Bear in mind cost associated with the HIE is recommended to be done at an agency level and is a one-time cost.

Exemptions can also be granted relating to HIE costs, but the proper forms must be filled out via the website.

Most EMR's are acceptable with the HIE.

Danna Fowble has also provided information regarding a free webinar on March 31<sup>st</sup> where Stephen Miller will be speaking further on the HIE. The registration link will be pasted below:
