

Dear Parent(s):

Thank you for your interest in Oklahoma's Parent-Taught Driver Education Program. Enclosed in this packet you will find an affidavit and a list of approved online driver education providers. Rules for parent-taught driver education can be found at <https://rules.ok.gov/code> in OAC 260:135-5-19. It is important that you follow the instructions on this sheet carefully because we are verifying eligibility based on the affidavit you send in. If you fail to send in the affidavit, the training you purchased will not be recognized.

1. Carefully choose which provider you wish to use but do not purchase.
2. Complete the enclosed affidavit.
3. Send in the affidavit and a self-addressed stamped envelope and wait for an acknowledgment from this office.
4. After you receive our acknowledgment, you may purchase the parent-taught online driver education with the provider you selected.
5. Complete the entire parent-taught driver education program.

Once the training is completed, the provider will supply the completion certificate as verification for driver education.

If we can be of further assistance, feel free to contact this office at 405-522-7000.

Respectfully,

Driver License Examining Division
