License Number: _____

Authorization Inspector Information

Printed Name of Inspector: _____

Signature of Authorized Inspector: _____

Authorization Statement

I certify that the individual listed above is authorized to perform VIN inspections on behalf of the business/location identified on this form. I understand that VIN inspections must be completed in accordance with all applicable Oklahoma laws, rules, policies, and procedures.

I further understand that:

- VIN inspections must be physically completed by the authorized individual.
- Falsification of an inspection form may result in suspension or revocation of my authority to perform inspections and further punitive action, including, but not limited to, fines and suspension or revocation of my license to conduct business.
- This authorization remains valid until revoked in writing by the business/location or otherwise terminated.

Signature of Business Owner/Manager: _____
