## Internship Program Application

Oklahoma Transportation's Strategic Communications Division (StratComm) introduces internship opportunities to college students attending an Oklahoma university whose major relates to the communications field.

StratComm engages most communication formats, including strategic communications, video production, graphic design, photography, marketing, social media, public relations, publications, press releases and podcasts.

Interns, classified as either a junior or senior, will work beside communications professionals with nearly 300 years of combined experience.

This intense learning opportunity offers students up to 20 hours a week working with communications professionals in the office and in the field. Students seeking an Internship must fill out an application and include a link to their on-line, digital portfolio or provide writing samples.

With this application, please include a copy of your most recent transcript, a document describing your expectations for the internship, and a letter from your college sponsor stating the number of credit hours you will receive upon completion of the internship.
