of Directors funded its second unsolicited proposal in FY2010. The “Unsolicited Proposals” program provides an opportunity for organizations to proactively submit a proposal related to any of the program areas listed in the constitutional amendment that created the Fund, instead of reactively applying for funding in response to a “Request for Proposals.” The new grant, provided to the Oklahoma Health Care Authority, focuses on implementing an evidence-based tobacco treatment intervention in clinical settings that treat pregnant women on Medicaid. The first unsolicited proposal to receive funding in FY2009 was a 3-year program designed to improve fitness and nutrition using an evidence-based program (Coordinated Approach to Child Health—CATCH) in 12 elementary schools in Tulsa County. A special emphasis was placed on serving schools with a higher population of American Indian students from lower income families.

The Cessation Systems Initiative (CSI) grantees entered their first full year of grant funding in FY 2010. Under the CSI program, the Oklahoma Insurance Department, the Oklahoma Hospital Association, and the Oklahoma Department of Mental Health and Substance Abuse Services work to promote coverage for tobacco dependence treatment among private insurers, to implement a best practice intervention to address tobacco among hospitalized patients, and to infuse tobacco dependence treatment into routine mental health and substance abuse treatment programs.

Finally, in FY2010 the Board of Directors committed \$500,000 to establish the Oklahoma Center for Adult Stem Cell Research (OCASCR). OCASCR is governed by the research directors of the Oklahoma Medical Research Foundation, the University of Oklahoma, and Oklahoma State University, with the Oklahoma Medical Research Foundation serving as the fiscal agent. Under the grant, OCASCR will receive another \$1 million per year for the next 5 years (FY 2011–FY 2015).

During the fiscal years ended June 30, 2009 and 2010, operating expenses increased by \$231,668 from \$798,444 to \$1,030,112. Personnel, accounting, and other office-related operating expenses were incurred for a full 12-month period during the fiscal year ended June 30, 2010. Effective July 1, 2009, the Office of the State Treasurer requested, and both Boards approved, that \$98,000 be provided to the State Treasurer as funding for staff support to the Board of Investors for FY2010. Operating expenses include some staff salaries, travel, and other operating expenses of the Board of Directors and the Board of Investors. During 2007, the maximum amount allowed for operating expenses was changed from \$500,000 to 15% of certified earnings in any fiscal year.

FUND HIGHLIGHTS

Governmental Fund—Balance Sheets

The Fund is classified as a permanent fund, as the principal funds are restricted by law for investment purposes only. The dividend and interest earnings, less fees to manage the Fund, may be expended for operations; tobacco prevention and cessation programs; research and treatment efforts in Oklahoma to prevent and combat cancer and other tobacco-related diseases; and other programs to maintain or improve the health of Oklahomans or to enhance health care services provided to Oklahomans, with a particular emphasis on children and senior adults. Accordingly, the fund balance at year-end includes balances which are reserved for investment purposes and balances which are unreserved that are expendable for operations and programs of the Fund.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS

June 30, 2010 and 2009

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Tobacco Settlement Endowment Trust Fund (the “Fund”) was established pursuant to the Constitution of the State of Oklahoma. The Fund principal was established with funds received by the State of Oklahoma (the “State”) on or after July 1, 2001, pursuant to any settlement with or judgment against any tobacco companies. Fifty percent (50%) of all such receipts was deposited into the Fund during the fiscal year ended June 30, 2002. That percentage increased by 5% annually until it reached 75% during the fiscal year ending June 30, 2007, where it remains. However, there are no guarantees regarding the State’s continued receipt of funds in settlement of claims against tobacco companies. The principal funds are invested, and the dividends and interest, less fees to manage the Fund, may be expended for operations; tobacco prevention and cessation programs; research and treatment efforts in Oklahoma to prevent and combat cancer and other tobacco-related diseases; and other programs to maintain or improve the health of Oklahomans or to enhance health care services provided to Oklahomans, with a particular emphasis on children and senior adults.

Pursuant to the Constitution of the State of Oklahoma, the Board of Investors was created to manage the investment of the principal of the Fund and to annually certify the earnings that are available for program expenditures. The Board of Directors was created to oversee Fund operating and program expenditures. The Fund is a part of the State’s financial reporting entity and is included in the State’s Comprehensive Annual Financial Report as a permanent fund and a governmental entity.

The financial statements of the Fund are intended to present the financial position and changes in financial position of only that portion of the governmental activities and governmental funds of the State that is attributable to the transactions of the Fund, and not those of the entire State.

Basis of Presentation, Measurement Focus, and Basis of Accounting

The financial statements have been prepared in accordance with Governmental Accounting Standards Board Statement No. 34 (GASB 34).

Government-Wide Financial Statements—The statements of net assets and the statements of activities are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Investment purchases and sales are recorded as of their trade dates. Settlement receipts are recognized as revenue when they are received by the State and their use is restricted as noted above.

See Independent Auditors’ Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Basis of Presentation, Measurement Focus, and Basis of Accounting, Continued

Governmental Fund Financial Statements—As a permanent fund, the Fund is reported in the governmental fund financial statements using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Since the Fund predominantly accounts for financial resources, revenue recognition is generally consistent between the accrual and modified accrual basis of accounting. Settlement receipts are recognized as revenue when they are received by the State and their use is restricted as noted above.

Investment purchases and sales are recorded as of their trade dates. Expenditures generally are recorded when a liability is incurred.

Since the governmental fund financial statements are presented on a different measurement focus and basis of accounting than the government-wide financial statements, reconciliations are presented which briefly explain the adjustments necessary to reconcile the fund and the government-wide presentations.

Investments

The Fund is authorized to invest in eligible investments as approved by the Board of Investors and set forth in its investment policy.

Fund investments are reported at fair value, except for the funds invested in an SEC-registered money market mutual fund, which are reported as cash equivalents and reported at cost, which approximates fair value. Debt and equity securities are reported at fair value, as determined by the Fund's custodial agent, using pricing services or prices quoted by independent brokers based on the latest reported sales prices at current exchange rates for securities traded on national or international exchanges.

The Fund invests in various traditional financial instruments that fall under the broad definition of derivatives. The Fund's derivatives may include U.S. Treasury strips, collateralized mortgage obligations, asset-backed securities, forward-based derivatives, option-based derivatives, and variable-rate instruments. These investments do not increase investment risk beyond allowable limits specified in the Fund's investment policy.

Net investment income includes net appreciation (depreciation) in the fair value of investments, interest income, dividend income, securities lending income, and investment expenses, which includes investment management and custodial fees and all other significant investment-related costs.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Securities Lending

The investment policy authorizes the Board of Investors to contract with their custodian to act as their securities lending agent. The policy requires the securities lending agent to provide indemnification against borrower default, have written agreements with each borrower, not loan securities until acceptable collateral is received and monitor that collateral on a daily basis, and review and monitor the approved borrowers to minimize risk.

The fair values of securities loaned and cash collateral maintained for those securities at June 30 were:

	<u>Fair Value</u>	
	<u>2010</u>	<u>2009</u>
U.S. government securities	\$ 2,018,680	19,194,269
U.S. corporate bonds	16,083,236	10,397,352
U.S. equity	<u>26,563,429</u>	<u>26,570,070</u>
	<u>\$ 44,665,345</u>	<u>56,161,691</u>
Cash collateral maintained for securities loaned	<u>\$ 44,996,813</u>	<u>56,888,947</u>
Percentage of cash collateral to securities loaned as of June 30	<u>100.74%</u>	<u>101.29%</u>

Borrowers are required to deliver and maintain collateral for each loan with a fair value equal to 102% of the current fair value of the loaned securities. Collateral delivered in non-U.S. currency is required to be equal to 105% of the fair value of the securities loaned; however, at June 30, 2010 and 2009, all collateral was presented as cash in U.S. currency. The total value of the collateral held at June 30, 2010 and 2009, was \$331,468 and \$727,256, respectively, more than the current fair value of the securities loaned. Thus, no credit risk existed at the balance sheet date from these transactions. Cash collateral is invested in a short-term investment pool and is included as an asset on the balance sheet, with an offsetting liability for the return of the collateral.

Securities lending income included as certified earnings was \$84,583 and \$403,341 for the fiscal years ended June 30, 2010 and 2009, respectively.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Capital Assets

Office equipment and furnishings which have an expected useful life of more than 1 year are recorded as capital assets. Capital assets are recorded at cost when purchased. Depreciation is recorded on capital assets in the government-wide financial statements. Depreciation is calculated on a straight-line basis over a 4- to 12-year period.

No provision for depreciation is recorded in the governmental fund financial statements, as expenditures for capital assets are recorded as period costs when the capital assets are purchased.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Compensated Absences

Employees earn annual vacation leave at the rate of 10 hours per month for the first 5 years of service, 12 hours per month for service of over 5 years to 10 years, 13.33 hours per month for service of over 10 years to 20 years, and 16.67 hours per month for over 20 years of service. Unused annual leave may be accumulated to a maximum of 480 hours. All accrued annual leave is payable upon termination, resignation, retirement, or death. The governmental fund financial statements record expenditures when employees are paid for leave. The government-wide financial statements present the cost of accumulated vacation leave as a liability. The liability is valued based on the current rate of pay.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Advertising Costs

All costs associated with advertising are expensed as incurred.

Date of Management's Subsequent Events Review

Management of the Fund has evaluated subsequent events through September 28, 2010, which is the date the financial statements were available to be issued.

New Accounting Pronouncements

On June 30, 2008, GASB issued Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments* (GASB 53), which provides guidance to governments to improve the reporting of derivative instruments in their financial statements. GASB 53 applies to all state and local governments and is effective for financial statements for periods beginning after June 15, 2009. The effect of implementing GASB 53 did not have a material impact on the financial reporting of the Fund.

In March 2009, GASB issued Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* (GASB 54), which provides guidance to governments to:

- Improve the consistency in reporting fund balance components;
- Enhance fund balance presentation;
- Improve the usefulness of fund balance information; and
- Clarify the definitions of the governmental fund types.

GASB 54 is effective for financial statements for periods beginning after June 15, 2010, with early implementation encouraged. GASB 54 will require the Fund to review its definitions of fund balances. The overall effect of GASB 54 upon the Fund's financial reporting has not been determined, but is not expected to have a material impact on the financial statements of the Fund.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(2) CASH AND INVESTMENTS

At June 30, cash and cash equivalents were composed of the following:

	<u>2010</u>	<u>2009</u>
Cash on deposit with the State	\$ 99,216	2,333,699
Foreign currency	829,969	626,924
Contractual restricted cash	219,688	-
Collateral from securities lending—restricted cash	44,996,813	56,888,947
Certificates of deposit	4,201,833	3,202,056
Money market mutual fund	<u>29,416,634</u>	<u>15,671,519</u>
	<u>\$ 79,764,153</u>	<u>78,723,145</u>

Restricted Cash

Contractual restricted cash represents the net cash balance of funds advanced to the Board of Directors for the reimbursement of the program expenses related to the Oklahoma Tobacco Helpline (the “Helpline”). According to contract terms, the Oklahoma State Department of Health (OSDH) pays the Board of Directors up to 31 days of estimated Helpline costs at the beginning of the contract. OSDH agrees to reimburse additional Helpline expenses throughout the year funded through monthly pro forma invoicing. Total revenue from this contract was \$1,551,599 for 2010 and \$1,338,730 for 2009. As of June 30, 2010, there was a restricted cash balance of \$219,688 related to the OSDH contract. As of June 30, 2009, there was no restricted cash related to the OSDH contract.

Cash collateral from securities lending activity is identified as restricted cash as it cannot be used by the Fund unless there is default in the return of the securities loaned.

Custodial Credit Risk

Custodial credit risk is the risk that in the event of the failure of a counterparty, the Fund will not be able to recover the value of its investments. Deposits are exposed to custodial credit risk if they are uninsured and uncollateralized. Investment securities are exposed to custodial credit risk if they are uninsured, are not registered in the name of the Fund, and are held by a counterparty or the counterparty’s trust department but not in the name of the Fund. The investment policy requires that all deposits be invested in a fully collateralized interest-bearing account. Policy also provides that investment collateral be held by a third-party custodian with whom the Fund has a current custodial agreement in the Fund’s name.

See Independent Auditors’ Report.

(2) CASH AND INVESTMENTS, CONTINUED

Concentration of Credit Risk

The Fund limits its exposure to concentration of credit risk through its investment policy and asset allocation policy. Within asset classes, individual securities are limited to not more than 6% of the investment manager's portfolio; however, securities of one issuer could be represented in more than one asset class. No investments in any one organization, excluding those guaranteed by the U.S. government, represented 5% or more of the Fund's net assets at June 30, 2010 and 2009.

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Mortgage-backed securities are highly sensitive to interest rate changes. The investment policy manages interest rate risk by limiting the effective duration of an actively managed fixed-income portfolio. Excluding U.S. government guaranteed securities, effective duration is not to exceed 7 years.

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment or a deposit. The investment policy limits foreign equity investments to 10% of total net assets through its asset allocation policy. Investment in foreign equities and fixed income is shown by monetary unit to indicate possible foreign currency risk.

(3) DERIVATIVES

Derivative instruments are financial contracts whose values depend on the values of one or more underlying assets, reference rates, or financial indexes. They include futures contracts, swap contracts, options contracts, and forward foreign currency exchange. The Fund's derivatives policy identifies and allows common derivative investments and strategies which are consistent with applicable law and the Investment Policy Statement and requires investment managers to petition for the inclusion of additional derivative instruments and strategies. The guidelines also require investment managers to follow certain controls and documentation and risk management procedures. The Fund enters into these certain derivative instruments primarily to enhance the performance and reduce the volatility of its portfolio. It enters futures contracts to gain or hedge exposure to certain markets and to manage interest rate risk and uses forward foreign exchange contracts primarily to hedge foreign currency exposure. The tables below summarize the various contracts in the portfolio as of June 30, 2010. The notional values associated with the futures contracts are generally not recorded in the financial statements, as they represent the obligation to purchase the futures contracts. Unrealized gains or losses are recognized daily by the investment manager and have been reflected in the Fund's financial statements. Interest risks associated with these investments are included in the interest rate risk disclosures. The Fund does not anticipate additional significant market risk from the futures or currency contracts.

Futures Contracts

Foreign currency forward contract asset	<u>\$ 614</u>

All of the foreign currency forward contracts expire in August 2010. During the year ended June 30, 2010, realized gains on foreign currency contracts were approximately \$894,000.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(3) DERIVATIVES, CONTINUED

The Fund invests in mortgage-backed securities, which are reported at fair value in the statements of net assets and the balance sheets and are based on the cash flows from interest and principal payments by the underlying mortgages. As a result, they are sensitive to prepayments by mortgagees, which are likely in declining interest rate environments, thereby reducing the values of these securities. The Fund invests in mortgage-backed securities to diversify the portfolio and increase the return while minimizing the extent of risk. Details regarding interest rate risks for these investments are included under the interest rate risk disclosures.

(4) CAPITAL ASSETS

The following is a summary of changes in capital assets:

	<u>Balance at June 30, 2009</u>	<u>Additions</u>	<u>Disposals</u>	<u>Balance at June 30, 2010</u>

Compensated absences	\$ 46,418	24,947	(25,339)	46,026	18,410

(6) FUND BALANCES

Principal funds that are reserved for investment purposes only are composed of settlement receipts and the net appreciation or depreciation in the fair value of invested funds. Annual earnings that are available for expenditure are defined by law as dividends and interest, less fees to manage the Fund, and are recorded as additions to the unreserved fund balance. The Board of Directors manages program and operating expenses that are expended from the unreserved fund balance. Contract revenue is the reimbursement of program expenses related to the Helpline and is considered a reduction to unreserved expenses. Operating expenses include salaries, travel, and other operating expenses of the Board of Investors and the Board of Directors. During 2007, the maximum amount allowed for operating expenses was changed from \$500,000 to 15% of certified earnings in any fiscal year. Operating expenses do not include program expenses or investment management expenses. A reconciliation of the reserved and unreserved components of the fund balances is as follows:

	<u>2010</u>		
	<u>Reserved for</u> <u>Investment</u>	<u>Unreserved</u>	<u>Total</u>
Balance at June 30, 2009	\$ 406,342,739	22,015,196	428,357,935
Settlement receipts	60,713,827	-	60,713,827
Net appreciation in fair value of investments	34,927,255	-	34,927,255
Miscellaneous income	59,972	-	59,972
Contract income	-	1,551,599	1,551,599
Expendable earnings	-	18,180,191	18,180,191
Program and operating expenses	-	(17,577,647)	(17,577,647)
Balance at June 30, 2010	<u>\$ 502,043,793</u>	<u>24,169,339</u>	<u>526,213,132</u>

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(6) FUND BALANCES, CONTINUED

Subsequent to June 30, 2010, the Board of Investors certified \$18,164,336 of earnings for the 2011 operations. The Board of Investors intends to certify an additional \$15,855 of earnings for 2011 operations at a future date, which would bring the total certified earnings for 2011 operations to \$18,180,191.

	2009		
	Reserved for <u>Investment</u>	<u>Unreserved</u>	<u>Total</u>
Balance at June 30, 2008	\$ 397,567,206	18,009,414	415,576,620
Settlement receipts	72,133,158	-	72,133,158
Net depreciation in fair value of investments	(63,433,606)	-	(63,433,606)
Miscellaneous income	75,981	-	75,981
Contract income	-	1,338,730	1,338,730
Expendable earnings	-	18,022,781	18,022,781
Program and operating expenses	-	<u>(15,355,729)</u>	<u>(15,355,729)</u>
Balance at June 30, 2009	<u>\$ 406,342,739</u>	<u>22,015,196</u>	<u>428,357,935</u>

The Board of Directors has determined that 10% of the unreserved fund balance be designated as a reserve for future periods should annual earnings prove insufficient to cover expenses.

(7) PENSION PLAN

Plan Description

The Fund contributes to the Oklahoma Public Employees Retirement Plan (the "Retirement Plan"), a cost-sharing, multiple-employer public employee retirement system administered by the Oklahoma Public Employees Retirement System (the "System"). The Retirement Plan provides retirement, disability, and death benefits to plan members and beneficiaries. The benefit provisions are established and may be amended by the Oklahoma Legislature. Title 74 of the Oklahoma Statutes, Sections 901-943, as amended, assigns the authority for management and operation of the Retirement Plan to the Board of Trustees of the System. The System issues a publicly available annual financial report that includes financial statements and required supplementary information for the Retirement Plan. That annual report may be obtained by writing to the Oklahoma Public Employees Retirement System, 5801 N. Broadway Extension, Suite 400, Oklahoma City, Oklahoma 73118 or by calling 1-800-733-9008.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(7) PENSION PLAN, CONTINUED

Funding Policy

Retirement Plan members and the Fund are required to contribute at a rate set by statute. The contribution requirements of Retirement Plan members and the Fund are established and may be amended by the Oklahoma Legislature. The contribution rates are as follows:

Fiscal Year 2010	
<u>State Employees</u>	<u>The Fund</u>
<u>All Salaries</u>	<u>All Salaries</u>
3.5%	15.5%

Fiscal Year 2009	
<u>State Employees</u>	<u>The Fund</u>
<u>All Salaries</u>	<u>All Salaries</u>
3.5%	14.5%

The Fund's contributions to the Retirement Plan for the years ended June 30, 2010, 2009, and 2008, were \$63,730, \$51,967, and \$40,268, respectively, and were equal to its required contributions for each year.

(8) OKLAHOMA STATE EMPLOYEES DEFERRED COMPENSATION PLAN AND DEFERRED SAVINGS INCENTIVE PLAN

Deferred Compensation Plan

The State offers its employees a Deferred Compensation Plan (the "Plan") as authorized by Section 457 of the Internal Revenue Code (IRC), as amended by the Tax Reform Act of 1986, and in accordance with the provisions of Sections 1701 through 1706 of Title 74 of the Oklahoma Statutes.

The supervisory authority for the management and operation of the Plan is the Board of Trustees of the Oklahoma Public Employees Retirement System (the "Board").

The Plan is available to all State employees, as well as any elected officials receiving a salary from the State. Participants may direct the investment of their contributions in available investment options offered by the Plan. The minimum contribution amount is the equivalent of \$25 per month, and participants are immediately 100% vested in their respective accounts. All interest, dividends, and investment fees are allocated to participants' accounts.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

**(8) OKLAHOMA STATE EMPLOYEES DEFERRED COMPENSATION PLAN AND
DEFERRED SAVINGS INCENTIVE PLAN, CONTINUED**

Deferred Compensation Plan, Continued

Participants may defer until future years up to the lesser of 100% of their compensation as defined by Plan documents or the maximum amount allowed each year as determined by the Internal Revenue Service, currently \$16,500.

The Plan offers a catch-up program to participants, which allows them to defer annually for the 3 years prior to their year of retirement up to twice that plan year's deferral limit. The amount of additional contributions in excess of the normal maximum contributions to the Plan is also limited to contributions for years in which the participant was eligible but did not participate in the Plan or the difference between contributions made and the maximum allowable level. To be eligible for the catch-up program, the participant must be within 3 years of retirement with no reduced benefits.

Participants age 50 or older may make additional contributions of up to \$5,500 annually subject to certain limits.

Deferred compensation benefits are paid to participants or beneficiaries upon termination, retirement, death, or unforeseeable emergency. Such benefits are based on a participant's account balance and are disbursed in a lump sum or periodic payments at the option of the participant or beneficiaries in accordance with the Plan's provisions.

Effective January 1, 1998, the Board established a Trust and a Trust Fund covering the Plan's assets, pursuant to federal legislation enacted in 1996, requiring public employers to establish such trusts for plans meeting the requirements of Section 457 of the IRC no later than January 1, 1999. Under the terms of the Trust, the corpus or income of the Trust Fund may be used only for the exclusive benefit of the Plan's participants and their beneficiaries. Prior to the establishment of the Trust, the Plan's assets were subject to the claims of general creditors of the State. The Board acts as trustee of the Trust. The participants' accounts are invested in accordance with the investment elections of the participants. The Board is accountable for all deferred compensation received, but has no duty to require any compensation to be deferred or to determine that the amounts received comply with the Plan or to determine that the Trust Fund is adequate to provide the benefits payable pursuant to the Plan.

Further information may be obtained from the Plan's audited financial statements for the years ended June 30, 2010 and 2009. The Fund believes that it has no liabilities with respect to the Plan.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(8) **OKLAHOMA STATE EMPLOYEES DEFERRED COMPENSATION PLAN AND DEFERRED SAVINGS INCENTIVE PLAN, CONTINUED**

Deferred Savings Incentive Plan

Effective January 1, 1998, the State established the Oklahoma State Employees Deferred Savings Incentive Plan (the "Savings Incentive Plan") as a money purchase pension plan pursuant to IRC Section 401(a). The Savings Incentive Plan and its related Trust are intended to meet the requirements of IRC Sections 401(a) and 501(a).

Any qualified participant who is a State employee that is an active participant in the Plan is eligible for a contribution of the amount determined by Oklahoma Legislature, currently the equivalent of \$25 per month. Participation in the Savings Incentive Plan is automatic in the month of participation in the Plan and is not voluntary.

Upon cessation of contributions to the Plan, termination of employment with the State, retirement, or death, a participant will no longer be eligible for contributions from the State into the Savings Incentive Plan. Participants are at all times 100% vested in their Savings Incentive Plan account. Participant contributions are not required or permitted. Qualified participants may make rollover contributions to the Savings Incentive Plan, provided such rollover contributions meet applicable requirements of the IRC. Plan participants may direct the investment of the contributions in available investment options offered by the Savings Incentive Plan. All interest, dividends, and investment fees are allocated to the participants' accounts.

Savings Incentive Plan benefits are paid to participants or beneficiaries upon termination, retirement, or death. Such benefits are based on a participant's account balance and are disbursed in a lump sum or periodic payments or may be rolled over to a qualified plan at the option of the participant or beneficiaries.

(9) **OPERATING EXPENSES**

The State constitutional amendment creating the Fund also provides for the payment of authorized administrative expenses of the Office of the State Treasurer and the Board of Directors. State statutes further specify that the State Treasurer shall provide any necessary staff support to the Board of Investors and may request funding for the cost of up to two full-time equivalent employees.

Effective July 1, 2009, both Boards have approved that \$98,000 be provided to the Office of the State Treasurer as funding for staff support to the Board of Investors for FY2010. During 2007, State statutes were amended and specify that annual operating expenses shall not exceed 15% of certified earnings. Previously, State statutes specified that annual operating expenses could not exceed \$500,000.

See Independent Auditors' Report.

TOBACCO SETTLEMENT ENDOWMENT TRUST FUND

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(10) COMMITMENTS AND CONTINGENCIES

Contracts

The Fund has entered into various contracts to assist in its program operations. The contracts are generally for a commitment of 1 year with options to renew.

Settlement Receipts

As permitted by the Tobacco Master Settlement Agreement between the State and participating manufacturers, the participating manufacturers have disputed the amount due to the State based on the final calculation and have placed the disputed funds in an escrow account. For the years ended June 30, 2010 and 2009, the Fund's portion of the disputed final calculation was approximately \$6,000,000 and \$4,100,000, respectively. These amounts were deposited in the escrow account for each of the respective years.

See Independent Auditors' Report.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors and
Board of Investors
Tobacco Settlement Endowment Trust Fund

We have audited the financial statements of the governmental activities and the permanent fund of the Tobacco Settlement Endowment Trust Fund (the "Fund") as of and for the year ended June 30, 2010, and have issued our report thereon dated September 28, 2010. The Fund is a part of the reporting entity of the State of Oklahoma. Our report includes an explanatory paragraph to emphasize the fact that the financial statements included only that portion of the State of Oklahoma that was attributable to the transactions of the Fund and an explanatory paragraph disclaiming an opinion on required supplementary information. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Fund's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

(Continued)

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS, CONTINUED**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management of the Fund, the Oklahoma State Treasurer's Office, and the State of Oklahoma Office of the Auditor and Inspector and is not intended to be and should not be used by anyone other than these specified parties.

Finley + Cook, PLLC
