DASH CAM VIDEO / 911 AUDIO REQUEST

Dash Camera Requests

Instructions/Information:

The Dash Cam Video Production Unit is responsible for receiving, processing, and maintaining Oklahoma Highway Patrol videos. Pursuant to Oklahoma law, portions of dash cam video are open record. For Dash or Body Camera or 911 Audio Requests, please note the following:

Dash Camera Requests are worked in the order they are received and can take up to 90 days or more to process. Search and processing times vary. All dash cam footage will be provided via a digital download at no cost to the requestor. An OHP collision report number or citation number is required to process your request. All requests for collision reports must go through Service Oklahoma. Visit <https://oklahoma.gov/content/dam/service-oklahoma/Documents/CollisionRequestforRecords.pdf> to request a collision report. Requests will be returned if received without sufficient case information for search purposes.
